Rice, 2016-02-25 Its always about change and the futility of depending on people and circumstances not to change We take cold comfort in relying on maxims which insist that change can be controlled over time everything is supposed to get easier it doesn't small words are the easiest to understand they never are and hard work always pays off in the end rarely You may recall a time when you made a major decision worked through a difference of opinion or learned from others mistakes These stories and plays are a catalog of people in transition and a reminder that the questions in life never change but the answers are always different *The Projection Room* Carol Golembiewski, 2020-07-28 The strange and deadly event that occurred in the projection room at the Milwaukee Art Museum were almost a distant memory for Bruce Mallory a talented scientist and inventor Several years had passed and Bruce has settled into family life but his contented existence is turned upside down when he is contacted by the new director of the museum wanting the room reinstalled to its original site Things become even more ominous when Agent Baker catches wind that the two stolen Angels of Death paintings and their location has been uncovered as well A short time later Bruce and the mysterious Agent Baker are immersed in a treacherous quest to recover Georges Bosque's Angels of Death paintings Bruce who understands the dark power behind the artwork has vowed to destroy the priceless paintings if he unearths them first Meanwhile both Bruce and Baker are aware they're being manipulated and guided on their mission by a power within the military intelligence echelon Now the men must race to find the artwork before the ruthless Casper Layton and his genetically modified experimental soldiers feed his desire for revenge and release the deadly entities back into the land of the living In this ongoing tale of danger and vengeance a scientist and a mysterious agent embark on a life and death mission to find and destroy priceless paintings before a dark power releases his evil onto the world *Shepherd Warrior* David T.
