Levin, 2021-06-02 Discover new practical methods for teaching literacy skills in your early childhood classroom Has teaching early literacy skills become a stumbling block to getting your preschool students kindergarten ready Break out of the tired letter of the week routine and learn how to transform your lessons with fun and effective techniques *Teach Smarter Literacy Strategies for Early Childhood Teachers* will equip teachers to infuse every aspect of their teaching with exciting hands on literacy teaching methods that engage students and help them build authentic connections with books so that 100% of their students will have a strong literacy foundation and will be fully prepared for success in kindergarten and beyond Respected author Vanessa Levin veteran early childhood educator and author of the Pre K Pages blog breaks down the research and translates it into realistic actionable steps you can take to improve your teaching Features specific examples of teaching techniques and activities that engage students in hands on experiential learning during circle time centers and small groups Offers a simple four step system for teaching literacy skills based on the foundational principles of early literacy teaching Demonstrates how to build your confidence in your ability to get 100% of your students ready for kindergarten long before the end of the school year Understand the problems with traditional literacy teaching and identify gaps in your current teaching practice with this valuable resource

Music for Early Learning Linda Bance, 2012 Is my singing good enough What should I do with instruments How can I extend and develop the ideas that children initiate Singing dancing and music making comes naturally to young children but we as adults often lack confidence in our musical ability This easily accessible book will help you to realise that anyone can be a creative music maker with young children It aims to inspire you to take young children s enthusiasm for music and create a musically rich environment that supports all areas of learning and development Packed with activities songs and musical games this book includes The benefits of music making in the early years Advice on inclusive practice Guidance on using musical instruments Help with planning and assessment Chapters linking musical activities to each area of learning and development How to balance adult led and child initiated activities Including a CD containing songs and listening activities linked to each area of development this practical text will help you to realise the wonderful opportunities that music can offer young children both in terms of their learning and overall wellbeing

Against Race- and Class-Based Pedagogy in Early Childhood Education Stephanie C. Smith, 2016-04-29 This book examines differing classroom pedagogies in two early childhood programs serving vulnerable populations in Chicago one program Reggio Emilia inspired while the other uses a more didactic pedagogy The structure of classroom pedagogies is

defined using Basil Bernstein's theories of visible and invisible pedagogy **Group Parent Education** Deborah Campbell, Glen Palm, 2004 For those working in group parent education I am sure it will be a valuable resource and make its way onto the essential reading list of many courses Journal In Service Education This book is devoted to training parent educators and family counsellors and represents a unique and important contribution to the growing field of parent education and support programmes The authors build upon the rich traditions of group parent education while incorporating contemporary theory and practice **The Way of Song** Shawna Carol, 2003-06-18 Anyone who's gotten so mad they could scream or let out a mellow sigh of relief knows that the voice is a powerful tool for releasing emotions In this beautifully written guide singer and teacher Shawna Carol shows how to harness the power of the voice as a means of self expression and spiritual growth Using her SpiritSong method Carol encourages you to sing whether or not you have what is commonly considered a good voice Stripping away the mystique fear and perfectionism that so often surround singing she begins with simple breathing exercises and builds to simple toning followed by more complete songs The goal is a feeling of openness connection and freedom that comes from self expression The singing itself can be done with or without words alone or in a group Whether or not you can read music or even carry a tune The Way of Song illuminates a sure path to reconnecting with the joy and the power of singing **Nailing Jelly to the Wall** Nancy P. Alexander, 2012 For experts in the field of early care and education defining and providing technical assistance can be as difficult as nailing jelly to the wall Learn to effectively coach mentor and train early childhood teachers and administrators with guided experiences strategies and activities to provide technical assistance in specific program areas like parent involvement science outdoor play music and art Nailing Jelly to the Wall is written for early childhood consultants offering an objective outside view of what is needed to improve a program mentors serving as a role model for others who are building a career in early childhood coaches helping others in the field of early childhood improve their skills and knowledge by providing resources demonstrations and guidance and program administrators working with their own staff to provide professional development and guidance **Studying Babies and Toddlers** Liang Li, Gloria Quiñones, Avis Ridgway, 2017-02-14 The editors of this book have brought together contributors from many parts of the world As such the book offers a truly diverse international flavour reflecting a broad range of research on babies and toddlers Examining examples from both Eastern and Western cultures the book's overarching focus is on relationships yielding a coherence beneficial to early childhood researchers and educators alike Employing visual methodologies to help bring the chapters to life the varied research studies presented concern babies and toddlers relationships and cultural contexts Taken together they offer a unique opportunity to conceptualise the use of a wholeness approach for studying babies and toddlers our youngest citizens **Your Musical Child** Jessica Baron Turner, 2004 String Letter Publishing What makes a child fall in love with learning to play music How does talent develop When is the right time to start lessons Which instrument is the best fit Why is practice so challenging and what can parents do to keep

kids musically motivated Where can a parent learn about music programs camps books recordings and other important resources This groundbreaking book answers these questions and many others serving up healthy portions of insight humor research practical advice fresh ideas and heartfelt encouragement for making the most of musical development from pregnancy through the elementary years It provides everything parents need to nurture children so they may begin to discover their own unique voices If one book can keep kids from quitting this is it This book will help you find a new relationship with your child and perhaps yourself It s never too late Graham Nash The Classroom and Communication Skills Program Megan Ahlers, Colleen Hannigan Zillich, 2008 Educators looking for effective ways to help young children who are non or limited verbal and not table ready will find this the solution to their search The CCSP considers a combination of factors for verbal language in the development of programs for individual children including verbal language cognition auditory function oral motor skills receptive language and expressive language The model emphasizes the importance of creating a fluid transition between a child s natural environments such as home and school in order to increase the chances of generalizing skills While not specific to a particular disability the program is a very helpful resource for educators working with children on the spectrum who have language deficits Classroom Pivotal Response Teaching for Children with Autism Jessica Suhrheinrich, Sarah Reed, Laura Schreibman, Cynthia Bolduc, 2011-08-01 Classroom Pivotal Response Teaching or CPRT was developed to help meet the educational needs of young children with autism CPRT originally called Pivotal Response Training or Treatment is a form of naturalistic behavioral intervention based on the principles of applied behavior analysis ABA and is soundly supported in the scientific literature This manual will describe the components of CPRT and how to implement the approach in your classroom Although this manual is geared primarily toward preschool through grade 3 teachers CPRT strategies can be used by a variety of professionals Speech and language pathologists occupational therapists behavior specialists psychologists and other teaching professionals may all find CPRT a valuable strategy Additionally the techniques in this manual may be useful with typically developing children and those with a variety of special needs Most children can benefit from this structured systematic approach that utilizes naturally occurring teaching opportunities One of the strengths of this approach is that it is adaptable to a wide range of teaching goals and service settings All who teach are encouraged to integrate CPRT into their existing strategies as often as possible Provided by publisher
