Exoo,2009-12-02 An eye opening case study of the news at war introducing a critical perspective on our mass media The Pen and the Sword is the only comprehensive examination of how the media have covered the 21st Century s 1 news story terrorism and the wars in Afghanistan and Iraq This is the full story from 9 11 to the Obama doctrine and including The war in Afghanistan There were two sides to this story but the press told only one and the untold story would return to haunt us The campaign for war in Iraq What did the press know and when did they know it about the web of lies that led us into war Iraq from invasion to Mission Accomplished When the story of war is told as patriotic hymn Playstation game or melodrama of macho heroes and bad guys dressed in black important things are left out Aftermath from Mission Accomplished to the present Something has changed since the Vietnam War when the press finally found its critical voice However the 21st Century media continue to cling to an untenable pro war story even after the public has abandoned it The Pen and the Sword uses this tragic and eye opening case study of the news at war to ask Why and to offer a critical perspective on our mass media including the latest information on the underpinnings of the news business corporate ownership the power of elites to define the news and adds three important new features of the media landscape The media profit crisis of the late 00s and how it is affecting the news The creation and mainstreaming of a new right wing media surround sound system The increasing importance of entertainment media and soft news in shaping our views *The Pen and the Sword* ,1962

Sword and Pen Manfred Weidhorn,1974 **The Pen and the Sword** James Franklin Clarke,1988 This collection of studies on Bulgarian history culture and civilization by the late distinguished scholar James F Clarke is published in a critical edition edited by Dennis P Hupchick **The Sword and the Pen** Elysa Hendricks,2009 After writing 10 popular sword and sorcery novels Brandon Davis is ready to stop hiding in his fictional world As he plots the noble death of his heroine Serila D Lar his fictional creation appears in his study and helps Brandon realize that life is an incredible magical journey Original *The Pen* Rose Weiner,2017-06-10 **Retrospective Reviews: 1891-1893** Richard Le Gallienne,1896 *Christopher Marlowe* Richard Wilson,2014-07-15 Christopher Marlowe has provoked some of the most radical criticism of recent years There is an elective affinity it seems between this pre modern dramatist and the post modern critics whose best work has been inspired by his plays The reason suggested by this collection of essays is that Marlowe shares the post modern preoccupation with the language of power and the power of language itself As Richard Wilson shows in his introduction it is no accident that the founding essays of New Historicism were on Marlowe nor that current Queer Theorists focus so much on his images of gender and homosexuality Marlowe staged both the birth of the modern author and the origin of modern sexual desire and it is this unique conjunction that makes his drama a key to contemporary debates about the state and the self from pornography to gays in the military Gay Studies Cultural Materialism New Historicism and Reader Response Criticism are all represented in this selection which the introduction places in the light not only of theorists like Althusser Bataille and Bakhtin but also of artists and writers such as Jean Genet and Robert Mapplethorpe Many of the essays take off from Marlowe s extreme dramatisations of arson cruelty and aggression suggesting why it is that the thinker who has been most convincingly applied to his theatre is the philosopher of punishment and pain Michel Foucault Others explore the exclusiveness of this all male universe and reveal why it remains so offensive and impenetrable to feminism For what they all make disturbingly clear is Marlowe s violent untamed difference from the clichés and correctness of normative society
