Teachings of Silver Birch Silver Birch (Spirit),1998 **TEACHINGS OF SILVER BIRCH** Silver Birch,2013-07-30 Yes it is necessary to keep on spreading the teachings of Spiritualism even in Italy Throughout the centuries Spiritualism has always been hindered yet with different definitions from the one we use today it is the oldest movement known in the world it is always the same force of the Spirit that is in operation The philosophy of teachings like the ones you will find in this book reveals a true knowledge of the concept of God one that does not need intermediaries like churches or theology It reveals the bond of mediumship with God it brings back to us the instruments we need to reason on religiosity The demonstration mediumship gives us that life is eternal that the spirit and the soul are immortal has the purpose of bringing us back to the authentic knowledge of God as Jesus already did But Jesus Christ s teaching has been lost in many of its aspects by churches and by theology themselves The teachings of Spiritualism lead us to understand why each form of mediumship is a sacred gift at God s service always whose purpose is not only to prove us that life is eternal but also to make us aware that everything is in communion with God we are all part of the infinite Spirit of God The book is available with English text and Italian translation Silver Birch Companion Silver Birch (Spirit),Tony Ortzen,1999-12-01 Philosophy of Silver Birch Silver Birch (Spirit),Maurice Barbanell,1969 Guidance from Silver Birch Silver Birch,1966 **A Voice in the Wilderness** Silver Birch (Spirit),Tony Ortzen,1986 *Guidance from Silver Birch* Birch Silver (pseud.),1971 *Spirit Speaks* Michael Mayo,2022-12-08 Discover How and Why Evidential Mediumship Works Join world renowned medium Michael Mayo on a step by step journey through the mechanics of spirit communication where you will learn to sense the subtle energy around you and promote healing in yourself and others With Michael s practical approach to evidence based mediumship you can build a reliable connection to the spirit world and develop the authentic abilities that have always been within you Covering everything you need to cultivate effective mediumship skills Spirit Speaks features lessons in developing a relationship with spirit guides recognizing spirit people by their essence finding quality evidence during a reading and troubleshooting problems that may arise You will also explore the history of mediumship ponder ethical considerations dispel common myths and gain a deeper understanding of grief This book helps you connect with who you truly are and live more meaningfully

AB Bookman's Weekly ,1994 **Redefining Shamanisms** David Gordon Wilson,2013-01-31 Spiritualism and mediumship are often regarded as the product of lingering superstition in the Victorian era and as having limited relevance in modern Anglo American society Scholarship to date which has considered Spiritualism as a distinct religious tradition has focussed on analysing the phenomenon in terms of spirit possession only This volume analyses the development of shamanism communication with the spiritual world as a concept within North American English speaking scholarship with particular focus on Mircea Eliade s influential cross cultural presentation of shamanism By re examining the work of Sergei Shirokogoroff one of Eliade s principal sources the traditional Evenki shamanic apprenticeship is compared and identified

with the new Spiritualist apprenticeship The author demonstrates that Spiritualism is best understood as a traditional shamanism as distinct from contemporary appropriations or neo shamanisms He argues that shamanism is the outcome of an apprenticeship in the management of psychic experiences and which follows the same pattern as that of the apprentice medium In doing so the author offers fresh insights into the mechanisms that are key to sustaining mediumship as a social institution

Hope Street Pamela Young, 2011-01-20 This is the story of a family which has always lived in the heart of one of the traditional working class communities of the North Originally immigrants from Ireland in the mid nineteenth century their saga their triumphs and tragedies unfolded in the cobbled streets working men s cottages and terraced houses of Horwich near Manchester They worked in the cotton mills and on the railways Like most families at the time they were good socialists and trade unionists They also attended the local Spiritualist church Spiritualism was free thinking modern and progressive too and went hand in hand with socialism The family living on Hope Street North had problems every family has and worse Marriages broke up and they had more than their fair share of loss and heartbreak Within the working class in those days there were many now forgotten class distinctions which caused painful rifts between the family There was a violent bully too and an eviction which left a mother and her children wandering the streets penniless and homeless A young girl was run over and killed by a horse and cart and another died of diphtheria An unmarried woman bound her abdomen tightly to disguise her pregnancy and as a result her child was born with deformed legs As a young woman that child went on to elope with her lover and they both committed suicide She died as she was born in shame The book that would become *Hope Street* started when Pamela Young felt compelled to write about her mother s childhood of seeing things spirits angels that other people couldn t see Vivid memories of their family life came flooding back coal dusk glistening on her father s scalp as he came home from work the old army coats used as bedding and the dresser with doors missing because they d been chopped up as firewood when times were hard And swirling in and around these very vivid often earthy memories of life in Hope Street were memories of the extraordinary spiritual phenomena that took place there On one occasion a silver ball sped around the room On another her father asking for proof was picked up by a spirit guide and lifted up into the air as light as a feather Pamela would once see her mother engulfed in a cloud of ectoplasm and twice her mother gradually and starting from her head down disappeared before her eyes But it was after her own marriage had broken up and her mother had died when Pamela was in the depths of despair that she found her own spiritual gift Guided by the spirit of her mother she began to fully understand the great project her mother had initiated

