

Swingin'

VOLUME I

ON THE ETHER WAVES

A Chronological History of African Americans in
Radio and Television Broadcasting, 1925–1955

HENRY T. SAMPSON

Swingin On The Ether Waves

Julia Schneider

Swingin On The Ether Waves:

Swingin' on the Ether Waves Henry T. Sampson, 2005 Documents the historical contributions of African Americans to broadcasting in the United States over a period beginning with the birth of commercial radio in the 1920s and ending in 1955

Swingin' on the Ether Waves Henry T. Sampson, 2005 *Jack Benny and the Golden Age of American Radio Comedy* Kathryn Fuller-Seeley, 2017-10-17 Jack Benny became one of the most influential entertainers of the 20th century by being the top radio comedian when the comics ruled radio and radio was the most powerful and pervasive mass medium in the US In 23 years of weekly radio broadcasts by aiming all the insults at himself Benny created Jack the self deprecating Fall Guy character He indelibly shaped American humor as a space to enjoy the equal opportunities of easy camaraderie with his cast mates and equal ego deflation Benny was the master of comic timing knowing just when to use silence to create suspense or to have a character leap into the dialogue to puncture Jack's pretensions Jack Benny was also a canny entrepreneur becoming one of the pioneering showrunners combining producer writer and performer into one job His modern style of radio humor eschewed stale jokes in favor informal repartee with comic hecklers like his valet Rochester played by Eddie Anderson and Mary Livingstone his offstage wife These quirky characters bouncing off each other in humorous situations created the situation comedy In this career study we learn how Jack Benny found ingenious ways to sell his sponsors products in comic commercials beloved by listeners and how he dealt with the challenges of race relations rigid gender ideals and an insurgent new media industry TV Jack Benny created classic comedy for a rapidly changing American culture providing laughter that buoyed radio listeners from 1932's depths of the Great Depression through World War II to the mid 1950s Provided by publisher **Swingin' on the Ether Waves: Chapt. 1. Overview** Henry T. Sampson, 2005 **Tap Dancing America**

Constance Valis Hill, 2014-11-12 Here is the vibrant colorful high stepping story of tap the first comprehensive fully documented history of a uniquely American art form Writing with all the verve and grace of tap itself Constance Valis Hill offers a sweeping narrative filling a major gap in American dance history and placing tap firmly center stage Racism in American Stage and Screen Olivia Demberg, W.D. Palmer, 2021-08-20 For more than a hundred years the entertainment industry has both struggled with and perpetuated the spectre of racism At times it has been guilty of portraying racist tropes or presenting employment barriers with little regard for how they extend the prejudices of society In better moments it has been in the forefront of breaking down barriers within society in an entertaining thought provoking and pioneering way So many of the impressions that we form come from the entertainment we consume It is from the entertainment arts and media of each era that we learn about the prevailing attitudes toward racial minorities it is also by way of the entertainment arts and media that we are able to educate and attempt to overturn these prejudices in the fight toward racial equality openness and inclusivity Minority voices are still critically underrepresented in the world of mainstream media and entertainment An open tent and positive portrayals of minorities in entertainment are vital to this fight Racism spreads like a virus with strains

that develop and mutate throughout time infecting everything that they come in contact with Just as we have been continuously tested for coronavirus over the past year we must check our biases regularly and be ready to correct any flaws we see in our journey toward eradicating the scourge of racism once and for all Despite the progress that has been made there is still a long way to go This book will share the research I have compiled for the Palmer Foundation on how race is portrayed historically in film and theatre presenting examples of the successes and shortcomings that entertainment has added to the dialogue about race over the decades

Darkest America: Black Minstrelsy from Slavery to Hip-Hop Yuval Taylor, Jake Austen, 2012-08-27 Investigates the origin and heyday of black minstrelsy which in modern times is considered an embarrassment and discusses whether or not the art form is actually still alive in the work of contemporary performers from Dave Chappelle and Flavor Flav to Spike Lee

Give My Poor Heart Ease, Enhanced Ebook William Ferris, 2010-08-01 Throughout the 1960s and 1970s folklorist William Ferris toured his home state of Mississippi documenting the voices of African Americans as they spoke about and performed the diverse musical traditions that form the authentic roots of the blues Now Give My Poor Heart Ease puts front and center a searing selection of the artistically and emotionally rich voices from this invaluable documentary record Illustrated with Ferris's photographs of the musicians and their communities and including a CD of original music and a DVD of original film the book features more than twenty interviews relating frank dramatic and engaging narratives about black life and blues music in the heart of the American South Here are the stories of artists who have long memories and speak eloquently about their lives blues musicians who represent a wide range of musical traditions from one strand instruments bottle blowing and banjo to spirituals hymns and prison work chants Celebrities such as B B King and Willie Dixon along with performers known best in their neighborhoods express the full range of human and artistic experience joyful and gritty raw and painful In an autobiographical introduction Ferris reflects on how he fell in love with the vibrant musical culture that was all around him but was considered off limits to a white Mississippian during a troubled era This magnificent volume illuminates blues music the broader African American experience and indeed the history and culture of America itself The enhanced ebook edition includes Almost 2 hours of video clips and interviews scattered throughout the text An hour of original music also imbedded throughout the text Concludes with the full DVD of original film and full CD of original music Watch the video below to see a demonstration of the features of this enhanced ebook

