Symbolism In The Fourth Gospel:

Symbolism in the Fourth Gospel Craig R. Koester, 2003-02-19 Craig Koester's respected study uses the symbolic language of the Gospel of John as a focus to explore the Gospel's literary dimensions, social and historical context, and theological import. This edition is fully revised and updated and includes a number of new sections on such topics as Judas and the knowledge of God. Fresh treatments are given on a number of issues including the Gospel's Christology. This new edition offers both new insights and proven worth for students and scholars alike.

The Symbolic Narratives of the Fourth Gospel Dorothy Lee, 1994-03-01 The book examines six long narratives of the Fourth Gospel, arguing that they are best understood as symbolic narrative. They display a unique cohesion of symbol and narrative: the narrative unfolds the symbol, and the symbol draws out the narrative. This process occurs as the character struggles to understand the symbolic meaning. The structure develops in five stages: the establishing of a sign image or feast; Stage 1: misunderstood in materialistic terms; Stage 2: the struggle to understand the symbolic meaning; Stage 3: the acceptance or rejection of that meaning; Stage 4: a confession of faith or statement of rejection; Stage 5: The symbolic narratives reveal how material reality becomes symbolic of the divine. Just as the flesh of Jesus is the symbol of divine glory, so material reality now has the potential for symbolizing God. Flesh has no independent existence; its value lies in its symbolic role. This parallels the cohesion between form and meaning. Just as the flesh is given value in symbolizing the divine, so narrative form is of value in disclosing theological meaning. The implied reader is drawn into the drama of the symbolic narratives to make the authentic response of faith.

God Dwells with Us Mary L. Coloe, 2001 In the years after the destruction of Jerusalem and its Temple, and the ensuing rift between Judaism and Christianity, the Fourth Gospel offers hope to Christians that the God of Israel's traditions can now be found in and through Jesus. Within this historical milieu, the Temple provides a major christological symbol for the Johannine community. The Temple as the place of God's dwelling reveals both the identity and the mission of Jesus. Having shown how Temple symbolism applies to Jesus, *God Dwells with Us* discusses how Temple symbolism in the Fourth Gospel also applies to the Christian community. Thus, in the absence of the historical Jesus, Christians still have access to a God who dwells in the midst of the community.

The Son-Father Relationship and Christological Symbolism in the Gospel of John Adesola Joan Akala, 2014-07-31 This volume examines Johannine symbolism within the lens of Jesus' relationship with the Father. After

demonstrating that the Gospel narrative symbolically portrays Jesus as the Son of God who is relationally inseparable from his Father the study shows how the Son Father Relationship SFR is at the center of the network of Christological symbols in the Gospel of John Using an innovative narrative framework this book unveils the creative and symbolic introduction of the SFR in the Prologue Jn 1 1 18 its development through the words and actions of Jesus teaching ministry within the Johannine narrative and its culmination in the Prayer Jn 17 the SFR motif then concludes in the remainder of the Gospel This narrative framework reveals how the SFR shapes the literary style and theological strategy of the Gospel and acts as an integrative force by giving structure and cohesion to the Gospel s symbolic system Two key features presented in this book are a theory of symbolism and a network of symbols The specially formulated Theory of Johannine Symbolism explains the theoretical and theological underpinnings of the Gospel s symbolic network called John s Christological Symbolology Through the symbolic network the author of the Gospel fulfills the theological purpose stated in Jn 20 31 that hearer readers believe in Jesus the Christ as the Son of God and thereby experience eternal life **Anatomies of the Gospels and Beyond** ,2019-01-28

Anatomies of the Gospels and Beyond is an edited volume structured around essays that focus on one of the four canonical Gospels and Acts and or theoretical issues involved in literary readings of New Testament narrative The volume is intended to honor the legacy of R Alan Culpepper Emeritus Professor and Former Dean at Mercer University s McAfee School of Theology The title of the volume which alludes to the title of Culpepper s ground breaking monograph *Anatomy of the Fourth Gospel* and the breadth of the essays are apt reflections of his research interests over his academic career of over forty years The twenty five contributors are internationally recognized experts in New Testament studies thus the essays represent a snapshot of current research *The Symbol of Water in the Gospel of John* Larry Paul Jones,1997-01-01 This study explores

the meaning and function of water as a literary symbol in the Gospel of John Jones first gives an account of symbol it points beyond itself it defies clear and definitive perceptual expression and it in some way embodies that which it represents Then he examines the narrative sections of John that involve water plotting the expanding meaning and function of the symbol as the narrative unfolds The study concludes that water serves primarily as a symbol of the Spirit and therein symbolizes Jesus The symbol of water calls a wide variety of readers to a decision and functions as a bridge linking the new identity believers receive when they come to faith in Jesus with the traditions from which they came *A Theology of John's Gospel and Letters* Andreas J. Kostenberger,2015-04-28 *A Theology of John s Gospel and Letters* introduces the first volume in the BTNT series Building on many years of research and study in Johannine literature Andreas K stenberger not only furnishes an exhaustive theology of John s Gospel and letters but also provides a detailed study of major themes and relates them to the Synoptic Gospels and other New Testament books Readers will gain an in depth and holistic grasp of Johannine theology in the larger context of the Bible D A Carson Trinity Evangelical Divinity School says about K stenberger s volume that for the comprehensiveness of its coverage in the field of Johannine theology *Gospel and Letters* there is nothing to compare to this

work I Howard Marshall University of Aberdeen writes This book is a first in many ways the first volume that sets the pattern for the quality and style of the new Biblical Theology of the New Testament series published by Zondervan the first major volume to be devoted specifically to the theology of John s Gospel and Letters at a high academic level and the first volume to do so on the basis that here we have an interpretation of John s theology composed by an eyewitness of the life and passion of Jesus The Biblical Theology of the New Testament Series The Biblical Theology of the New Testament BTNT series provides upper college and seminary level textbooks for students of New Testament theology interpretation and exegesis Pastors and discerning theology readers alike will also benefit from this series Written at the highest level of academic excellence by recognized experts in the field the BTNT series not only offers a comprehensive exploration of the theology of every book of the New Testament including introductory issues and major themes but also shows how each book relates to the broad picture of New Testament theology John 11-21 Mary L. Dennis,2006 Taking seriously the Gospel as a unified narrative and the Gospel s late first century Jewish setting John Dennis investigates the Fourth Gospel s appropriation of Jewish restoration theology Employing John 11 47 52 as the starting point the author argues that one of the primary functions of restoration theology in

John is to interpret Jesus death in the light of Jewish restoration expectations A new angle on Jesus death in the Fourth Gospel emerges from this study Jesus death effects the restoration of Israel the restoration that was engendered by the Prophets and expected by many Jews of the Second Temple period In the course of the study it is also argued that John was primarily concerned with Israel s restoration and not with a mission to the Gentiles In this light a fresh interpretation of the children of God 11 52 is offered **Metropolitan Pulpit and Homiletic Monthly** ,1919 **The Homiletic Review** ,1919

Creation, Matter and the Image of God Dorothy A. Lee,2020-04-01 This book gathers together a selection of essays and articles by the author that have as their main focus the Gospel of John They explore the symbolism of the text and the way it communicates key Johannine themes using a narrative critical approach with attention to the theology emerging from the literary structures The contents employ but also seek to move beyond critical methodology to a perspective that takes seriously feminist studies as well as Eastern Orthodox theological emphasis on the integrity of creation
