Sufi Narratives of Intimacy Sa'diyya Shaikh, 2012-03-05 Thirteenth century Sufi poet mystic and legal scholar Muhyi al Din ibn al Arabi gave deep and sustained attention to gender as integral to questions of human existence and moral personhood Reading his works through a critical feminist lens Sa diyya Shaikh opens fertile spaces in which new and creative encounters with gender justice in Islam can take place Grounding her work in Islamic epistemology Shaikh attends to the ways in which Sufi metaphysics and theology might allow for fundamental shifts in Islamic gender ethics and legal formulations addressing wide ranging contemporary challenges including questions of women s rights in marriage and divorce the politics of veiling and women s leadership of ritual prayer Shaikh deftly deconstructs traditional binaries between the spiritual and the political private conceptions of spiritual development and public notions of social justice and the realms of inner refinement and those of communal virtue Drawing on the treasured works of Sufism Shaikh raises a number of critical questions about the nature of selfhood subjectivity spirituality and society to contribute richly to the prospects of Islamic feminism as well as feminist ethics more broadly

Gender Hierarchy in the Qur'an Karen Bauer, 2015-06-09 This book explores how medieval and modern Muslim religious scholars ulam interpret gender roles in Qur nic verses on legal testimony marriage and human creation Citing these verses medieval scholars developed increasingly complex laws and interpretations upholding a male dominated gender hierarchy aspects of their interpretations influence religious norms and state laws in Muslim majority countries today yet other aspects have been discarded entirely Karen Bauer traces the evolution of their interpretations showing how they have been adopted adapted rejected or replaced over time by comparing the Qur n with a wide range of Qur nic commentaries and interviews with prominent religious scholars from Iran and Syria At times tradition is modified in unexpected ways learned women argue against gender equality or Grand Ayatollahs reject sayings of the Prophet citing science instead This innovative and engaging study highlights the effects of social and intellectual contexts on the formation of tradition and on modern responses to it

A Select Library of Nicene and Post-Nicene Fathers of the Christian Church: St. Ambrose: Select works and letters. 1896 ,1896

Law, Religion and Tradition Jessica Giles, Andrea Pin, Frank S. Ravitch, 2018-09-27 This book explores different theories of law religion and tradition from both a secular and a religious perspective It reflects on how tradition and change can affect religious and secular legal reasoning identifying the patterns of legal evolution within religious and secular traditions It is often taken for granted that even in law change corresponds and correlates to progress that things ought to be changed and they will necessarily get better There is no doubt that legal changes over the centuries have made it possible to enhance the protection of individual rights and to somewhat contain the possibility of tyranny and despotism But progress is not everything in law stability and certainty lie at the core of the rule of law Similarly religions and religious laws could not

survive without traditions and yet they still evolve and their evolution is often intermingled with secular law The book asks and in some ways answers the questions What is the role of tradition within religions and religious laws What is the impact of religious traditions on secular laws and vice versa How are the elements of tradition to be identified Are they the same within the secular and the religious realm Do secular law and religious law follow comparable patterns of change Do their levels of resilience differ significantly How does the history of religion and law affect changes within religious traditions and legal systems The overall focus of the book addresses the extent to which tradition plays a role in shaping and re shaping secular and religious laws as well as their mutual boundaries

Uniqueness of the Concept of Witness in Lukan Writings within the Biblical Canon Ervin Budiselić, 2024-04-30 In an age of relativism tolerance and political correctness the church is called to walk in the footsteps of Christ As his witnesses we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation Dr Ervin Budiseli examines the concept of witnessing in the writings of Luke contextualizing it within the larger framework of Scripture s emphasis on revelation and testimony Like Judaism Christianity is a religion of revelation where specific content must be preserved passed on and proclaimed to others Dr Budiseli explores the communal nature of this calling as well as its pneumatological implications within Luke s writings Acknowledging the tendency within the Western church to emphasize moral transformation over physical he reminds readers that Jesus s kingdom ministry was accompanied by deeds as well as words He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous as partnership with the Holy Spirit was central to the calling given to the early church This book offers a prophetic message for the church today as it seeks to fulfill its calling to faithfully witness to the revelation of Christ

Women and Equality in Iran Leila Alikarami, 2019-05-30 Iran s continued retention of discriminatory laws stands in stark contrast to the advances Iranian women have made in other spheres since the Revolution in 1979 Leila Alikarami here aims to determine the extent to which the actions of women s rights activists have led to a significant change in their legal status She argues that while Iranian women have not yet obtained legal equality the gender bias of the Iranian legal system has been successfully challenged and has lost its legitimacy More pertinently the social context has become more prepared to accommodate legal rights for women Highlighting the key challenges that proponents of gender equality face in the Muslim context Alikarami attempts to ascertain the causes of Iran s failure to ratify the CEDAW and questions whether and to what extent interpretations of Islamic principles prevent Iran from doing so Applying feminist legal theory to contemporary Iran Alikarami s approach re evaluates the underlying principles that have shaped the struggle for equal rights between the sexes
