Bright Kids Who Couldn't Care Less Ellen Braaten, 2023-03-31 Keywords unmotivated underachieving underachievers underperforming children parenting self help lazy teens adolescents parents guide psychology how to get my child to work harder anxiety depression ADHD hates school not interested in anything Description He s so smart but he s no longer interested in school or any offline activities She used to love sports but now she just mopes around My kid has turned into such a slacker Over the course of her 25 year career psychologist and learning expert Ellen Braaten has begun to notice a trend More and more parents are coming to her

because their kids couldn't care less about anything. How do bright motivated young children become such unmotivated older kids and teens and what can parents do about it. In this warm and encouraging guide Dr Braaten explains that kids who have lost the will to do anything other than play video games need more than simple encouragement or the right school teacher or coach to get back on track. Instead Dr Braaten helps parents understand the myriad biological emotional cognitive and social factors that affect motivation and build a plan to boost their child's confidence incentive to learn and engagement in life.
