Indictment of Terror Vladimir Vasil'evich Ustinov,2003 *Traces of Terror* Victoria Sentas,2014 *Terror's Triumph* William Meier,2024-11-19 The idea of modern terrorism and the practice of terrorist violence emerged in Britain's first colony Ireland before spreading through imperial networks to South and East Asia to Africa and to the Middle East Thus empire not only birthed terror but also made it global And the sheer spread diversity and longevity of that empire produced multiple stages in the evolution of terrorism from rural intimidation to urban guerilla warfare to homegrown radicalism Indeed today's global terror challenges the ethics of counter terrorism the threats of Islamist and international terrorism and the rise of homegrown right wing extremism all have roots in colonialism Russian Views on Countering Terrorism During Eight Years of Dialogue Russian Academy of Sciences,National Research Council,Policy and Global Affairs,Development, Security, and Cooperation,Office for Central Europe and Eurasia,2009-06-28 Few countries have endured as many attacks of terrorism during the past two decades as has Russia From bombings on the streets of a number of cities to the disruption of pipelines in Dagestan to the taking of hundreds of hostages at a cultural center in Moscow and at a school in Beslan the Russian government has responded to many political and technical challenges to protect the population The measures that have been undertaken to reduce vulnerabilities to terrorist attacks and to mitigate the consequences of attacks have been of widespread interest in many other countries as well In June 1999 the Presidents of the National Academy of Sciences and the Russian Academy of Sciences initiated an inter academy program to jointly address common interests in the field of counter terrorism Four workshops were held from 2001 to 2007 and additional consultations were undertaken prior to and after the series of workshops This report includes 35 of the Russian presentations during the workshop series Collectively they provide a broad overview of activities that have been supported by Russian institutions *Fighting Terrorism through Multilevel Criminal Legislation* Erling Johannes Husabø,Ingvild Bruce,2009-09-04 This book highlights the criminal framework legislation developed by the UN Security Council and the EU in the aftermath of the terrorist attacks in the USA in 2001 and studies the implementation of these rules in six European legal orders It contains a thorough analysis of the concept of terrorist offences including complex issues such as actions by armed forces and resistance movements It also explores the broad criminalisation of preparatory acts including the participation in terrorist groups and discusses the extended application of national law to offences committed abroad More generally the book sheds light on the interplay between global regional and national regulation and contributes to a better understanding of national differences in the field of criminal law Contemporary Wars and Conflicts over Land and Water in Africa Carlson Anyangwe,2022-08-08 *Contemporary Wars and Conflicts over Land and Water in Africa* highlights Africa's tragedy of endless conflicts Rich in case studies it examines violent conflicts and Africa's approaches to conflict resolution The case studies show that Africa continues to be a chronically unstable space tormented especially by frequent and devastating civil wars of which ethnicity religion and bad governance

are some of the root causes These conflicts have occasioned massive human rights abuses arrested development reversed or slowed economic growth created a vicious circle of instability and hunger and exacerbated levels of poverty and disease in the continent In the final part of this book Carlson Anyangwe considers indigenous mechanisms for settling disputes post conflict transitional justice systems and the African Union conflict resolution mechanism that relies as it does on the United Nations peace and security framework and the peace and security functions of the African regional economic organizations
