## Sons Of Chong:

A New Middle Kingdom J. P. Park, 2018-10-09 Historians have claimed that when social stability returned to Korea after devastating invasions by the Japanese and Manchus around the turn of the seventeenth century the late Chosŏn dynasty was a period of unprecedented economic and cultural renaissance in which prosperity manifested itself in new programs and styles of visual art A New Middle Kingdom questions this belief claiming instead that true view landscape and genre paintings were likely adopted to propagandize social harmony under Chosŏn rule and to justify the status wealth and land grabs of the ruling class This book also documents the popularity of art books from China and their misunderstanding by Koreans and most controversially Korean enthusiasm for artistic programs from Edo Japan thus challenging academic stereotypes and nationalistic tendencies in the scholarship about the Chosŏn period As the first truly interdisciplinary study of Korean art A New Middle Kingdom points to realities of late Chosŏn society that its visual art seemed to hide and deny A William Sangki and Nanhee Min Hahn Book Ten States, Five Dynasties, One Great Emperor Hung Hing Ming, 2014-08-01 Drawn from Chinese classics of history Hung Hing Ming's biographies introduce China's most emblematic historical figures and the cultural attributes fostered by China's ancient chronicles This book is about one of the greatest emperors in Chinese history Zhao Kuang Yin founder of the Song Dynasty 960-1279 He is honored for having unified China in the extremely chaotic period of Five Dynasties and Ten States This enjoyable book introduces more of China's heroes and villains highlighting a modest man yet a great emperor who brought peace and stability to the realm and saved the people from great suffering Interwoven into the narrative of battles fought and alliances forged or flouted we find examples of good leadership and bad hot-headed fighters and disciplined warriors and lessons on how to assess and win people's loyalty *Classical Chinese Literature: From antiquity to the Tang dynasty* John Minford, Joseph S. M. Lau, 2002 Contains English translations of Chinese writings drawn from throughout a period of four hundred years including poems drama fiction songs biographies and early works of philosophy and history arranged chronologically and by genre with introductory quotes and comments Under the Ancestors' Eyes Martina Deuchler, 2020-05-11 Under the Ancestors Eyes presents a new approach to Korean social history by focusing on the origin and development of the indigenous descent group Martina Deuchler maintains that the surprising continuity of the descent group model gave the ruling elite cohesion and stability and enabled it to retain power from the early Silla fifth century to the late nineteenth century This argument underpinned by a fresh interpretation of the late fourteenth century Koryŏ Chosŏn transition illuminates the role of Neo Confucianism as an ideological and political device through which the elite regained and maintained dominance during the Chosŏn period Neo Confucianism as espoused in Korea did not level the social hierarchy but instead tended to sustain the status system In the late Chosŏn it also provided ritual models for the lineage building with which local elites sustained their preeminence vis vis an intrusive state Though Neo Confucianism has often been blamed for the rigidity of late Chosŏn society it was actually the enduring native kinship

ideology that preserved the strict social status system By utilizing historical and social anthropological methodology and analyzing a wealth of diverse materials Deuchler highlights Korea's distinctive elevation of the social over the political

**Carving Status at Kūmgangsan** Maya K. H. Stiller, 2021-12-17 North Korea's Kūmgangsan is one of Asia's most celebrated sacred mountain ranges comparable in fame to Mount Tai in China and Mount Fuji in Japan Carving Status at Kūmgangsan marks a paradigm shift in the research about East Asian mountains by introducing an entirely new field: autographic rock graffiti The book details how late Chosŏn ca 1600-1900 CE Korean elite travelers used Kūmgangsan to demonstrate their high social status by carving inscriptions naming sites and joining the literary pedigree of visitors to renowned locales Such travel practices show how social competition emerged in the spatial context of a landscape Hence Carving Status at Kūmgangsan argues for an expansion of accepted historical narratives on travel and mountain space in premodern East Asia Rather than interpreting pilgrimage routes as exclusively religious or tourist in Kūmgangsan's case they were also an important site of collective memory Embarking on a journey to Kūmgangsan to view and contribute to its sites of memory was an endeavor that late Chosŏn Koreans hoped to achieve in their lives Based on multidisciplinary research drawing on literary writings court records gazetteers maps songs calligraphy and paintings Carving Status at Kūmgangsan is the first historical study of this practice It will appeal to scholars in fields ranging from East Asian history literature and geography to pilgrimage studies and art history