Life Before Death Colin Fry, 2012-04-24 As Britain s leading psychic medium perhaps it s not surprising that more than 200 000 people buy tickets every year to see Colin Fry s theatre tour up and down the country and in New Zealand It s also not surprising that his top rating TV show *Sixth Sense* is now in its 7th series and continues to hold an average of 100 000 viewers per month With such an enormous fan base there is

therefore huge interest in Colin Fry's first book *Life Before Death* A compelling read full of extraordinary stories from his life and work it also investigates a theme which comes up time and again in his conversations with people who come to him for readings how do you make the most of your time in this world Colin Fry has a gift for being able to receive messages from souls in the spirit world Remarkable and fascinating as this is he feels strongly that the messages he receives should be used to help us maximise our life's potential *Life Before Death* explains how he was able to develop his gift and what being a psychic medium actually means But it also gives advice on how to make better connections with your friends and family how to be open to new things in life how to both forgive and give more readily and how to accept all that happens to you

Spiritualism and Society (Routledge Revivals) G. K. Nelson, 2013-10-18 First published in 1969 this title explores the origins of Spiritualism as a religious movement The first part is a history of Spiritualism with a focus on its origins within America and the development of the organisation within itself Next Nelson considers the rise of Spiritualism in Britain using evidence taken from contemporary journals other publications and interviews Finally the Spiritualist movement is analysed in terms of sociological theory looking at the Church and the definition of a Cult as well as concepts of authority and leadership This is a fascinating work which will be of great interest to students researching the origins and development of the movement of Spiritualism and its relationship with society

Spectral Evidence N. Riley Heagerty, 2018-02-27 What you will read in *Spectral Evidence* Volume I are marvels literally psychic wonders of the world that may surpass belief but they are true documented and witnessed by individuals of unimpeachable character These are some of the greatest mediums from the astounding records of Historic Spiritualism compiled by historian N Riley Heagerty over many years From famous lawyers doctors and every walk of life and intellect these are the eye witness documents that for the most part have been swept under the carpet of prejudice and denial but now have been resurrected so that humanity can know once and for all the glorious beauty and drama of what true mediumship produced within the heyday of Spiritualism If you believe in the written word this is positive proof of life after death and communication by spirits Fasten your psychic safety belt

Carroll, 2013-08-01 When I finished reading this book all I could say was WOW What a stunning piece of literary work It is concise brilliantly written backed by scientific findings with clear human logic and intelligence If this doesn't awaken the masses to delve into who and what they truly are I can't imagine what will Jerry Issa teacher of metaphysics Trenton Michigan This book will change your life if you let it If we are accidental beings on a remote planet in a vast universe existing for merely a blip in cosmic time what's the point of living at all Until we learn life is too significant to be a short lived brilliance that rises out of nothing and ends in nothing we will continue to live out our lives in what Thoreau saw as quiet desperation We sense the materialistic wall when we ask the question Is that all there is Without resorting to miracles or

magic this book provides compelling evidence of life beyond the physical world by logically investigating the limitations of matter in the universe by examining the gaps in scientific theories and by analyzing what the mystics already know about a spiritual existence It takes a dedicated seeker with no preconceived ideas and no intent on arriving to see beyond the materialistic wall This book is intended to expand your awareness of life here and hereafter hopefully providing the spark that will start you on your own personal pilgrimage The mystics tell us we will be guided to the next step along our spiritual path when we are ready Are you ready AWARENESS The following might be the thoughts of those at different levels of awareness as they walk through a rose garden I want I wonder how much I could get for these roses I believe God created roses when He created the world and everything in it I doubt Roses evolved from wild flowering shrubs but most garden varieties are hybrids I seek How could anything as beautiful as a rose happen purely by chance I know Roses like all life on Earth are physical manifestations of spirit
