## **Symphony Of New Testament Hymns:**

*A Symphony of New Testament Hymns* Robert J. Karris, 1996 *A Symphony of New Testament Hymns* opens a window of insight into familiar Scripture passages poetic passages that were later often set to music By showing that the composers of some of these traditional New Testament pre 60 C E hymns intentionally created passages that are lyrical or hymnic within the prose this work presents the sometimes hidden depth behind their construction and meaning Inspired by Roy Harris Folksong Symphony Father Karris arranges his treatment of Philippians 2 6 11 Colossians 1 15 20 Ephesians 2 14 16 Timothy 3 16 2 Timothy 2 11 13 Titus 3 4 7 and 1 Peter 3 18 22 in a way that faith fully addresses today s spiritual concerns such as spirituality ecology reconciliation baptism and angels The first book in English in thirty years to study New Testament hymns *A Symphony of New Testament Hymns* brings readers greater enjoyment of these lesser known Pauline hymns and a deepening of faith Father Karris contends we have much to learn from what these songs proclaimed about Jesus at a time when the four gospels hadn t been published The first chapters Beginnings and Background address the nature of hymns Subsequent chapters contain a translation and analysis of the above texts a study of contexts key concepts and images suggestions for reflection on the contemporary significance of the hymn and an annotated bibliography The concluding chapter offers a retrospective look at the many Christological themes reflected in the texts Viewing Paul s letters and the common New Testament introduction topics from a refreshingly unique perspective *A Symphony of New Testament Hymns* is especially appropriate for students and professors of the New Testament Those looking for biblical spirituality liturgists and musicians looking for new texts to set and those in catechetical work especially those involved in the RCIA will also benefit from Father Karris distinctive look at how the earliest Christians lyrically proclaimed Jesus Christ as Lord Robert J Karris OFM taught New Testament for sixteen years at Catholic Theological Union in Chicago He is a veteran author known primarily for his studies on Luke He holds a ThD from Harvard University

**New Testament Christological Hymns** Matthew E. Gordley, 2018-08-07 We know that the earliest Christians sang hymns But are some of these early Christian hymns preserved for us in the New Testament Matthew Gordley takes a new look at didactic hymns in the Greco Roman and Jewish world of the early church considering how they might function in the New Testament and what they could tell us about early Christian worship

**Dictionary of the Later New Testament & Its Developments** Ralph P. Martin, Peter H. Davids, 2010-05-11 This one of a kind reference volume provides focused study on the often neglected portions of the New Testament Acts Hebrews the General Epistles and Revelation Expert contributors present more information than any other single work dealing exclusively with the theology literature background and scholarship of the later New Testament and the apostolic church

*A Symphony of New Testament Hymns* Robert J. Karris, 1996 *Hymns and Hymnody: Historical and Theological Introductions, Volume 1* Mark A. Lamport, Benjamin K. Forrest, Vernon M. Whaley, 2019-02-21 Hymns and the music the church sings are tangible means of expressing worship And while worship is one of if not the central functions of

the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship Hymns and Hymnody Historical and Theological Introductions is a 60 chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Volume 2 begins with the Reformation and extends to the eighteenth century hymnists and liturgists Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century Each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography The mission of Hymns and Hymnody is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect we contend is missing yet important in accessible formats for the current literature *Studies in Hermeneutics, Christology and Discipleship* Richard N. Longenecker, 2004 1-2 Timothy, Titus David W. Pao, 2023-11-07 As the inaugural volume of the Brill Exegetical Commentary Series this commentary provides a fresh reading of the Pastoral Epistles while interacting with recent developments in biblical studies and the auxiliary disciplines A fresh translation of the Greek text is followed by text critical grammatical historical and theological analyses of the text Instead of a commentary on the commentaries this work grounds the reading of the Pastoral Epistles within their proper linguistic and socio cultural contexts thus allowing their distinct theological voices to emerge The Letters to the Colossians and to Philemon Douglas J. Moo, 2008-08-25 Exhibiting the same brilliant exegesis and sound practical insight found in his previous works noted commentator Douglas J. Moo in this new volume not only explains accurately the meaning of the letters to the Colossians and to Philemon but also applies that meaning powerfully to twenty first century readers Moo both interacts with the Greek text of these letters and clearly explains the English text to a contemporary audience Informed evangelical methodologically astute and displaying a careful balance between good scholarship and pastoral concern earmarks of the Pillar New Testament Commentary series as a whole Moo's Letters to the Colossians and to Philemon will offer insights to a wide range of readers from teachers and students to pastors and parishioners to scholars and laypersons **A Heavenly Chorus** Justin Jeffcoat Schedtler, 2014-10-30 The claim that Revelation's hymns function as did Classical tragic choral lyrics insofar as they comment upon or interpret the surrounding narrative has become axiomatic in studies of Revelation Justin Jeffcoat Schedtler marks an advance in this line of inquiry by offering an exegetical analysis of Revelation's hymns alongside a presentation of the forms and functions of

