Beyond Words Jacqueline Kent, 2019-02-04 In 1985 Jacqueline Kent was content with her life She had a satisfying career as a freelance book editor and was emerging as a writer Living and working alone she relished her independence But then she met Kenneth Cook author of the Australian classic *Wake in Fright* and they fell in love With bewildering speed Jacqueline found herself in alien territory with a man almost twenty years older whose life experience could not have been more different from her own She had to come to terms with complicated finances and expectations and to negotiate relationships with Ken's children four people almost her own age But with this man of contradictions funny and sad headstrong and tender she found real and sustaining companionship Their life together was often joyful sometimes enraging always exciting until one devastating evening But as Jacqueline discovered even when a story is over that doesn't mean it has come to an end

Beyond Buildings J. Donald Ragsdale, 2014-03-25 *Beyond Buildings* Designed Spaces as Visual Persuasion is an assessment of the visual persuasiveness of designed spaces It demonstrates that these spaces are as socially influential as speeches or advertisements are and that an awareness of this influence provides an insight into the cultural roles of designed spaces The book considers a diverse array of spaces ranging from pleasure gardens and parks to city parks and cities themselves and includes assessments of the visual impact of national parks zoological gardens amusement parks battlefields and monuments and the interior spaces of buildings *Beyond Buildings* is an extension of theories of persuasion and visual communication to landscape architecture and interior design The book bases its assessments on the elements of visual literacy as well as the elements of landscape and interior design to show that such designed spaces as gardens parks battlefields and cities affect the viewer in such a way as to have social impact

Beyond SW19 Kevin Jefferys, 2021-05-24 Wimbledon has long stood at the pinnacle of British and world tennis But as Kevin Jefferys shows in this ground breaking new study Britain has a rich history of international standard play beyond SW19 in top level tournaments and Davis Cup competitions at iconic venues such as Queen's Club Eastbourne and Edgbaston The book traces the fluctuating fortunes of a dozen or so tournaments that have brought the world's finest players to English shores during the 140 year history of lawn tennis Taking a tour around different regions of the country the author sheds fresh light on the best known events and on largely forgotten but once high profile tournaments held in Bristol Torquay and Scarborough Both a record and a celebration of England's tennis heritage the book is packed with stories about memorable players and matches full results for singles finals and anecdotes about quirky or controversial incidents ranging from the courtside fire that halted a tournament final to the anti apartheid protests that disrupted a Davis Cup tie

Beyond the Silver Screen Mary Tomsic, 2017-10-16 Beyond the

Silver Screen tells the history of women's engagement with filmmaking and film culture in twentieth century Australia. In doing so it explores an array of often hidden ways women in Australia have creatively worked with film. Beyond the Silver Screen examines film in a broad sense considering feature filmmaking alongside government documentaries and political films. It also focusses on women's work regulating films and supporting film culture through organising film societies and workshops to encourage female filmmakers. As such it tells a new narrative of Australian film history. Beyond the Silver Screen reveals the variety of roles film has in Australian society. It presents film as a medium of creative and political expression which women have engaged with in diverse ways throughout the twentieth century. Gender roles and gendered ideologies operating within society at large have influenced women's opportunities to work with film and how their filmwork is recognised. Beyond the Silver Screen shows women's sustained involvement with film is best understood as political and cultural action.

Llamas beyond the Andes Marcia Stephenson, 2023-12-12. Camelids are vital to the cultures and economies of the Andes. The animals have also been at the heart of ecological and social catastrophe. Europeans overhunted wild vicuñas and guanaco and imposed husbandry and breeding practices that decimated llama and alpaca flocks that had been successfully tended by Indigenous peoples for generations. Yet the colonial encounter with these animals was not limited to the New World. Llamas beyond the Andes tells the five hundred year history of animals removed from their native habitats and transported overseas. Initially Europeans prized camelids for the bezoar stones found in their guts, boluses of ingested matter that were thought to have curative powers. Then the animals themselves were shipped abroad as exotica. As Europeans and US Americans came to recognize the economic value of camelids, new questions emerged. What would these novel sources of protein and fiber mean for the sheep industry? And how best to cultivate herds? Andeans had the expertise but knowledge sharing was rarely easy. Marcia Stephenson explores the myriad scientific, commercial and cultural interests that have attended camelids globally, making these animals a critical meeting point for diverse groups from the North and South.

