Mark of the Beast Alfredo Bonadeo, 1989-01-23 The First World War is a watershed in the intellectual and spiritual history of the modern world On the one hand it brought an end to a sense of optimism and decency bred by the prosperity of nineteenth century Europe On the other it brought forth a sense of futility and alienation that has since pervaded European thought That cataclysmic experience is richly reflected in the work of writers and artists from both sides of the conflict and this study provides a detailed analysis of two basic themes death and degradation that mark the literature about the war From their accounts most men entered the war lightheartedly filled with ideals of patriotism and glory but these generous feelings were soon quelled as the war settled into a stalemate its operations reduced to simply grinding away the opposing forces In these operations Alfredo Bonadeo shows men became mere aggregations thrown against one another wasted with no appreciable effects or gains save carnage itself This cheapening and disregard for human life and being Bonadeo finds rooted not only in the conditions of war but significantly in a contempt for the common man prevailing in European political and intellectual circles This attitude is revealed most plainly in his analysis of the Italian literature which hitherto has received little note Italian leaders saw the war as an opportunity to expiate a sense of national guilt and here the inconclusive campaigns made their futility all the greater Out of the torn fields of the First World War grew the seeds of a second greater conflict but Professor Bonadeo concludes the flowering of the seeds was aided by the degradation of man s spirit on those fields The grim focus of this book the dead voices it evokes leads to a new appreciation of the meaning of the Great War

lucidly written business history of RKO Studios from its founding through 1942 Richard Jewell's RKO Studios A Titan is Born not only traces the shifting economic fortunes of the studio that gave us King Kong the Astaire Rogers musicals and Citizen Kane but also fills an important gap in our understanding of how the studio system survived and at times even thrived during the Golden Age of Hollywood Charles Maland author of Chaplin and American Culture Box Set: Ingrid Bergman, Bette Davis, Katharine Hepburn, Elizabeth Taylor Grace May Carter, 2018-10-12 Here from New York Times bestselling biographer Grace May Carter are the extraordinary lives of Ingrid Bergman Bette Davis Katharine Hepburn and Elizabeth Taylor Ingrid Bergman emerges as a devoted artist whose refusal to be a caricature caused her endless trouble but also produced brilliant performances from her early role opposite Humphrey Bogart in Casablanca to her profound and final appearance as Israeli Prime Minister Golda Meir In between there were four children including actress Isabella Rossellini three husbands and passionate affairs with war photographer Robert Capa Wizard of Oz director Victor Fleming and Spellbound co star Gregory Peck She was perhaps the most international star in the history of entertainment and without a doubt one of the most misunderstood In a career that spanned six decades two Academy Awards and ten Oscar nominations Bette Davis became one of the greatest screen legends of all time But as her epitaph says She did it the hard way She was in constant battles with co stars directors and studios and struggled with addictions to alcohol and cigarettes She had four stormy marriages and even her three children brought pain and controversy one wrote a scathing tell all book another had a severe mental disability and a third was the subject of a prolonged custody battle But in her iconic film roles Davis transcended her troubles to leave an indelible mark on American cinema Possessing none of the glamorous beauty of Greta Garbo she had something more powerful and lasting a restless incandescent energy that made her mesmerizing to watch on the big screen Katharine Hepburn was far more than an iconic movie star who won four Academy Awards for best actress and made classic films that still rank among the greatest of all time She also exerted a unique influence on American popular culture challenging rigid assumptions about how women should behave and almost single handedly gave them permission to wear pants The list of adjectives used to describe Hepburn bold stubborn witty beautiful only begin to hint at the complex woman who entranced audiences around the world So here is the full epic story of the patron saint of the independent American female as one critic described her Hepburn always lived life strictly on her own terms And oh what a life it was For a time Elizabeth Taylor was the world's biggest star but it was her off screen life eight stormy marriages a jewel encrusted lifestyle and struggles with weight and various addictions that provided the most riveting drama Long before the age of reality television Taylor showed how fame could take on a volatile life of its own obscuring the real person behind the media facade Now in this compelling biography we meet the real Elizabeth Taylor as she grows from precocious child star to the most beautiful woman in the world to serious actress to pop culture punch line and finally successful entrepreneur philanthropist and HIV AIDS activist Along the way she is vilified by fans for stealing singer Eddie Fischer from Debbie Reynolds becomes trapped in a cycle of

destructive affairs with Richard Burton and desperately tries to recapture the childhood she never had with the eccentric pop star Michael Jackson I've always admitted that I'm ruled by my passions she once said and those passions make for a gripping epic tale of tribulation and triumph Angel of the Anzacs Carole Van Grondelle, 2000 Nora Luxford's life spanned the twentieth century and circled the globe taking her from turn of the century Hawke's Bay to Hollywood's golden age and the elite circles of New York society She became well known in New Zealand for her radio broadcasts but it was the Anzac club which touched the lives of thousands of young New Zealand and Australian servicemen that she considered was her greatest achievement **The Vanity Girl** Compton Mackenzie, 1920 **Katharine Hepburn** Andrew Britton, 2003 Of all the major Hollywood stars Katharine Hepburn was the least conventional conforming to none of the stereotypes of female superstardom She was not an exotic outsider in Hollywood like Greta Garbo or Marlene Dietrich nor was she a victim of the studios like Judy Garland or Marilyn Monroe and she was certainly not a creature of the system like Joan Crawford and Lana Turner Instead she always appeared intelligent willful and independent able to develop her own persona within the confines of the studio system Andrew Britton proposes a feminist reading of Hepburn's films arguing that her persona raises problems about class female sexuality and women's oppression that strain to the limits the conventions of a cinema ultimately committed to the reassertion of bourgeois gender roles Hepburn's work is also used to explore more general issues such as the functioning of the star system This is one of the very few analyses of American cinema to focus on a film star rather than a director or a genre and as such is essential reading for anyone interested in the movies First published in the United Kingdom twenty years ago this lavishly illustrated new edition features a foreword by the noted film critic Robin Wood

Katharine the Great Darwin Porter, 2004 Based on years of painstaking research this tell all biography unveils the secret closeted life of the indomitable grande dame of American actresses Katharine Hepburn covering the years between her birth in 1907 and the debut of her role in *The African Queen* in 1950 **The Red Years of Cahiers du cinéma (1968-1973)** Daniel Fairfax, 2025-10-01 The uprising which shook France in May 1968 also had a revolutionary effect on the country's most prominent film journal Under editors Jean Louis Comolli and Jean Narboni Cahiers du cinéma embarked on a militant turn that would govern the journal's work over the next five years Inspired by Marxist and psychoanalytic theory the red years of Cahiers du cinéma produced a theoretical outpouring that was seminal for the formation of film studies and is still of vital relevance for the contemporary audiovisual landscape *The Red Years of Cahiers du Cinéma 1968-1973* gives an overview of this period in the journal's history and its aftermath combining biographical accounts of the critics who wrote for Cahiers in the post 1968 period with theoretical explorations of their key texts **The Illustrated London News**, 1918