*The Chinese in Mexico, 1882-1940* Robert Chao Romero, 2011-06-29 An estimated 60,000 Chinese entered Mexico during the late nineteenth and early twentieth centuries constituting Mexico's second largest foreign ethnic community at the time The Chinese in Mexico provides a social history of Chinese immigration to and settlement in Mexico in the context of the global Chinese diaspora of the era Robert Romero argues that Chinese immigrants turned to Mexico as a new land of economic opportunity after the passage of the U.S. Chinese Exclusion Act of 1882 As a consequence of this legislation Romero claims Chinese immigrants journeyed to Mexico in order to gain illicit entry into the United States and in search of employment opportunities within Mexico's developing economy Romero details the development after 1882 of the Chinese transnational commercial orbit: a network encompassing China Latin America Canada and the Caribbean shaped and traveled by entrepreneurial Chinese pursuing commercial opportunities in human smuggling labor contracting wholesale merchandising and small scale trade Romero's study is based on a wide array of Mexican and U.S. archival sources It draws from such quantitative and qualitative sources as oral histories census records consular reports INS interviews and legal documents Two sources used for the first time in this kind of study provide a comprehensive sociological and historical window into the lives of Chinese immigrants in Mexico during these years: the Chinese Exclusion Act case files of the U.S. Immigration and Naturalization Service and the 1930 Mexican municipal census manuscripts From these documents Romero crafts a vividly personal and compelling story of individual lives caught in an extensive network of early transnationalism

*People's Republic of Korea* United States. Central Intelligence Agency, 1982      **Directory of Officials of the Democratic People's Republic of Korea**, 1978      Women's Journey to Empowerment in the 21st Century Kristen Zaleski, Annalisa V. Enrile, Eugenia L. Weiss, 2020 Written through the lens of transnational feminism *Women's Journey to Empowerment in the 21st Century* offers a global view into the patriarchal attitudes that shape cultural practices that oppress women and continue to take form in the modern era By examining a range of issues the book compels readers to utilize a contextual framework in taking a closer look at contemporary violence and oppression against women in our world      *A Biographical Dictionary of Later Han to the Three Kingdoms (23-220 AD)* Rafe de Crespigny, 2006-12-01 This publication is the long awaited complement to Michael Loewe's acclaimed *Biographical Dictionary of the Qin Former Han and Xin Periods* 2000 With more than 8 000 entries based upon historical records and surviving inscriptions the comprehensive *Biographical Dictionary of Later Han to the Three Kingdoms 23-220 AD* now provides information on men and women of the Chinese world who lived at the time of Later or Eastern Han from Liu Xiu founding Emperor Guangwu reg 24-57 to the celebrated warlord Cao Cao 155-220 at the end of the dynasty The entries including surnames personal names styles and dates are accompanied by maps genealogical tables and indexes with lists of books and special accounts of women These features together with the convenient surveys of the history and the administrative structure of the dynasty will make Rafe de Crespigny's work an indispensable tool for any further serious study of a significant but comparatively neglected period of imperial China

