Revelation Unveiled Tim LaHaye,2010-02-23 In Revelation Unveiled Dr Tim LaHaye co author of the best selling Left Behind series reveals the scriptural foundation of beloved novels In this book LaHaye explains the biblical topics he and Jerry Jenkins explored in Left Behind The rapture of the church The Return of Christ The Great Tribulation The Final Battle against Satan and His Hosts The Seven Seals The Antichrist The Seven Trumpets The Seven Bowls of Wrath The Great White Throne The Destruction of Babylon The New Heaven and New Earth Previously titled Revelation Illustrated and Made Plain this revised and updated verse by verse commentary of the book of Revelation includes numerous charts With simple and accessible language Revelation Unveiled will help you better understand the mysterious final book of the Bible and its implications Perfect for fans of the Left Behind books and for anyone confused or curious about the book of Revelation **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986** ,1987

Publication ,1987 **Plotting Apocalypse** Jennie Chapman,2013-09-12 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of

the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics

ENCOURAGEMENT FROM THE PSALMS Dr. B,2023-10-06 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author's mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord *Religion of Fear* Jason C Bivins,2008-08-29 Jason C Bivins offers close examinations of several popular evangelical cultural creations including the Left Behind novels church sponsored Halloween Hell Houses Jack Chick's sensational comic tracts and anti rock and rap rhetoric and censorship Bivins depicts these fascinating and often troubling phenomena in vivid detail and shows how they seek to shape evangelical cultural and political identity
