

A romantic scene featuring a man and a woman in silhouette, embracing and about to kiss. They are positioned in the center-right of the frame, with the sun low in the background, creating a warm, golden glow. The background shows a hazy landscape with rolling hills or mountains. Overlaid on the left side of the image is the word "Gone" in a large, elegant, pink cursive script.

It Takes a Village Christine Stinson,2011-05-01 Growing up in conservative

postwar Australia isn't easy. For eight-year-old Sophie who has just been told that she's a bastard, it seems that she lives in a world of secrets, unanswered questions, and whispers. Who is her father and why did her mother never tell anyone who he was? With only her reclusive grandfather to raise her and more than one neighbour expecting her to go off the rails like her mother, after all, apples rarely fall far from the tree. Sophie struggles to find her place in the world. In a time when experiences are shared around the kitchen table, over the back fence, or up at the corner shop, Sophie learns that life is rarely simple, love is always complicated, and sometimes it takes more than blood ties to make a family.

Where the Missing Go Emma Rowley, 2019-04-30

In Emma Rowley's emotionally gripping, unpredictable novel of psychological suspense, a mother who works at a charity helpline for missing teens receives a desperate call from her own daughter. The missing don't always want to be found. Kate Harlow recognizes this painful truth even as she keeps searching for her daughter, Sophie, who disappeared two years ago. The police have stopped investigating; after all, Sophie has sent postcards home insisting that she's fine. To fill the space in her increasingly empty days, Kate volunteers at Message in a Bottle, where runaways can leave messages for loved ones, no questions asked. Then one evening, a call comes in from a voice Kate instinctively recognizes, even through bursts of static and beyond the sudden dial tone that breaks their connection. Those closest to Kate worry she's cracking under her grief, imagining that it was Sophie. But Kate knows that it was her daughter on the phone. And that a stranger has been inside her house. Watching her, Sophie is out there. And Kate has to find her, even if someone will try anything to stop her. Kept me guessing to the final twist, creepy and addictive. My perfect type of book.
