Symboles Sacres 4000 Ans Dart Des Ameriques:

Sacred Symbols of Mu James Churchward,2018-10-08 I wish particularly to point out in the present volume that I am not giving the meanings of symbols in the vestments in which they are now garbed I am giving their origin and original meanings Up to the time of Mu s submersion all symbols retained their original meanings From the time of Mu s destruction I must pass over about 5 000 or 6 000 years Those were years when seemingly no history was written except a few scraps in India and Egypt During this time mankind apparently was reviving and repeopling the earth after its almost total destruction by the submersion of Mu and other lands and the subsequent formation of gas belts and mountains On entering Egypt 6 000 years ago we find that many of the original symbols had survived but were very much Egyptianized especially in pattern or design with an incomprehensible theology attached to them A multitude of new ones had besides been added most of them having esoteric or hidden meanings This confusion increased when Upper and Lower Egypt merged into one kingdom The two peoples not only commingled personally but also their two sets of symbols Thus two sets were made into one without any being discarded It meant at least two symbols for every conception So great was the confusion of symbols in Egypt 4 000 to 5 000 years ago that hardly one half of the priesthood understood those used in the temples of other cities although they might be but a few miles away SACRED SYMBOLS IN ART ELIZABETH E.
