Kapranos,2007-10-04 In September 2005 Alex Kapranos began writing about what he ate while touring the world with the rock band Franz Ferdinand The writing is as much about where he eats and the people he eats with as the unusual flavours he tastes on the road Whether it s munching donuts with cops in Brooklyn swallowing bull s balls with the band in Buenos Aires or queuing for a saveloy in South Shields these are surprising and vivid snapshots of life on the road Funny poignant sickening or sexual depending on the situation the material both new and previously published in the Guardian is fascinating and entertaining Soundbite Sara Harberson,2021-04-06 Crack the code to college admissions and help students craft the ultimate statement of self identity and get into their school of choice with this groundbreaking guide from America s College Counselor On average an admissions committee takes seconds to decide whether to admit a student They must sum up the student in one sentence that will tell them if a student is going to be a good fit for their program What is the best way to transform this admissions process from a stressful pressure cooker arms race into an empowering journey that paves the way to the best individual outcome Written by a college admissions insider turned consultant Soundbite guides parents and students through the admissions process from start to finish Armed with her knowledge of how the system works Sara Harberson shares tried and tested exercises that have helped thousands of students gain admission to their school of choice The soundbite her signature tool presents an opportunity for students to take the reins to craft their ultimate statement of self identity and formulate their own personal definition of what is best With this soundbite in place as their foundation students achieve maximum impact when they present themselves to colleges In doing so the tables are turned the student s fate no longer rests on a soundbite composed by an admissions officer Instead the student employs their own soundbite to define themselves on their own terms Soundbite shifts the way we talk about the admissions process from Getting You In to
