more than 150 actual case histories to prove that there is more to incredible coincidence than meets the eye A woman in Berkeley California is locked out of her house the postman walks up holding a letter from her brother inside is a spare key A hurricane in Galveston Texas sweeps Charles Coghlan s coffin out to sea eight years and two thousand miles later the coffin is found just offshore from the town where Coghlan was raised A Londoner takes the wrong bus not realizing his mistake until he passes the house of a friend he hasn t seen in years smelling gas at the door he prevents a suicide Incredible Coincidence A fascinating exploration into the strangest things that can happen every day Synchronicity Deike Begg,2000-12 This book examines our seemingly random path through life and explains why synchronicities act as signposts through the wilderness of life **What a Coincidence!** Susan M. Watkins,2005-01-01 What would we find if over a period of time we paid careful attention to the coincidences in our lives What would clusters of coincidental events reveal Susan M Watkins examines from the inside out coincidences in her life and discovers powerful insights into the workings of the conscious mind into the concepts of time and space past and future Her examples vividly illustrate how the process of examining personal coincidences enriches our experiences and opens up a vast psychological landscape that otherwise tends to go unnoticed and certainly under utilized **Synchronicity** Kirby Surprise,2012-02-22 If you are looking for answers to the profound enigma of the meaning and nature of meaningful coincidences in your own life answers that bring psychological insight and spiritual understanding then you have come to the right place Professor Surprise has given us the finest book of its kind Allan Combs coauthor Synchronicity Through the Eyes of Science Myth and the Trickster The experience of meaningful coincidences is universal They are reported by people of every culture every belief system and every time period Synchronicity examines the evidence for the human influence on the meaningfulness of events and the way the modern computational model of the mind predicts how we create meaning It demonstrates that these events based on the activity of the mind are caused by the person who perceives them In this fascinating work you will Learn to use your amazing ability to create synchronistic events Discover how your mind creates the reality you experience Unlock your brain s vast resources of connectivity and creativity Change from living as a separate being to living as a part of the unified whole Synchronicity will show you how you already create events around you and make you a conscious co creator of your reality Dr Surprise describes the miracles of your brain s processes merging the worlds of modern physics and ancient mysticism to reveal abilities you have always possessed but which were not fully understood until now Learn to make reality dance to the rhythms of your thoughts **Synchronicity** Lance Storm,2008 Synchronicity Multiple Perspectives on Meaningful Coincidence explores the nature of synchronicities from a wide variety of perspectives including science religion extra sensory perception and psychokinesis It investigates the role of the archetypes the limits to scientific causality and the way in which synchronicities can open a door into the numinous and speak to the unification of humanity and the world Book jacket *Meaningful Coincidences* Bernard Beitman,2022-09-06 A comprehensive exploration of the potential of coincidences to

expand our understanding of reality and inspire psychological interpersonal and spiritual growth

Scientific and Medical Network s Annual Book Prize for 2022 Presents a complete catalog of coincidence patterns with numerous illustrative examples Defines the many uses and potential pitfalls of coincidences and highlights the situations in which they are most likely to occur Explores the range of explanations for coincidences including the psychosphere as the medium through which many coincidences take place Each of us has more to do with creating coincidences than we think In this broad exploration of the potential of coincidences to expand our understanding of reality psychiatrist Bernard Beitman M D explores why and how coincidences synchronicity and serendipity happen and how to use these common occurrences to inspire psychological interpersonal and spiritual growth Through a complete catalog of coincidence patterns with numerous illustrative examples Dr Beitman clarifies the relationship between synchronicity and serendipity and dissects the anatomy of a coincidence He defines coincidence types through their two fundamental constituents mental events and physical events He analyzes the many uses of meaningful coincidences as well as their potential problems He explains how you will see patterns guiding your life decisions and learn to expect that coincidences are more likely to occur during life stressors as well as times of high emotion and strong need which helps you be ready to use them when they occur Exploring the crucial role of personal agency individual thought and action in synchronicities and serendipities Dr Beitman shows that there s much more behind these occurrences than fate or randomness

