College Guide for Performing Arts Majors Carole J. Everett, Peterson's, 2009-09-14 Describes graduate programs in art dance music and theater and lists undergraduate programs **Sustainable Futures for Music Cultures** Huib Schippers, Catherine Grant, 2016-10-03 The sustainability of music and other intangible expressions of culture has been high on the agenda of scholars governments and NGOs in recent years However there is a striking lack of systematic research into what exactly affects sustainability across music cultures By analyzing case studies of nine highly diverse music cultures against a single framework that identifies key factors in music sustainability Sustainable Futures for Music Cultures offers an understanding of both the challenges and the dynamics of music sustainability in the contemporary global environment and breathes new life into the previously discredited realm of comparative musicology from an emphatically non Eurocentric perspective **The Oxford Handbook of Assessment Policy and Practice in Music Education, Volume 2** Timothy Brophy, 2019-01-02 In the music classroom instructors who hope to receive aid are required to provide data on their classroom programs Due to the lack of reliable valid large scale assessments of student achievement in music however music educators in schools that accept funds face a considerable challenge in finding a way to measure student learning in their classrooms From Australia to Taiwan to the Netherlands music teachers experience similar struggles in the quest for a definitive assessment resource that can be used by both music educators and researchers In this two volume Handbook contributors from across the globe come together to provide an authority on the assessment measurement and evaluation of student learning in music The Handbook's first volume emphasizes international and theoretical perspectives on music

education assessment in the major world regions This volume also looks at technical aspects of measurement in music and outlines situations where theoretical foundations can be applied to the development of tests in music The Handbook's second volume offers a series of practical and US focused approaches to music education assessment Chapters address assessment in different types of US classrooms how to assess specific skills or requirements and how assessment can be used in tertiary and music teacher education classrooms Together both volumes of The Oxford Handbook of Assessment in Music Education pave the way forward for music educators and researchers in the field

A Rhythm a Week for Band Anne C. Witt, Dr Anne Witt has developed an effective tool to encourage the mastery of common rhythms for today's band student Based on Igor Hudadoff's *A Rhythm a Day* Witt's method targets the specific rhythmic problems and focuses on learning isolated rhythmic examples with 52 rhythm units in unison using major and minor scales No band musician's folder should be without this invaluable resource
