Christensen, 2014-10-31 Kenneth A Christensen's THE TOSCANINI MYSTIQUE is the first full length biography about the legendary Italian conductor's life and career in almost thirty five years Maestro Toscanini had a frigid and extremely unhappy childhood along with a severe musical education at the Parma Conservatory This unglamorized account of a gifted teenager's professional conducting debut at Rio de Janeiro's Teatro Imperial is told as it really happened Toscanini was married to a ballerina Carla De Martini who bore him four children but also had an illegitimate son with a gifted soprano who was born retarded Toscanini's vulgar mistreatment of nearly all the singers and musicians who performed under his direction was legendary and is examined with unusual insight about his uncanny memory and talent for musical recreation The recollection of many famous artists including Caruso Debussy Kreisler Puccini Stravinsky Verdi and Wagner's descendants are quoted alongside his confrontations with Hitler Mussolini and the Sicilian mafia But the Maestro also was the most generous of all musicians donating both his time and talents to many worthwhile charities for which he received no financial compensation The life of this great conductor is presented as the struggles of a musical and theatrical reformer who was a major historical figure that just happened to be one of the greatest musicians who ever lived Mr Christensen has painstakingly wrote his narrative using all the previous biographies and magazine articles on his life the scripts of two video documentaries and the liner notes for the most widely available re releases of his recordings He rewrote and clarified the awkward original Italian translations for non specialist readers and has supplied new English translations for the numerous operatic titles and other musical works as well as all the foreign language newspapers magazines and theatres mentioned in the text In addition he has provided professional critiques on the most widely available Toscanini recordings from RCA Victor's Arturo Toscanini Collection and historic reissues of Toscanini's NBC radio broadcast concerts Here was a man who had the nerve to stand up to world dictators and

fought hard to prevent the Western worlds supreme musical masterpieces from being abused and mistreated but without taking any credit for laboriously recreating all these composers inspiration He enjoyed to play practical jokes on his family and friends but this humorous side is known only through letters because Toscanini never published any autobiography or memoirs about his art Toscanini gave the world premieres of 14 operas including Leoncavallos Pagliacci and three by Puccini including La Boheme La Fanciulla del West and Turandot Toscanini served as musical director the Teatro Regio in Turino 1895 98 La Scala in Milano 1898 1908 New Yorks Metropolitan Opera 1908 1915 barely missed dying upon the Lusitania becoming musical director of La Scala again 1920 1929 the New York Philharmonic 1926 1936 and the NBC Symphony Orchestra 1937 1954 In between he also guest conducted at the Bayreuth Salzburg and Lucerne Festivals and conducted the inaugural concerts of the Palestine Symphony Toscanini then recorded his most important repertory with the BBC Symphony and the Philadelphia Orchestra the New York Philharmonic and NBC Symphony Orchestras alongside the Robert Shaw Chorale and such esteemed soloists as Jascha Heifetz Rudolf Serkin plus his own son in law Vladimir Horowitz His seven operatic recordings featured Jan Peerce Helen Traubel Richard Tucker Giuseppe di Stefano Rose Bampton Cesare Siepi Herva Nelli Licia Albanese Robert Merrill Jussi Bjoerling Lauritz Melchior and many other gifted singers and musicians of the past whose names alone are too much to mention      **Towards a Theory of Musical Reproduction** Theodor W.

Adorno,2014-11-05 At the beginning of his career in the 1920s Adorno sketched a plan to write a major work on the theory of musical reproduction a task he returned to time and again throughout his career but never completed The choice of the word reproduction as opposed to interpretation indicates a primary supposition that there is a clearly defined musical text whose precision exceeds what is visible on the page and that the performer has the responsibility to reproduce it as accurately as possible beyond simply playing what is written This task according to Adorno requires a detailed understanding of all musical parameters in their historical context and his reflections upon this task lead to a fundamental study of the nature of notation and musical sense In the various notes and texts brought together in Towards a Theory of Musical Reproduction one finds Adorno constantly circling around an irresolvable paradox interpretation can only fail the work yet only through it can musics true essence be captured While he at times seems more definite in his pronouncement of a musical scores absolute value just as a book is read silently not aloud his discourse repeatedly displays his inability to cling to that belief It is this quality of uncertainty in his reflections that truly indicates the scope of the discourse and its continuing relevance to musical thought and practice today      *Beethoven: Beethoven's workshop* Robert Haven Schauffler,1929      **Symphony No.3 in E Flat**

**Major, Op.55, "Eroica"** Ludwig van Beethoven,1986      *Ludwig van Beethoven* Mark Evan Bonds,2022-03-04 Throughout his life Beethoven remained remarkably consistent in his most basic convictions about his art He approached music as he approached life weighing whatever occupied him from a variety of perspectives a melodic idea a musical genre a word or phrase a friend a lover a patron money politics religion His ability to unlock so many possibilities from each helps explain the

emotional breadth and richness of his output as a whole from the heaven storming Ninth Symphony to the eccentric Eighth and from the arcane Great Fugue to the crowd pleasing Wellington's Victory Beethoven's works are a series of variations on his life The iconic scowl so familiar from later images of the composer is but one of many attitudes he assumed and projected through his music Discarding tired myths about the composer this introduction to the composer proposes a new way of listening to Beethoven by hearing his music as an expression of his entire self

**The Beat Stops Here** Mark Gibson, 2017 In The Beat Stops Here Lessons on and off the Podium for Today's Conductor master conductor Mark Gibson addresses the technique of conducting as an extension of intimate knowledge of the score to

the hands and arms He employs a variety of everyday activities and motions brushing the dog Tinkerbelle the door knob to describe the physical aspects of the role He advocates a comprehensive detailed approach to score study addressing major works bar by bar in terms of both musical analysis and conducting method Finally Gibson explores the various roles a conductor plays as a teacher a scholar and a member of the musical community His writing is highly focused with an occasionally tongue in cheek discussing everything from motivic development in Brahms to how to hold a knife and fork in public In short *The Beat Stops Here* is a compendium of style and substance in the real world of today's conductor