*What's In The Name? How The Streets And Villages In Singapore Got Their Names* Yew Peng Ng, 2017-09-28 Since 1819 more than 6 200 place street and village names divided into more than 3 900 name groups were known in Singapore Based on digitised historical newspapers dated back to 1830 municipal records and Malay dictionaries the origins meanings and date of naming for many place names are uncovered As part of Singapore history place names known since 1936 are recorded in this book Although place names are fairly static in nature there have been more than 100 name changes The naming trends transitioned from English to Malay and then back to English names Discover that Toa Payoh was not named after a big swamp Anderson Road was named before John Anderson a former Governor took up his job and many more new findings in this exciting book This book is a complete listing of all place names since 1936 together with the most comprehensive annotations to date a first in Singapore It is also the only book of its kind that analyses naming trends Information on the origins or date of naming was based on primary sources such as old maps minutes of municipal meetings Chinese books and digitised newspapers      The Asami Library Chaoying Fang, 2023-11-15 The Asami Library catalogue documents an extraordinary collection of Korean printed books manuscripts maps and rubbings acquired by the East Asiatic Library of the University of California in 1950 Compiled by Chaoying Fang this catalogue highlights the Asami collection's unparalleled contribution to Korean studies in the United States Assembled by Asami Rintar a Japanese legal scholar and bibliophile active in Seoul during the early 20th century the collection comprises over 900 titles in approximately 4 000

fascicles and sheets. Notably a significant portion of these documents pertain to law and governance offering a rare glimpse into historical administrative practices. Additionally the collection includes unique examples of Korean movable type printing from the 17th to 19th centuries representing a specialized art form and reflecting the scarcity of such publications due to their limited production runs. Fang's meticulous effort guided by scholarly expertise and enriched by consultations with prominent figures in Korean studies produced a comprehensive descriptive catalogue. The compilation process involved applying standardized bibliographic methods and frequent reference to foundational works such as *Chosen tosho kaidai* and *Kosen sappu*. Fang's work further refined during his revisitation of the Asami materials in 1967 benefited from collaborative input and extensive examination of the collection's rubbings and printed texts. The catalogue not only serves as a vital research tool but also underscores the intellectual and cultural significance of the Asami collection ensuring its legacy as a cornerstone of Korean studies in the West. This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact. Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1969. [A History of Korea](#) Jinwung Kim, 2021-12-22. A history of the divided region from prehistoric times to present day examining at political social cultural economic and diplomatic developments. Contemporary North and South Korea are nations of radical contrasts one a bellicose totalitarian state with a failing economy the other a peaceful democracy with a strong economy. Yet their people share a common history that extends back more than three thousand years. In this comprehensive new history of Korea from the prehistoric era to the present day Jinwung Kim recounts the rich and fascinating story of the political social cultural economic and diplomatic developments in Korea's long march to the present. He provides a detailed account of the origins of the Korean people and language and the founding of the first walled town states along with the advanced civilization that existed in the ancient land of Unified Silla. Clarifying the often complex history of the Three Kingdoms Period Kim chronicles the five century long history of the Choson dynasty which left a deep impression on Korean culture. From the beginning China has loomed large in the history of Korea from the earliest times when the tribes that would eventually make up the Korean nation roamed the vast plains of Manchuria and against whom Korea would soon define itself. Japan too has played an important role in Korean history particularly in the 20th century. Kim tells this story as well including the conflicts that led to the current divided state. The first detailed overview of Korean history in nearly a quarter century this volume will enlighten a new generation of students eager to understand this contested region of Asia. Using the latest sources including recently declassified Communist documents Jinwung Kim's book holds promise of becoming the textbook of choice. Benefiting from his direct and intimate knowledge of the country he writes with great clarity providing rich and interesting descriptions of political social cultural economic and diplomatic developments throughout the history of Korea. Chico A clearly written comprehensive and impressively detailed work **Journal of Asian Studies**      **Southeast Asian Personalities of Chinese Descent** Leo Suryadinata, 2012 This is a bold project recording the lives of a particular group of Southeast Asians Most of the people whose biographies are included here have settled down in the ten countries that constitute the region Each of them has either self identified as Chinese or is comfortable to be known as someone of Chinese ancestry There are also those who were born in China or elsewhere who came here to work and do business including seeking help from others who have ethnic Chinese connections With the political and economic conditions of the region in a great state of flux for the past two centuries it is impossible to find consistency in the naming process Confucius had stressed that correct names make for the best relationships In this case Professor Leo Suryadinata has been pursuing for decades the elusive goal of finding the right name to give to the large numbers of people who have in one way or another made their homes in or made some difference to Southeast Asia I believe that when he and his colleagues selected the biographies to be included here they have taken a big step towards the rectification of identities for many leading personalities In so doing he has done us all a great service Professor Wang Gungwu National University of Singapore      **The Zuo Tradition / Zuo Zhuan Reader**, 2020-10-31 Essential passages from a classic Chinese history organized topically introduced and annotated Zuo Tradition China's first great work of history was completed by about 300 BCE and recounts events during a period of disunity from 722 to 468 BCE The text which plays a foundational role in Chinese culture has been newly translated into English by Stephen Durrant Wai yee Li and David Schaberg in an unabridged bilingual three volume set This reader arranges key passages from that set according to topic as a guide to the study of early Chinese culture and thought Chapter subjects include succession struggles women warfare ritual propriety governance law and punishment famous statesmen diplomacy Confucius and his disciples dreams and anomalies and cultural others An introduction explains the nature and significance of Zuo Zhuan and discusses how to read the text Section introductions and judicious footnoting provide contextual information and explain the historical significance and meaning of particular events The Zuo Tradition Zuo Zhuan Reader will appeal to readers interested in Chinese and world history claiming a place on library and personal bookshelves alongside other narratives from the ancient world      **Men of Letters within the Passes** Chang Woei Ong, 2020-03-17 The main theme of this book is the interaction between two places China and Guanzhong the capital area of several dynasties It addresses such questions as What do we mean by local Did the inhabitants of a locality believe that being local required them to assume a certain identity If so how did they talk and write about it Were there spatial and temporal differences in the representation of locales This work examines how Guanzhong literati conceptualized three sets of relations central regional official unofficial and national local It further traces the formation over the last millennium of the imperial state of a critical communal self consciousness the role of this consciousness in constructing a local identity and promoting an unofficial space for nonofficial elite activism and the effect of the presence or absence of this consciousness on literati views of central

