Maury Dean

Texas And Swing Fiddle Fiddle:

Texas And Swing Fiddle Matt Glaser,2004-04-01 DVD Instructional Folk Instrmt LEVEL 3 INCLUDES MUSIC Starting with old time Texas fiddling you ll progress through modern Texas Western swing and jazz soloing Matt carefully breaks down all the tunes and analyzes the styles of Benny Thomasson Bob Wills Vassar Clements Mark O Connor and other great swing players 23 songs **Western Swing Fiddle** Stacy Phillips,1997-01-31 Over 100 transcriptions of classic swing fiddle solos Includes interviews with the masters exercises tips discography bibliography and rare historical photographs

Western Swing Fiddle Joe Carr,2010-12-17 Learn the three basic styles of western swing fiddling the melody section includes classic techniques to help you achieve an authentic sound Harmony Fiddling covers the basics of two and three part fiddling the Improvising section unlocks the secrets of the hot jazzy fiddling heard on recordings by Bob Wills Asleep at the Wheel and many others the accompanying CD includes a play along section where you can try out new techniques **Texas Style Fiddlin' Workshop** Jeanine Orme,2016-05-24 This book was written to be used as a learning tool and a reference for intermediate level fiddle players who have reading ability It presents tunes with bowing and fingering specific to this style and progresses in difficulty with each tune This book provides information about bowing styles and playing in fiddle contests Many of the tunes are transcribed from the playing of Herman Johnson a five time National Fiddle Champion as well as other great fiddlers Using the CD that is included with this book will be helpful for understanding the bowings and the style of the tunes the tunes are played by Jeanine Orme at a moderate tempo Learning tool and a reference for intermediate level fiddle players Presents tunes with bowing and fingering specific to Texas style fiddling Book progresses in difficulty with each tune Tunes appropriate for fiddle contests Many tunes in the style of Herman Johnson and other great fiddlers **Whiskey River (Take My Mind)** Johnny Bush,Ricky Mitchell,2017-05-24 Fans of live music will get a kick out of this Texas Country Music Hall of Famer s fond but brutally honest memories playing gigs with Willie Nelson Publishers Weekly When it comes to Texas honky tonk nobody knows the music or the scene better than Johnny Bush Author of Willie Nelson s classic concert anthem Whiskey River and singer of hits such as You Gave Me a Mountain and I ll Be There Johnny Bush is a legend in country music a singer songwriter who has lived the cheatin hurtin hard drinkin life and recorded some of the most heart wrenching songs about it He has one of the purest honky tonk voices ever to come out of Texas And Bush s career has been just as dramatic as his songs on the verge of achieving superstardom in the early 1970s he was sidelined by a rare vocal disorder But survivor that he is Bush is once again filling dance halls across Texas and inspiring a new generation of musicians In Whiskey River Take My Mind Johnny Bush tells the twin stories of his life and of Texas honky tonk music He recalls growing up poor and learning his chops in honky tonks around Houston and San Antonio Bush vividly describes life on the road in the 1960s as a band member for Ray Price and Willie Nelson Woven throughout Bush s autobiography is the never before told story of Texas honky tonk music from Bob Wills and Floyd Tillman to Junior Brown and Pat Green For everyone who loves genuine country

music Johnny Bush Willie Nelson and stories of triumph against all odds Whiskey River Take My Mind is a must read

Continuum Encyclopedia of Popular Music of the World Volume 8 John Shepherd, David Horn, 2012-03-08 See

Proud to Be an Okie Peter La Chapelle, 2007-04-03 Proud to Be an Okie brings to life the influential country music scene that flourished in and around Los Angeles from the Dust Bowl migration of the 1930s to the early 1970s The first work to fully illuminate the political and cultural aspects of this intriguing story the book takes us from Woody Guthrie's radical hillbilly show on Depression era radio to Merle Haggard's Okie from Muskogee in the late 1960s It explores how these migrant musicians and their audiences came to gain a sense of identity through music and mass media to embrace the New Deal and to celebrate African American and Mexican American musical influences before turning toward a more conservative outlook What emerges is a clear picture of how important Southern California was to country music and how country music helped shape the politics and culture of Southern California and of the nation *Fiddler Magazine's Favorites* Multiple

