Directory of Text Retrieval Software Joanna Wood,Caroline Moore,1993 **Information Sources in Information Technology** David Haynes,2013-02-07 The aim of each volume of this series Guides to Information Sources is to reduce the time which needs to be spent on patient searching and to recommend the best starting point and sources most likely to yield the desired information The criteria for selection provide a way into a subject to those new to the field and assists in identifying major new or possibly unexplored sources to those who already have some acquaintance with it The series attempts to achieve evaluation through a careful selection of sources and through the comments provided on those sources

Information Management Technology Paul F. Burton,J. Howard Petrie,2013-11-11 Once again the wide ranging and rapid developments in microcomputer technology of the last few years have meant that a detailed revision of The librarian s guide to microcomputers for information management was required if it was to fulfil its objectives of providing a single source of information on the process of automating with a microcomputer For this new edition we have taken into account not only the developments in hardware but also the growing sophistication and power of software and the growing sophistication of library and information service managers The latter are more and more familiar with the use or at least the principles of microcomputers and it no longer seems necessary to spell out certain details We have where relevant indicated sources of more detailed information particularly of practical applications and so we hope that the changes we have made will ensure that this book remains of value to practitioner and student alike ACKNOWLEDGEMENTS We remain as always grateful to those who have written or spoken about their experiences with microcomputers and have described applications We would also like to thank the referees who commented of the book and provided useful suggestions and on a first draft amendments Mandy and Lindsey once again patiently accepted our absence during the writing of this edition Database
