

Hall of Two Truths

- This was the test that allowed a person to pass fully into the Afterlife.
- It consisted of weighing the person's heart (this was the only organ left in the body).
- The heart was placed on one side of a balance scale and on the other was placed the Feather of Truth.
- The Feather of Truth held all of the person's lies and sins from their life.
- Osiris, Anubis, and Toth were the three great gods who gave the results of the test.
