dreams and lifetime goals But he was one hell of a football player who could do anything on the field as a defensive back Some say that he could almost fly He even developed technical skills that some coaches use today Through all his ups and downs he never lost his values or morality He just played the game that he loved dearly Some people say there was no one better at the cornerback position than Swifty Some women say there was no one better at other things I highly recommend the reading of this truly great and true story to any young man who thinks he has what it takes to play the corner back position at the high school or college level I also suggest that after reading this book he takes a long hard look in a mirror and ask himself do I really have what it takes to play the corner back position **Swifty and the Terrorists** Roger F.