Authors, 2016-06-03 Fiddler Magazine in conjunction with Mel Bay Publications Inc has compiled a wonderful collection of tunes and interviews with contributions from 36 of the world's greatest fiddlers The featured artists are Charlie Acuff Paul Anastasio Randal Bays Byron Berline Kevin Burke Vassar Clements Michael Doucet Jackie Dunn J P Fraley Johnny Gimble Bruce Greene John Hartford Richard Greene Ivan Hicks Jerry Holland Olav Johansson James Kelly Barbara Lamb Laurie Lewis Sandy MacIntyre Natalie MacMaster Frankie McWhorter Bruce Molsky Juan Reynoso Dale Russ Oliver Schorer Pierre Schryer Bjorn Stabi Alicia Svigals Athena Tergis Laura Risk Jay Ungar Jean Marie Verret Claude Williams George Wilson and Jennifer Wrigley Includes access to online audio [Texas History for Kids](#) Karen Gibson, 2015-02-01 Like everything in the Lone Star State the history of Texas is larger than life The flags of six different nations have flown over the state which had a rich Native American heritage long before European explorers such as Cabeza de Vaca Coronado and La Salle ever arrived The state was even its own republic achieving independence from Mexico in 1836 yet joined the United States in 1845 Author Karen Bush Gibson tells the 500 year saga of this unique state from the founding of the Spanish Missions to the victory at San Jacinto from the Civil War to the first oil gusher at Spindletop from the Great Storm that destroyed Galveston to the establishment of NASA's Mission Control in Houston Texas History for Kids also includes 21 informative and fun activities to help readers better understand the state's culture politics and geography Kids will recreate one of the six flags to fly over Texas make castings of local wildlife tracks design a ranch's branding iron celebrate Juneteenth by reciting General Order Number 3 build a miniature Battle of Flowers float and more This valuable resource also includes a time line of significant events a list of historic sites to visit or explore online and Web resources for further study Karen Bush Gibson is the author of Women in Space Women Aviators Native American History for Kids and three dozen other books for young readers She lives in Norman Oklahoma **Manifestations of Collective Identity in Country Music - Cultural, Regional, National**

Stephanie Schäfer, 2011-12-01 Inhaltsangabe Introduction All American music reflects the landscape from which it springs

and as that landscape changes chewed up by the developments and industry and environmental disasters as the air we breathe in and out of our lungs is filled with new particles as the water we drink gets its fluoride levels regulated and mineral content tweaked it makes perfect sense that American music becomes slicker more machinated less like reality We are all subject to our environs fashioned and chiseled and sanded into shapes We have highways for arteries and clouds for brains and sticks for bones The sounds we make are Americana As one of the first musical expressions of the United States country music represents the values and ideals on which the nation was founded Country music can be seen as the epitome of the American Dream It has its origins in the 19th century when cowboys were working in the fields and riding through the lonely prairie an image that has been romanticized by numerous Hollywood movies This thesis focuses on country music as a genre as well as the identity which it represents and by which audience and performers are linked Country music can be regarded as the music of Southern working class Americans Since before the Civil War the South has always been looked down upon as being primitive simple minded and extremely religious Having its roots in the South country music has had to face substantial criticism in terms of unsophistication and over sentimentalization Due to a shift in national economic power the United States have become increasingly Southernized both culturally and musically Southern culture and identity have become desirable This phenomenon allowed country music to shed its dubious reputation and gain popularity across the country This paper will shine a light on the American South as a cultural region that has more to offer than what meets the eye Southern working class culture and its core values are going to be described and put in context with country music as a form of cultural expression Central themes in American country music are family love heartbreak work friends religion and patriotism Characteristic for the country music genre are its narrative structures which by telling a story enhance its ability to form a collective identity as well as a connection between the narrator the performer and the audience However country musicians are not solely messengers of the American Cowboy ,1997-11 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West Handbook of Texas Music Laurie E. Jasinski,2012-02-22 The musical voice of Texas presents itself as vast and diverse as the Lone Star State s landscape According to Casey Monahan To travel Texas with music as your guide is a year round opportunity to experience first hand this amazing cultural force Texas music offers a vibrant and enjoyable experience through which to understand and enjoy Texas culture Building on the work of The Handbook of Texas Music that was published in 2003 and in partnership with the Texas Music Office and the Center for Texas Music History Texas State University San Marcos The Handbook of Texas Music Second Edition offers completely updated entries and features new and expanded coverage of the musicians ensembles dance halls festivals businesses orchestras organizations

and genres that have helped define the state's musical legacy More than 850 articles including almost 400 new entries 255 images including more than 170 new photos sheet music art and posters that lavishly illustrate the text Appendix with a stage name listing for musicians Supported by an outstanding team of music advisors from across the state The Handbook of Texas Music Second Edition furnishes new articles on the music festivals museums and halls of fame in Texas as well as the many honky tonks concert halls and clubs big and small that invite readers to explore their own musical journeys Scholarship on many of the state's pioneering groups and the recording industry and professionals who helped produce and promote their music provides fresh insight into the history of Texas music and its influence far beyond the state's borders Celebrate the musical tapestry of Texas from A to Z The Devil's Box ,1997 **"Cashville" - Dilution of Original Country Music Identity Through Increasing Commercialization** Stephanie Sch„fer,2012-04 Where I come from it's cornbread and chicken This line from Alan Jackson's country hit defines the genre as the music of the American South All its ambiguity set aside the South stands proudly for its hospitality politeness sense of place and community Family and religion are traditionally more important down there than in the rest of the country As Southern culture becomes more and more americanized and the music of the small town Southern man another Jackson song is adapted for a mainstream audience the original rustic identity that defines the true American genre loses its charm Modern country music has become slick and professionalized and sounds more and more like common pop music to make it more profitable This study focuses on the authentic country music identity and how it is threatened by increasing commercialization It defines said identity and the working class culture from which it springs It traces the history of country music and its different genres from the 19th and early 20th century cowboy music over Western Swing and Honky Tonk of the 1930s and 1940s the progressive movements of the 1960s and 1970s up to today's mainstream Country Pop and shows how its target audience has changed over time and how the opposition tries to preserve traditional sounds Authentic Texas Country is set in contrast to the commercial Nashville recording industry and both are compared in their respective developments over the years In the face of terrorism which poses a threat to the American National identity country music with its representative American values has become increasingly popular and enforces a strong collective identity on a national level However in doing so it also dilutes the original identity that was once restricted to life in a small town community rather than the country as a whole What sets country music as a genre apart is its narrative structure Every song has a story to tell Be it about The Cold Hard Facts of Life a prayer finally answered or the first kiss on a Saturday night *Deep Ellum and Central Track* Alan Govenar,Jay Brakefield,2023-10-24 A new edition of the biography of Dallas own Deep Ellum Just outside of downtown Dallas lies a section of the city called Deep Ellum where graffiti and murals decorate the walls of trendy shops loft apartments restaurants nightclubs art galleries and tattoo studios The area has been home to a remarkable array of businesses creatives and artistic practices since its birth 150 years ago as a Black center of business Because of the area's long association with blues and

