**Shakin' Up Race and Gender** Marta E. Sánchez,2009-07-21 The second phase of the civil rights movement 1965 1973 was a pivotal period in the development of ethnic groups in the United States In the years since then new generations have asked new questions to cast light on this watershed era No longer is it productive to consider only the differences between ethnic groups we must also study them in relation to one another and to U S mainstream society In Shakin Up Race and Gender Marta E S nchez creates an intercultural frame to study the historical and cultural connections among Puerto Ricans African Americans and Chicanos as since the 1960s Her frame opens up the black white binary that dominated the 1960s and 1970s It reveals the hidden yet real ties that connected ethnics of color and

white ethnics in a shared intercultural history By using key literary works published during this time Sanchez reassesses and refutes the unflattering portrayals of ethnics by three leading intellectuals Octavio Paz Daniel Patrick Moynihan and Oscar Lewis who wrote about Chicanos African Americans and Puerto Ricans She links their implicit misogyny to the trope of La Malinche from Chicano culture and shows how specific characteristics of this trope enslavement alleged betrayal and cultural negotiation are also present in African American and Puerto Rican cultures Sanchez employs the trope to restore the agency denied to these groups Intercultural contact encounters between peoples of distinct ethnic groups is the theme of this book
