Swords and Swordsmen Mike Loades,2011-03-04 A must have book for anyone who has an interest in edged weapons Loades holds the reader s full attention with each sword s story that he tells The Lone Star Book Review This magnificent book tells the story of the evolution of swords how they were made how they were used and the people that used them It doesn t claim to give comprehensive coverage but instead takes certain surviving examples as landmarks on a fascinating journey through the history of swords Each is selected because it can be linked to a specific individual thus telling their story too and giving a human interest So the journey starts with the sword of Tutankhamun and ends with the swords of J E B Stuart and George Custer Along the way we take in Henry V Cromwell and Uesugi Kenshin and there is the most detailed discussion you ll find anywhere of all of George Washington s swords The chapters on these specific swords and swordsmen are alternated with more general chapters on the changing technical developments and fashions in swords and their use The reader s guide on this historical tour is Mike Loades Mike has been handling swords most of his life as a fight arranger stuntman and historical weapons expert for TV and stage As much as his profound knowledge of the subject it is his lifelong passion for swords that comes through on every page His fascinating text is supported by a lavish wealth of images many previously unpublished and taken specifically for this book Superb the most breathtaking coverage from the earliest days to modern times Brilliant Books Monthly **Crusading and Masculinities** Natasha R. Hodgson,Katherine J. Lewis,Matthew M. Mesley,2019-03-05 This volume presents the first substantial exploration of crusading and masculinity focusing on the varied ways in which the symbiotic relationship between the two was made manifest in a range of medieval settings and sources and to what ends Ideas about masculinity formed an inherent part of the mindset of societies in which crusading happened and of the conceptual framework informing both those who recorded the events and those who participated Examination and interrogation of these ideas enables a better contextualised analysis of how those events were experienced comprehended and portrayed The collection is structured around five themes sources and models contrasting masculinities emasculation and transgression masculinity and religiosity and kingship and chivalry By incorporating masculinity within their analysis of the crusades and of crusaders the contributors demonstrate how such approaches greatly enhance our

understanding of crusading as an ideal an institution and an experience Individual essays consider western campaigns to the Middle East and Islamic responses events and sources from the Iberian peninsula and Prussia are also interrogated and re examined thus enabling cross cultural comparison of the meanings attached to medieval manhood The collection also highlights the value of employing gender as a vital means of assessing relationships between different groups of men whose values and standards of behaviour were socially and culturally constructed in distinct ways Yeats's Political Identities Jonathan Allison,1996 Collects some of the most trenchant essays of the last three decades on Yeats s politics **Sword and Pen, Or English Worthies in the Reign of Elizabeth** Walter Clinton (pseud.),1869 **Sword and Pen, Or a Young War Correspondent's Adventures (Classic Reprint)** Henry Harrison Lewis,2018-02 Excerpt from Sword and Pen or a Young War Correspondent s Adventures As yet I had not studied my written instructions very carefully While the train was waiting in the station at Chicago I glanced over the important document given me by Mr Burnett It is not necessary to quote it in detail It included a carefully prepared cipher code for cabling and also letters of introduction to certain bankers and prominent American business men in Yokohama and Shanghai The latter were to identify me in my disguise as a gilded youth in search of adventure and were written by several well known New Yorkers directors of the Press Association Everything had been foreseen and at tended to by the able president Mr Parker Even a typewritten list of the most common words in the Japan ese Chinese and Corean languages had been added This I intended to study on board the steamer while en route to Japan but I must confess I had little hope of mastering the intricate sentences Presently finding the delay growing monotonous I left the car and began to walk up and down outside In the Union Depot at Chicago the tracks are laid at a level with the oor there being no raised platforms between them as in the majority of stations Passing from one train to another is a process not unaccompanied by danger as the arrivals and departures are frequent About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Alphabetic Catalogue of the English Books in the Circulating Department of the Cleveland Public Library* Cleveland Public Library,1889 Revelation or Criminal Obedience David Grosse, **Great Western, King Class 4-6-0s** David Maidment,2020-08-30 Built by Collett in 1927 after pressure to restore the GWR s pre eminence in motive power and cope with increasing traffic post war to the Devon and Cornwall holiday resorts the thirty Kings were the final development of the Churchward Stars and the 1923 Castles and remained on top link main line duty until their final replacement by the Western class 52 diesel hydraulics in 1962 The book includes an insight into the thinking of some of Collett s senior staff at the end of the 1930s and