regional relationships The issue here is not whether there can be a shared national culture but whether this culture can be perceived as having regional variations and therefore contributing to the formation of a local identity Chǒng Yagyong Mark Setton,1997-01-01 Describes the historical background and philosophy of the reform minded eighteenth century Korean thinker Chong Yagyong Zuo Tradition / Zuozhuan ,2016-11-14 Zuo Tradition Zuozhuan sometimes called The Zuo Commentary is China s first great work of history It consists of two interwoven texts the Spring and Autumn Annals Chunqiu a terse annalistic record and a vast web of narratives and speeches that add context and interpretation to the Annals Completed by about 300 BCE it is the longest and one of the most difficult texts surviving from pre imperial times It has been as important to the foundation and preservation of Chinese culture as the historical books of the Hebrew Bible have been to the Jewish and Christian traditions It has shaped notions of history justice and the significance of human action in the Chinese tradition perhaps more so than any comparable work of Latin or Greek historiography has done to Western civilization This translation accompanied by the original text an introduction and annotations will finally make Zuozhuan accessible to all **Flowering Plums and Curio Cabinets** Sunglim Kim,2018-12-04 The social and economic rise of the chungin class middle people who ranked between the yangban aristocracy and commoners during the late Chos ōn period 1700 1910 ushered in a world of materialism and commodification of painting and other art objects Generally overlooked in art history the chungin contributed to a flourishing art market especially for ch aekkori a new form of still life painting that experimented with Western perspective and illusionism and a reimagined style of the traditional plum blossom painting genre Sunglim Kim examines chungin artists and patronage of the visual arts and their commercial transactions artistic exchange with China and Japan and historical writings on art She also explores the key role of men of chungin background in preserving Korean art heritage in the tumultuous twentieth century including the work of the modern Korean collector and historian O Se ch ang who memorialized many chungin painters and calligraphers Revealing a vivid picture of a complex art world Flowering Plums and Curio Cabinets presents a major reconsideration of late Chos ōn society and its material culture Lushly illustrated it will appeal to scholars of Korea and East Asia art history visual culture and social history A William Sangki and Nanhee Min Hahn Book Art History Publication Initiative For more information visit <http://arthistorypi.org/books/flowering-plums-and-curio-cabinets>
