**The Symbols and Magick of Tarot** Paul Beyerl, 2005-01-01      **Tarot Magick** Baal Kadmon, 2015-08-22 Occultism and magick is rife with symbols In fact the very basis of magick and occult is symbology Everything is symbolic of some higher truth From the rituals we perform to the books we read We are immersed in the power and magick of symbols There are moments in the occultists and magicians life that require us to pay attention to symbols Often these symbols can give you insight into your life The tarot cards are one aspect of occultism that I feel is worth paying close attention to The symbols that is Tarot cards have been used for centuries some say even thousands of years to either foretell the future or to give the person who is having the reading a sense of direction towards life in general or for a very specific issue they are having I have had my tarot cards read several times and I always found them insightful Yes it is helpful if the person who is reading the tarot cards for you is knowledgeable but often the symbols themselves if you pay close attention can give you some guidance Since you do not have control over the cards you draw the shuffling and choosing of cards becomes an unconscious act Something a spirit perhaps or just your subconscious mind is guiding your hands to pick the cards that you pick Some would say even fate herself In this book we will not be focusing on tarot cards as a source of knowledge about the future there are plenty of good books for that We will be dealing with the tarot cards in a different way we will be using them as a driving force for magickal practice It is a fair assessment to say that Tarot card symbology is quite powerful and aside from divination it can be driving engine for magick I know personally I used it I used to get someone back into my life It worked so well that I needed to have the ritual reversed by a powerful Shaman So please take heed tarot cards are a very powerful magnet Their symbols have a spiritual force      **Magickal Tarot Guidebook and Deck** Robyn Valentine, 2022-01-04 Tap into the energy and archetypes of the Major Arcana for manifesting and amplifying desired outcomes with The Magickal Tarot Guidebook and Deck a unique approach to tarot that includes a newly commissioned deck designed in the style of the iconic Rider Waite Tarot is a powerful tool for divination Its magick however goes far beyond fortune telling and prediction Tarot cards represent situations we experience as we progress through the journey of life with each card holding specific messages of perspective and guidance Each individual tarot card holds rich symbolism that is imbued with energy and vibration That energy can be applied to nearly all forms of manifestation thus making your tarot deck a powerful magickal tool you can use to invoke specific outcomes in spells and ritual work In the 160 page book accompanying your tarot deck you will learn the specific manifestation focus of each Major Arcana card as well as spells and rituals that align with each card Use the Magician for confidence and glamour magick Use the High Priestess to assist in dreamwork and divination Use the Empress to support fertility and grounding of your creative projects Use the Emperor to aid in receiving a promotion or professional success After learning more about each Major Arcana card use the full tarot deck included in this kit as your own magickal tool      **Magical Tarot** Madame Pamita, 2023-11-06 A master class on the tarot especially the Rider Waite