Synchronicity and You Frank Joseph,2003-01-31 Synchronicity You is a practical handbook that explains synchronicity for general readers If offers a direct means to define the meaningful coincidences we experience and provides a simple method for decoding them Author Frank Joseph provides the evidence necessary to determine how our dreams and emotions meaningfully correspond with events in the world He explains how to identify and interpret personal themes in the context of our own lives Joseph traces the concept of synchronicity through mythology and Jungian thought but in a non academic accessible way Topics include precognitive and shared dreams premonitions numbers telepathy parallel lives and everyday coincidences Real life stories are given as examples to illustrate how to recognise meaningful coincidences Synchronicity You is the only book that uses abundant anecdotal material to show us how we can analyse and apply meaningful coincidences positively in our lives

The Power of Coincidence: The Mysterious Role of Synchronicity in Shaping Our Lives Frank Joseph,2021-09 A valuable guide book that leads us step by step into communication with our deeper subconscious nature and nudges open the gate to our inner self Dale Graff Frank Joseph boldly and eloquently connects us to a larger world Thomas Ropp We have all experienced inexplicable coincidences whether it s a particular number cropping up again and again or thinking about an old friend only for them to call us the next second While individually these coincidences may seem trivial when seen in the bigger picture of their role in our lives they can assume startling magnitudes of meaning The Power of Coincidence reveals that such events are not random but crucial pieces in the puzzle of our lives Author Frank Joseph shows us how to recognize instances of meaningful coincidence or

synchronicity as it was called by Jung and the guidance they offer in finding our true path in life Frank Joseph provides practical ways to identify and decode significant coincidences By offering hundreds of compelling examples he leads us step by step into communication with our deeper subconscious nature and nudges open the gate to our inner self to the domain of synchronicity **Synchronicity & You** Frank Joseph,1999 This handbook explains synchronicity meaningful coincidence for general readers It offers a direct means to define meaningful coincidences and provides a simple method for decoding them Also covered are precognitive and shared dreams numbers premonitions telepathy and everyday coincidences

Synchronicity as Mystical Experience Frank Joseph,2018-01-28 Synchronicity As Mystical Experience follows Carl Jung's lead in recognizing meaningful coincidence as a kind of modern day enlightenment or emotional therapy everyone not only sufferers from chronic neuroses may use to connect with the spiritual basis of being This fresh view of the subject defines the phenomenon in abundant anecdotal material such as related accounts of the Titanic disaster which attracted a constellation of synchronicity never described so thoroughly before and informs readers how they may interpret the often puzzling elements in meaningful coincidence These details include the significance of recurring numbers and personal discovery of our parallel lives There are several recent titles dealing with Synchronicity and all of them contribute valuably to the subject For all their excellence they neither address the daily application of the phenomenon nor its intimate relationship with the human chakras These are energy centers rising from the base of the spine to the top of our heads and comprise fundamental aspects of human psychology or if you will the soul Their surprising relationship with meaningful coincidence indicates that each one of us is connected to the organizational scheme of all creation This important revelation is brought to light through Synchronicity any apparent coincidence that inspires a sense of wonder and personal meaning or particular significance in the observer It is a perceived connection between two or more objects events or persons without any recognizable cause It is conditioned by situations in which apparently unrelated events converge to form a shared experience regarded as momentous by the person or persons experiencing it An example of synchronicity is when for no apparent reason you suddenly remember a friend you have not thought of or heard from in years and just then the telephone rings and the voice on the other end belongs to the recollected person Events such as these are typical instances of synchronicity or meaningful coincidence events like these happen to millions of people every day They are common enough and most people who experience them after initial feelings of strangeness forget about them or dismiss them as inevitable but trifling quirks of life classified under luck good or bad A closer examination of such phenomena suggests there is much more to them While individual instances of synchronicity may seem trivial they assume startling magnitudes of influence when seen in the bigger picture of their role in our lives as explained in Synchronicity As Mystical Experience There Are No Coincidences Frank Joseph,2006-02 In There Are No Coincidences readers learn how to access modern day mystical experience through a phenomenon known as synchronicity The term refers to otherwise unrelated events that assume significance from the unique

vantage point of a single observer For no apparent cause you happen to remember a friend you have not thought about for many years just then the telephone rings and the voice on the other end of the line is the same person you had in mind Such incidents are not merely statistical probabilities but if properly appreciated vital clues to understanding the mystery of our subtle connection with the Compassionate Mind that organizes all Creation Citing an abundance of anecdotal examples including synchronicities from the Titanic to the World Trade Center There Are No Coincidences clearly explains the simple methods used to interpret such paranormal happenings and how to apply them toward our own spiritual empowerment
