Wrestling with Faith, Love, and Gators Chad Young, 2016-02-09 We hear people say we should love God with all our hearts souls and minds but what does that mean Or more importantly what could it look like to fall in love with God Chad jump on the gator's back In a split second a decision had to be made Did Chad love his future brother in law enough to help him control a powerful seven and a half foot alligator Ultimately there was a subconscious devotion that affected his decision We all face decisions every day Some of them are small but others are potentially life altering What you decide to do in those split seconds comes down to this We all have beliefs about life and love about what is most important and we all act on those beliefs In this book Chad Young addresses what many Christians are missing being in love with God The lack of genuine faith and love in the church is the main reason why 59% of college students who grew up with a Christian background are leaving the Christian faith Chad uses his own faith journey and humorous stories to call you to a deeper legitimate love for God