Suffrage and Beyond Caroline Daley, Melanie Nolan, 1994-12. The 1980s and 1990s have seen an unprecedented emphasis on global feminism on the connectedness of women regardless of race, class or geography. And yet the status and position of women throughout the world remains enormously disparate. Even so fundamental an issue as a woman's right to vote has been and in

many countries continues to be hotly contested How then have suffrage movements evolved What are the similarities and differences in the manner in which women in a range of different economic religious and political contexts have sought the vote Bringing together such eminent scholars as Nancy Cott Ellen Dubois and Carole Pateman *Suffrage and Beyond* offers a comprehensive look at the political history of suffrage on a global scale *Beyond the Protective State* Ann Capling, Brian Galligan, 1992 An historical and theoretical account of the transition from protectionism to alternative policies in the Australian manufacturing industry *The Development of the Mechanics' Institute Movement in Britain and Beyond* Martyn Walker, 2016-08-12 The Development of the Mechanics Institute Movement in Britain and Beyond questions the prevailing view that mechanics institutes made little contribution to adult working class education from their foundation in the 1820s to 1890 The book traces the historical development of several mechanics institutes across Britain and reveals that many institutes supported both male and female working class membership before state intervention at the end of the nineteenth century resulted in the development of further education for all This book presents evidence to suggest that the movement remained active and continued to expand until the end of the nineteenth century Drawing on historical accounts Walker describes the developments which shaped the movement and emphasises the institutes provision for scientific and technical education He also considers the impact that the British movement had on the overseas development of mechanics institutes particularly in Canada America Australia and New Zealand The book concludes with a discussion of the legacy of the movement and its contribution to twentieth century adult education The Development of the Mechanics Institute Movement advances the argument that the movement made a substantial contribution to adult education for the working classes and provided a firm foundation for further education in Britain and beyond It will appeal to academics researchers and postgraduate students in the areas of education history and sociology as well as the philosophy of education technical and vocational education and post compulsory education **Touring the Cabot Trail and Beyond** Susan Biagi, 2017-05-01 The Cabot Trail is famed for spectacular views of mountains ocean and forest Then there are its hidden treasures its sandy beaches and peaceful woodland trails the habitat of wild birds and animals as well as many species of wildflowers and trees This book offers the visitor a guide to the Cabot Trail itself and to many of the other fine attractions of Cape Breton Island More than a hundred images by photographer Keith Vaughan capture the area at its best Author Susan Biagi shares her knowledge of Cape Breton s heritage and culture with information and suggestions about the best attractions to visit Whether it s whale watching birding hiking swimming golfing or simply sightseeing you enjoy this book will help you make the most of your tour of the Cabot Trail and Cape Breton Island It also makes a wonderful souvenir of one of Canada s most beautiful and unforgettable areas *Boy Scouts Beyond the Seas* Robert Stephenson Smyth Baden-Powell Baron Baden-Powell of Gilwell, 1913 **Beyond Skill** Jane Bryson, 2010-06-23 This book discusses the impact of government policy other institutional arrangements organizational practices collective and individual behaviour on things of importance to many

The Ballets Russes in Australia and Beyond Mark Carroll, 2011

Tours to Australia and New Zealand during the 1930s by Colonel Wassily de Basil's Ballets Russes mark a watershed in the cultural life of the two nations. Local artists rejoiced in the opportunity to learn about European high art firsthand while audiences and the public at large were jolted from the conservatism that shrouded the post-Depression Antipodes. The dancers were feted like pop stars and they in turn embraced the physical vitality of Australia and New Zealand. *The Ballets Russes in Australia and Beyond* draws together essays by leading international and national scholars who explore the rich legacy of the Ballets Russes, its impact on dance, music, visual art, and Antipodean society in general. A dazzling array of pictures brings to life the sheer vitality of the companies in a way that makes the volume indispensable to balletomanes, scholars, and those fascinated by the synergies between the creative arts in general.
