Music-Making and Scottish National Identity: Scotland's Printed Music, 1880-1951 Karen E. McAulay,2024-10-30 Late Victorian Scotland had a flourishing music publishing trade evidenced by the survival of a plethora of vocal scores and dance tune books and whether informing us what people actually sang and played at home danced to or enjoyed in choirs or reminding us of the impact of emigration from Britain for both emigrants and their families left behind examining this neglected repertoire provides an insight into Scottish musical culture and is a valuable addition to the broader social history

of Scotland The decline of the music trade by the mid twentieth century is attributable to various factors some external but others due to the conservative and perhaps somewhat parochial nature of the publishers output What survives bears witness to the importance of domestic and amateur music making in ordinary lives between 1880 and 1950 Much of the music is now little more than a historical artefact Nonetheless Karen E McAulay shows that the nature of the music the song and fiddle tune books contents the paratext around the collections its packaging marketing and dissemination all document the social history of an era whose everyday music has often been dismissed as not significant or indeed properly old enough to merit consideration The book will be valuable for academics as well as folk musicians and those interested in the social and musical history of Scotland and the British Isles [A 1950s Housewife](#) Sheila Hardy,2015-10-05 A nostalgic look at what it was like to be a housewife in the 1950s Being a housewife in the 1950s was quite different than today Women were expected to create a spotless home delicious meals and an inviting bedroom From the perils of courting to the inevitable list of wedding gifts to the household tips that any self respecting new wife should know this book collects heartwarming personal anecdotes from women who embarked on married life during this fascinating post war period providing a trip down memory lane for any wife or child of the 1950s [Subject Guide to Books in Print](#) ,1993 **Ukulele - The Most Requested Songs** Hal Leonard Corp.,2010-08-01 Ukulele Nearly 50 favorites from Dylan Simon Garfunkel Harry Belafonte the Beach Boys Bob Marley John Denver Jack Johnson and others all expertly arranged for ukulele Includes Annie s Song Blowin in the Wind Bubbly Build Me Up Buttercup Cecilia Day O The Banana Boat Song Georgia on My Mind I Shot the Sheriff Imagine Kokomo L O V E Moon River Three Little Birds Your Body Is a Wonderland and dozens more *All Music Guide to Classical Music* Chris Woodstra,Gerald Brennan,Allen Schrott,2005-09 Offering comprehensive coverage of classical music this guide surveys more than eleven thousand albums and presents biographies of five hundred composers and eight hundred performers as well as twenty three essays on forms eras and genres of classical music Original **Billboard** ,2006-02-18 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **"Isolde Ahlgrimm, Vienna and the Early Music Revival "** Peter Watchorn,2017-07-05 Isolde Ahlgrimm 1914 1995 was an important pioneer in the revival of Baroque and Classical keyboard instruments in her native city Vienna and later throughout Europe and the United States She trained as a pianist at the Musikakademie in Vienna under the instruction of Viktor Ebenstein Emil von Sauer and Franz Schmidt In 1934 she met the musical instrument collector Dr Erich Fiala whom she married in 1938 His activities opened up the world of early instruments to her Using a 1790 fortepiano by Michael Rosenberger Isolde Ahlgrimm began her career as a specialist on early keyboard instruments with the first in her notable series of Concerte f r Kenner und Liebhaber given in Vienna s Palais Palfy in February 1937 Ahlgrimm s career as a harpsichordist also began in 1937 when a new instrument was commissioned

from the Ammer brothers in Eisenberg Germany In 1943 Ahlgrimm performed her first all harpsichord programme which consisted of the Goldberg Variations by J S Bach From 1949 to 1956 she devoted herself to performing and recording nearly all of Bach s harpsichord music for the newly founded Dutch label Philips presenting her new approach to the harpsichord to a wider audience Ahlgrimm s performances of Baroque music represented a radical departure from the distinctly twentieth century interpretations by the much more famous Wanda Landowska and her followers Most obviously Ahlgrimm s harpsichord performances eliminated frequent registration changes her instrument had hand stops rather than pedals to change registers and largely eschewed the massive ritardandi and other anachronistic performance practices that were hallmarks of Landowska s essentially Romantic style Ahlgrimm researched and emphasized rhetorical traditions on which the music was based This became more pronounced throughout the course of her later performing writing and teaching career and it was the beginning of an approach to the performance of eighteenth century musi **Let's Do It** Bob
