

The Testimony of the Spade

by Geoffrey Bibby

Life in Northern Europe, from 15,000 B.C. to the time of the Vikings.

*The first complete story, in the
light of startling new discoveries, of the slow
spread of a succession of "barbarian" tribes north
of the Alps, showing prehistory turning
into history in the heartland of Europe.*

Testimony Of The Spade

United States. Congress Senate

Testimony Of The Spade:

THE TESTIMONY OF THE SPADE GEOFFREY BIBBY, 1956 **The Testimony of the Spade** Thomas Geoffrey Bibby, 1971 An Archaeology of Desperation Kelly J. Dixon, 2014-10-20 The Donner Party is almost inextricably linked with cannibalism In truth we know remarkably little about what actually happened to the starving travelers stranded in the Sierra Nevada in the winter of 1846 47 Combining the approaches of history ethnohistory archaeology bioarchaeology and social anthropology this innovative look at the Donner Party s experience at the Alder Creek Camp offers insights into many long unsolved mysteries Centered on archaeological investigations in the summers of 2003 and 2004 near Truckee California the book includes detailed analyses of artifacts and bones that suggest what life was like in this survival camp Microscopic investigations of tiny bone fragments reveal butchery scars and microstructure that illuminate what the Donner families may have eaten before the final days of desperation how they prepared what served as food and whether they actually butchered and ate their deceased companions The contributors reassess old data with new analytic techniques and by examining both physical evidence and oral testimony from observers and survivors add new dimensions to the historical narrative The authors integration of a variety of approaches including narratives of the Washoe Indians who observed the Donner Party destroys some myths deconstructs much of the folklore about the stranded party and demonstrates that novel approaches can shed new light on events we thought we understood *The Archaeology Of The Donner Party* Donald L Hardesty, 2005-10-05 The tragic saga of the Donner Party has inspired both legend and scholarship ever since the survivors were rescued from the High Sierra snows in the spring of 1847 When archaeologist Donald L Hardesty and four colleagues a historian and three other archaeologists turned their collective attention to the ordeal of the Donner Party the result was an original and sometimes surprising new study of this pioneer group and their place in the history of overland migration Now available for the first time in paperback *The Archaeology of the Donner Party* combines the fruits of meticulous investigation of the Sierra Nevada sites with scientific analysis of artifacts discovered there and interpretation of the documents of the party and the memoirs of survivors Through this interdisciplinary approach Hardesty and his colleagues offer new insight into the ordeal of these ill fated emigrants and demonstrate the vital role that archaeology can play in illuminating and expanding our understanding of historical events Contributions by Michael Brodhead Donald K Grayson Susan Lindstrom and George L Miller **The Scriptures in the Making** Abigail Pearce, 1927 The Christian Work and the Evangelist , 1905 **The World of the Past** Jacquetta Hawkes, 1963 **Decisions and Orders of the National Labor Relations Board** United States. National Labor Relations Board, 1992 *From Jerusalem to Jerusalem* Helen Barrett Montgomery, 1929 The study book for women s foreign missionary societies in 1928 cf Foreword **Hearings** United States. Congress Senate, 1954 The Killing Season Robert Cowley, 2025-09-02 An in depth authoritative account of the fall of 1914 on the Western Front and the First Battle of Ypres a true turning point in World War I and in modern warfare by the founding editor of MHQ The

Quarterly Journal of Military History A masterful and heartbreaking book If you want to know how modern warfare began The Killing Season is for you Geoffrey C Ward co author of The Civil War The War and The Vietnam War The Marne may have saved Paris and prevented a devastating setback for the Allies but it did not spell eventual defeat for Germany Ypres did The final months of 1914 were the bloodiest interval in a famously bloody war a killing season They ended with the First Battle of Ypres a struggle in West Flanders Belgium whose importance has been too long overlooked until now Robert Cowley s fresh novelistic account of this crucial period describes how German armies in France were poised to sweep north to capture the Channel ports and knock England out of the war and were only held back by a brilliant improvisation from a cobbled together handful of desperate British French and Belgian troops In a re examination of events that have too long seemed set in stone Cowley combines a wide array of source materials with sharp portrayals both of military leaders and of the men they led We follow Albert of Belgium the world s last warrior king French General Ferdinand Foch a former professor of military science and Hendrik Geeraert an alcoholic barge keeper who pulled off Albert s literal last ditch effort Many other memorable characters emerge including Sir John French a British commander who displayed his greatest talent for maneuver in the bedroom along with both a young Adolf Hitler and Winston Churchill The vast brawl of four armies in Flanders was a turning point that irrevocably changed the nature of modern warfare In this visceral account based on thirty years of research and picking up where Barbara Tuchman s The Guns of August left off Cowley details the crucial decisions that determined the outcome of the Great War which may have been decided by a single extraordinary afternoon

Weekly Notes of Cases Argued and Determined in the Supreme Court of Pennsylvania, the County Courts of Philadelphia, and the United States District and Circuit Courts for the Eastern District of Pennsylvania ,1882

The Figure of the Detective Charles Brownson,2014-01-16 This book begins with a history of the detective genre coextensive with the novel itself identifying the attitudes and institutions needed for the genre to emerge in its mature form around 1880 The theory of the genre is laid out along with its central theme of the getting and deployment of knowledge Sherlock Holmes the English Classic stories and their inheritors are examined in light of this theme and the balance of two forms of knowledge used in fictional detection cool or rational and warm or emotional The evolution of the genre formula is driven by changes in the social climate in which it is embedded These changes explain the decay of the English Classic and its replacement by noir hardboiled and spy stories to end in the cul de sac of the thriller and the nostalgic Neo Classic Possible new forms of the detective story are suggested

A nine days' wonder; or, The mystery in the house, by Edward Garrett Isabella Fyvie Mayo,1898 **Washington Reports ...** Washington (State). Supreme Court,Eugene G. Kreider,Arthur Remington,William Henry Anders,1892

Reports of Cases Determined in the Supreme Court of the State of Washington Washington (State). Supreme Court,Eugene Glenroy Kreider,1892 Vol 1 includes the decisions of the Supreme Court of the Territory of Washington for 1889 **The Reporter** ,1958 **The Southwestern Reporter** ,1914 **Pittsburgh Legal Journal** ,1883 Containing

reports from Pennsylvania judicial districts and other leading decisions *Archaeology* Linda L. Hasten, 2005 A reader of
articles from the public press including Newsweek Natural History Archaeology and The Archaeologist at Work
