Sophisticated Boom Boom John Kelly, 2011-03-22 **Sophisticated Boom Boom** John Kelly, 2011-01-31 In Enniskillen Co Fermanagh in the seventies nothing happens Every day Teenagers Declan Lydon and his trusted friend Spit Maguire stand under lampposts waiting to be overtaken by some hormonal storm to be enveloped by strange women to finally make some connection with the glorious glamorous world they know is out there somewhere Their salvation comes through music When miraculously Thin Lizzy come to town Declan goes in to the concert in his brown cardigan and emerges wearing a black leather jacket *Sophisticated Boom Boom* is a tender hilarious account of the agonies and absurdities of growing up in a backwater of pebbledash and Space Invaders Crucially though this is a love letter to the period and the place and to the liberating healing power of music that galvanises and transforms **Sophisticated Boom Boom Proof** John

Kelly, 2003-04-01 **Dressed in Black** Lisa MacKinney, 2025-03-18 The first full length history of the Shangri Las one of the most significant and most misunderstood pop groups of the 1960s Sisters Mary and Betty Weiss together with twins Mary Ann and Marguerite Ganser were schoolgirls when they formed the Shangri Las in 1963 and had a meteoric rise to fame with songs like Leader of the Pack and Remember Walking in the Sand Their career was cut short for reasons largely beyond their control derailed by the machinations of Mafia linked record executives and heartbreak and tragedy followed Historian Lisa MacKinney marshals an impressive array of new evidence to tell the Shangri Las story dispelling many myths and long standing mysteries along the way Equally importantly *Dressed in Black* radically rewrites the accepted narrative of the Shangri Las place in rock history As young women they were permitted little agency within a male dominated industry that viewed teenagers as fodder to be manipulated and exploited by producers songwriters and label owners For decades this has served as an excuse for critics to deny the musical input of the group members to trivialize the Shangri Las as a girl group and to assign their work a lesser rank in the canon of authentic rock and roll MacKinney's great achievement here is to foreground the Shangri Las considerable abilities and musicality and establish the centrality of their performance of their songs to the group's underappreciated artistic achievement This is not to deny the critical role in the group's success of professional songwriters including Ellie Greenwich and Jeff Barry and writer producer George Shadow Morton a pioneering and eccentric figure whose self mythologizing has generated a level of obfuscation that rivals that of the Shangri Las themselves MacKinney's clear sighted account reveals Morton in a completely new light and as part of a complex ecosystem of musical relationships Morton wrote and produced highly emotional material specifically for the Shangri Las because he knew they had the skills to make his mini operas not only believable but enthralling The group members particularly Mary Weiss channeled personal anguish into their extraordinary performances which are central to the songs impact no less so than for such classic singers as Ella Fitzgerald and Elvis Presley who also relied on producers and songwriters for their body of work The Shangri Las impassioned delivery elicited a massive response from their audience of fellow teenagers at the time

and has continued to connect profoundly with audiences ever since MacKinney backs up these arguments with in depth analysis of key Shangri Las recordings and makes a powerful case that their achievements warrant a far more prominent place for the Shangri Las in the history of popular music **The Shangri-Las' Golden Hits of the Shangri-Las** Ada Wolin, 2019-04-04 Of the many girl groups that came out of the 1960s none is more idiosyncratic and influential than the Shangri Las They were together only five years but within that time they subverted pop standards and foreshadowed a generation of tough women in music Critically they are not lauded in the way of the Ronettes and they are certainly not a household name like the Supremes They were a little too low brow with an uncouth flair for theatrics that has placed them just left of the girl group canon This book examines the still elusive validation of 1960s girl groups as a whole but also paradoxically aims to free the Shangri Las from that category viewing them instead with the sort of individuality traditionally afforded to rock groups They were somehow able to challenge the status quo under the guise of sticky sweet pop a feat not many pop groups can achieve but which they do fleetingly but not insubstantially in *Golden Hits of the Shangri Las*

Between 1967 and 2004 John Peel picked over 2000 bands to come and record over 4000 sessions to be played on his radio show. Many were young and had never been in a recording studio before for some it was the start of an illustrious career for others it was the only recognition their musical talent ever got. For over 35 years the cream of British musical talent made the journey to the BBC's studio in Maida

Vale from Pink Floyd to Pulp the Small Faces to the Smiths And because John Peel was so respected his sessions took on a legendary status they were a rite of passage that every new band wanted to go through Unfettered by commercial pressure the Peel Sessions were a unique British institution an archive of music that reflects one man's passion for finding and encouraging new music Includes a full sessionography listing songs band members and broadcast dates Jarvis Cocker writing about his first Peel Session aged 18 Wayne the drummer was 15 We travelled down to Maida Vale in a van driven by a very strange man we'd contacted via a card pinned to the Virgin record shop noticeboard We'd had to borrow lots of equipment from a band called The Naughtiest Girl Was a Monitor cause we didn't have enough stuff of our own The session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his credit the session did get finished and after it everything else started for me