jazz musicians Deep Ellum has been shrouded in myth and misconceptions which obscure its actual history Alan Govenar and Jay Brakefield using oral histories old newspapers and photographs city directories and maps as well as more traditional public records and secondary sources reveal another side of Deep Ellum which includes Central Track formerly called Central Avenue an area lined with Black owned businesses which served both Black and white patrons during its heyday in the 1920s and 30s In the Deep Ellum and Central Track areas African Americans and whites primarily Eastern European Jews operated businesses from the late 19th to the mid 20th centuries creating a unique social climate where cultural interaction took place Much of the information in the book is presented through the stories of remarkable individuals including professionals pawnbrokers and other merchants police officers criminals and the blues and jazz musicians who had a lasting impact on American popular music

The Blues Come to Texas, 2019-02-28 From October 1959 until the mid 1970s Paul Oliver and Mack McCormick collaborated on what they hoped to be a definitive history and analysis of the blues in Texas Both were prominent scholars and researchers Oliver had already established an impressive record of publications and McCormick was building a sprawling collection of primary materials that included field recordings and interviews with blues musicians from all over Texas and the greater South Despite being eagerly awaited by blues fans folklorists historians and ethnomusicologists who knew about the Oliver McCormick collaboration the intended manuscript was never completed In 1996 Alan Govenar a respected writer folklorist photographer and filmmaker began a conversation with Oliver about the unfinished book on Texas blues Subsequently Oliver invited Govenar to assist him and when Oliver became ill Govenar enlisted folklorist and ethnomusicologist Kip Lornell to help him contextualize and document the existing manuscript for publication *The Blues Come to Texas* Paul Oliver and Mack McCormick's Unfinished Book presents an unparalleled view into the minds and methods of two pioneering blues scholars

[The ^AEncyclopedia of Country Music](#) Michael McCall, John Rumble, Paul Kingsbury, 2012-02-01 The Encyclopedia of Country Music is the most comprehensive reference work on this musical genre with deep roots in American history Compiled by staff of the legendary Country Music Hall of Fame and Museum the Encyclopedia includes 1 200 A Z entries on all aspects of country music as well as hundreds of images informative and entertaining essays on such topics as the colorful costumes of country and much more The new edition has been thoroughly updated to cover the first decade of the twenty first century and the evolution of the genre

The History of Texas Music Gary Hartman, 2008 The richly diverse ethnic heritage of the Lone Star State has brought to the Southwest a remarkable array of rhythms instruments and musical styles that have blended here in unique ways and in turn have helped shape the music of the nation and the world Historian Gary Hartman writes knowingly and lovingly of the Lone Star State's musical traditions In the first thorough survey of the vast and complex cultural mosaic that has produced what we know today as Texas music he paints a broad panoramic view offers analysis of the origins of and influences on specific genres profiles key musicians and provides guidance to additional sources for further information A musician himself Hartman

draws on both academic and non academic sources to give a more complete understanding of the state s remarkable musical heritage He combines scholarly training in music history and ethnic community studies with his first hand knowledge of how important music is as a cultural medium through which human beings communicate information ideas emotions values and beliefs and bond together as friends families and communities The History of Texas Music incorporates a selection of well chosen photographs of both prominent and less well known artists and describes not only the ethnic origins of much of Texas music but also the cross pollination among various genres Today the music of Texas which includes Native American music gospel blues ragtime swing jazz rhythm and blues conjunto Tejano cajun zydeco western swing honky tonk polkas schottisches rock roll rap hip hop and more reflects the unique cultural dynamics of the Southwest Jacket **Rock N Roll Gold Rush** Maury Dean,2003 An appreciation of Rock n Roll song by song from its roots and its inspriations to its divergent recent trends A work of rough genius DeanOCO's attempt to make connections though time and across genres is laudable

Prairie Nights to Neon Lights Joe Carr,Alan Munde,1997 From the regional bands of the 1930s and 1940s to the impact of Elvis Presley on the musicians and singers of the 1950s Prairie Nights to Neon Lights takes us inside the heart of West Texas music
