**Headings** Library of Congress,2007 *Christian Higher Education* Joel Carpenter,Perry L. Glanzer,Nicholas S.

Lantinga,2014-03-07 This book offers a fresh report and interpretation of what is happening at the intersection of two great contemporary movements the rapid growth of higher education worldwide and the rise of world Christianity It features on site evaluative studies by scholars from Africa Asia North America and South America Christian Higher Education A Global Reconnaissance visits some of the hotspots of Christian university development such as South Korea Kenya and Nigeria and compares what is happening there to places in Canada the United States and Europe where Christian higher education has a longer history Very little research until now has examined the scope and direction of Christian higher education throughout the world so this volume fills a real gap Henri Nouwen and Soul Care Wil Hernandez,2008 In examining Henri Nouwen s

approach to the ministry of soul care and spiritual formation at close range we can conclude that his holistic and integrative style is essentially drawn from his sophisticated understanding of the coinherence of spirituality with psychology ministry and theology Henri Nouwen s ministry is characterized by a ministry of integration primarily because he first of all embodied a spirituality of integration His ministry was but an overflow of his spirituality Unquestionably Nouwen ministered out of who he was as a person a person of deep integrity The author contends that Henri Nouwen s work of soul care and spiritual formation is never about techniques Neither is it about programs and curricula important as they are in ministry More importantly it is definitely not about roles even though multiple roles have been attached to his person *The Beggar's*

*Banquet: A Personal Retreat on Christ, His Mother, the Spiritual Life, and the Saints* Regis Martin,2014-01-01 The Beggar s Banquet is a feast of reflections to savor while meditating on the astounding mystery of God s love for His people Dr Regis Martin infuses these discourses on Christ His Mother the spiritual life and the saints with a wide breadth of influences the writings of popes mystics and theologians great works of literature and even poetry The author rekindles the familiar Gospel message with ever deepening wonder whetting the appetite for that which alone truly satisfies the Bread of Life Library

life change in their hearts You're not alone Far too often we build plans and programs and then stop to ask God to bless them We all want a transformational student ministry but we need to remember that God has to be the one doing the transformations in the lives of our students Based on the principles found in the book of Acts Moving Forward by Looking Back will help you look back at how God transformed lives through the early church and look forward at how those principles can be applied to your youth ministry today As you reflect on the book of Acts you'll explore how your youth ministry can implement the principles of Adoration engaging students with God Community engaging students with God's people Truth engaging students with God's Word Service engaging students with God's world With practical ideas that are easy to apply in any ministry context whether you're a rookie or a veteran a professional or a volunteer youth worker this book is an invaluable resource for any youth ministry that wants to see its students transformed by God

**Student Ministry That Leaves a Mark** Gary Blair Zustiak, John Mouton, Kevin Greer, 2003

**Christ-Enlivened Student Affairs** Perry Glanzer, 2020-06-02 How does the Christian faith inform Christian student affairs practice How should it Instead of placing Christ outside the realm of education Christ should serve as the motivating and animating force for all of Christian student affairs With Christ at the center of education the Christian story distinctly transforms the nature of the work education professionals do With research from a national mixed methods study Christ Enlivened Student Affairs avoids the common response of anecdotal evidence by providing a catalog of some of the best thinking and practices in the field Glanzer Cockle Graber and Jeong use the framework of educational philosophies to trace how Christianity animates the who why what and how of student affairs offering evidence-based resources and new tools for engaging new practitioners in the field and a larger theological perspective for Christian student affairs
