Putting Their Hands on Race Danielle T. Phillips-Cunningham, 2020 Putting Their Hands on Race is an intersectional and comparative labor history of southern African American and Irish immigrant women who labored as domestic workers after migrating to northeastern cities during the nineteenth and twentieth centuries The Civilization of the Old South Clement Eaton, 2021-12-14 Exhibiting a clear straightforward style his many works are marked by a comprehensiveness and a catholicity of view There is hardly an element of southern thought or society hardly a major movement of any kind or an event of any significance that has escaped his penetrating thought and discerning analysis This volume of Eaton s selected writings forms a rich and provocative mosaic of southern life from the years of Thomas Jefferson to the close of the Civil War These selections perceptively edited by Albert D Kinvan show the wide range of Eaton s interests including the impact of slavery the influence of religion and the art of politics and they demonstrate the depth of his insight into the civilization of the Old South The Archaeological Journal , 1863 **The Southern Workman** , 1900 *Reports of Cases Heard and Determined by the Supreme Court of South Carolina* South Carolina.