From Civil Rights Activists to Human Rights Advocates W. D. Palmer, 2021-10-05 How the fight for civil rights transformed activists into human rights advocates

Butterfly McQueen Remembered Stephen Bourne, 2008 From her memorable role in *Gone With the Wind* to her last big screen appearance opposite Harrison Ford in *The Mosquito Coast* the details of McQueen s life are captured in this book

The Blackface Minstrel Show in Mass Media Tim Brooks, 2019-11-29 The minstrel show occupies a complex and controversial space in the history of American popular culture Today considered a shameful relic of America s racist past it nonetheless offered many black performers of the 19th and early 20th centuries their only opportunity to succeed in a white dominated entertainment world where white performers in blackface had by the 1830s established minstrelsy as an enduringly popular national art form This book traces the often overlooked history of the modern minstrel show through the advent of 20th century mass media when stars like Al Jolson Bing Crosby and Mickey Rooney continued a long tradition of affecting black music dance and theatrical styles for mainly white audiences to its abrupt end in the 1950s A companion two CD reissue of recordings discussed in the book is available from Archeophone Records at [www archeophone com](http://www.archeophone.com)

Fragments of Science: a Series of Detached Essays, Addresses and Reviews John Tyndall, 1892 Fragments of Science John Tyndall, 1897

Half Hours With Modern Scientists Thomas Henry Huxley, John Tyndall, James Hutchison Stirling, George F. Barker, E. D. Cope, 2021-11-05 Half Hours With Modern Scientists is an illuminative anthology that

showcases the zenith of 19th century scientific thought and exploration presenting a tapestry of essays that span a broad spectrum of scientific disciplines Through this collection readers are invited to traverse the diverse landscapes of evolutionary biology physics philosophy of science and beyond The anthology excels in demonstrating the variegated literary styles of its contributors from incisive argumentation to eloquent exposition offering an unparalleled glance into the intellectual milieu of the time Standout pieces provide seminal insights into the nature of scientific discovery and its implications for human understanding showcasing the rich dialogue between science and society The contributing authors Thomas Henry Huxley John Tyndall James Hutchison Stirling George F Barker and E D Cope are luminaries who have significantly shaped scientific discourse with their pioneering contributions Their collective background straddling the intersection of science and philosophy echo the zeitgeist of an era passionately engaged with unraveling the mysteries of the natural world This anthology aligns with pivotal scientific and cultural movements of the 19th century offering readers a lens into the evolutionary debates and technological advancements that have laid the groundwork for modern scientific inquiry The writers diverse perspectives converge to deepen our understanding of science as a dynamic and dialogic enterprise reflecting the broader societal shifts towards empiricism and rationality Half Hours With Modern Scientists is not just a compilation of texts it is a gateway to experiencing the intellectual ferment of the 19th century Readers will find themselves in dialogue with some of the most insightful minds of the era challenged and enriched by the multiplicity of views on pressing scientific questions This collection is a must read for anyone fascinated by the history of science the evolution of scientific thought and the ways in which science interacts with broader philosophical and cultural paradigms It offers an educational journey through the minds of those who have laid the cornerstones of modern scientific understanding encouraging a deeper appreciation for the diversity of scientific investigation and its enduring impact on our worldview

Illustrations of the Methods of Reasoning Daniel Sommer Robinson, 1927 Half Hours with Modern Scientists Anonymous, 2023-04-09 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

Half Hours with Modern Scientists: Huxley, T.H. On the physical basis of life; Barker, G.F. Correlation of vital and physical forces; Stirling, J.H. As regards protoplasm - reply to Huxley; Cope, E.D. On the hypothesis of evolution; Tyndall, J. Scientific addresses, 1871 Scientific Addresses John Tyndall, 1870

As recognized, adventure as capably as experience roughly lesson, amusement, as with ease as pact can be gotten by just checking out a books **Swingin On The Ether Waves** with it is not directly done, you could say you will even more more or less this life, approximately the world.

We give you this proper as well as simple pretentiousness to get those all. We offer Swingin On The Ether Waves and numerous ebook collections from fictions to scientific research in any way. among them is this Swingin On The Ether Waves that can be your partner.