ancient tragic choruses and choral lyrics Evaluating the hymns in light of the varieties and complexities of ancient tragic choruses he demonstrate that they are not best evaluated in terms of choral lyrics generally but in terms of dramatic hymns in particular insofar as they constitute mythological theological reflections on the surrounding narrative and function to situate the surrounding dramatic activity in a particular mythological theological contexts     *St. John's Gospel* Stephen K. Ray,2011-06-17 As Catholics in ever growing numbers are taking part in Bible studies many questions arise How do I study the Bible Where do I begin Is it OK to interpret the Bible for ourselves What Bible should I use How can I understand such a deep book as the Gospel of St John This book has the answer to these and many other such questions Stephen Ray takes the difficult and makes it easy he takes the confusion and makes things clear It gives a simple start for a beginner while providing the depth and profundity for the scholar This book is one of a kind It is the first extensive easy to use and thoroughly Catholic study guide available This Bible study provides extensive text boxes with detailed information that helps students discover the cultural religious historical and other information on the specific passage they are studying It utilizes quotes for a wide range of scholars historians and specialists to instruct the student and give valuable insights into the background and meaning of the text This book can serve as a basic Bible study guide for working through the Gospel of John helping the student plumb the depths of St John s marvelous and deeply spiritual Gospel It is excellent for use by individuals or groups for families or schools     Persuading the Cretans Aldred A. Genade,2011-03-23 The Letter to Titus is often branded as incoherent its salutation inchoate Such premature conclusions are directly related to the authenticity debate that has marred analyses of the so called Pastoral Epistles From the corridors of academia echoes the cry to study the letters individually and independently of the authorship issue This book does exactly that It lays bare intricate and novel persuasive strategies strategies that belie the charge of incoherency In fact there is not one but three ways to describe the structure of this masterfully composed letter In *Persuading the Cretans* Aldred Genade does this utilizing a technique known as text generated persuasion analysis Careful thought has gone into the composition of the letter to communicate timeless truths relevant for generations of Christians This is first century outcomes based communication at its best and communicators preachers and scholars stand to benefit from the lessons in communication the author of Titus can teach us Publisher description     **The Letter to the Colossians** Scot McKnight,2018-02-26 The Letter to the Colossians offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere     Beyond Salvation Edmund J. Rybarczyk,2006-10-01 Despite their historical and cultural differences Eastern Orthodox Christians and Classical Pentecostals share some surprising similarities Both incorporate holistic approaches to Christian spirituality Both manifest an organic approach to ecclesiology Both emphasize that Christianity is not just about being saved Most strikingly both traditions embrace the effective and even

mystical dimensions of Christian transformation This study locates both traditions within their cultural and philosophical meta contexts and suggests avenues of mutual understanding No longer can these two groups representing ancient and recent Christian expressions afford to be strangers

**The Letters to the Colossians and to Philemon, 2nd ed.** Douglas J. **God's Saving Grace** Frank J. Matera, 2012-11-17 Distinguished biblical scholar Frank Matera here views the theology of the Pauline letters through the lens of the saving grace that Paul experienced at his call and conversion Focusing on Christology soteriology theology anthropology ecclesiology ethics and eschatology Matera explores both the unity and the diversity of the thirteen Pauline letters Written in a clear and coherent style *God's Saving Grace* presents students professors and pastors with a comprehensive yet concise and accessible overview of the theology found in the entire corpus of Paul's letters

**Paradigms of Being in Christ** Peter-Ben Smit, 2013-08-01 In his Epistle to the Philippians Paul positions himself as an example of being in Christ The way in which he does this points out that he consciously positions himself in the tradition of classical rhetoric where the use of paradigms exempla was a standard element in deliberative arguing Paul describes his life as coloured by Christ in such a way that he represents Christ to the Philippians and the response he hopes to evoke in their congregation is that of similar behaviour The analysis of Smit combines observations on classical rhetoric exegetical analyses of Philippians and views from the perspective of gender and masculinity studies into a new and fresh analysis of the material He shows that ancient ideals of deliberative rhetoric have influenced Philippians in much the same way in which they appear in e.g. Aristotle Plutarch and also 2 Maccabees This study both positions Paul in the cultural context of his day and indicates the newness of his enterprise
