explosive as it is impossible to set down When thirty five year old litigator Hunter Lee decides to turn his back on the rat race that has made him rich but cost him his marriage he takes the advice of his brother and goes to Montana There he joins the elite Smoke Jumpers marines of the firefighting world who parachute out of C 5 airplanes to contain the worst forest fires of the remote west But escape from the ugly side of human nature is hardly what he finds when word reaches him of a small town s little secret involving arson and the reckless quest for profits at the expense of lives As Hunter follows his instincts rural Montana becomes a crucible where good and evil collide and where one man running from his past takes on the Herculean task of exposing the guilty while saving himself and those he cares about most from the biggest foe he has ever faced

*Hell Gate* Michael Nichols, 2018-09-10 Depicts a man s exploration of the landscape history and toponymy of Hell Gate a notorious stretch of water in New York City s East River Part history and part memoir Hell Gate tells of a man s excursions along and through Hell Gate a narrow stretch of water in New York City s East River notorious for dangerous currents shipwrecks and its melancholic islands and rocks Drawn to the area by his fascination with its name from the Dutch Hellegat translated into English as both bright passage and hellhole what begins as a set of casual walks for Michael Nichols becomes an exploration of landscape and history as he traces these idyllic and hellish images in an attempt to discover Hell Gate s hidden character and the meaning of its elusive name Using a loosely constructed set of sketches organized as a kind of tour along the edge of the river and then from a rowboat in the river Nichols describes scenes and events as they present themselves mixing history and lore with contemporary scenes Hell Gate is a great historical underpinning of colonial culture as well as a sound landscape metaphor for America in all ages and one that is vastly under covered This book is passionately written and deeply researched Mike Freeman author of *Drifting Two Weeks on the Hudson* [The Frontier](#) , 1926
