The Heart of the Matter Douglas Westveer, Sandra Jordan, 2009-08-01 If you're browsing through The Heart of the Matter the threat of cardiac disease is lurking in your mind and with good reason Although national programs to contain this killer are highly successful and ahead of schedule heart disease remains highly prevalent and deadly Medical research during the last 15 years has successfully defined many treatment strategies that work and many that don't Your task is not to understand this mountain of information but to know the critical questions to ask your doctor when you are in trouble The Heart of the Matter will highlight for you the right questions to ask after your heart attack or if you're afflicted by hypertension high cholesterol or heart failure Before you need a pacemaker defibrillator heart surgery or angioplasty the right questions need to be asked and you'll find out why they're important Take advantage of all of the recent research and years of clinical experience by the authors in managing heart disease

The Heart of the Matter Dr. Darren R. Weissman, Cate Montana, 2013-09-02 How do we access the authentic self in order to live fulfilling meaningful lives In straightforward terms The Heart of the Matter Gifts in Strange Wrapping Paper explains a simple but extraordinarily powerful technique called the See Feel Hear Challenge that enables people to easily gain entry into the storehouse of their subconscious core beliefs In the process it cracks the coded messages that those beliefs release in the form of disease suffering addictions unhappy relationships and victimized circumstances Based in the latest findings in neuroscience and neurocardiology this book guides readers to an uncomplicated understanding of the astounding power of our emotions and how life automatically delivers experiences that trigger negative reactions that subconsciously impact us These emotions form the foundation of core beliefs that create unhealthy attitudes and disease patterns that keep us from experiencing the authentic satisfying lives we desire Using clear examples and true stories from clients Dr Weissman's latest work demonstrates how we can release these stored emotions and their wisdom via the See Feel Hear Challenge It then explains how to use this simple method to evoke feelings that positively impact the quantum field remodeling our bodies minds and everyday lives into purposeful expressions of inner joy and radiant well-being Whether you're dealing with addictions dysfunctional relationships or illness or are focused on becoming an Olympic champion The Heart of the Matter gives you a potent tool for positive change and transformation that you can use for the rest of your life

The Heart of the Matter Bob Edwards, 2002-07-24 Psychiatrist and Holocaust survivor Viktor Frankl said Man's search for meaning is the primary motivation in his life Yet some contemporary voices claim that increased knowledge of the material world must diminish our sense of meaning Physicist Steven Weinberg said The more the universe seems comprehensible the more it also seems pointless Many people hold the material and meaningful perspectives separate in their minds in a state of uneasy truce The

Heart of the Matter A Case for Meaning in a Material World tells us that this split vision is not necessary and shows us how the two views can be harmonized to give depth to our picture of the world It looks at current scientific observations from astronomy biology and physics as well as insights from mathematics philosophy psychology and religion We are left with a sense of wonder at both the mechanics and the values of the world the how and the why of events This book will appeal to everyone fascinated by how our world works and especially to those who wonder how such marvelous mechanisms can leave room for the values and purpose that give meaning to our lives and to our world **The Heart of the Matter** Peter

Pugh,2015-09-17 Papworth Hospital in Cambridgeshire founded in 1916 to tackle the great killer disease of tuberculosis is famous for carrying out the UK s first heart transplant operation in 1979 It followed this up not only with many other heart transplants but also with the UK s first heart and lung operation in 1984 and the world s first heart lung and liver transplant in 1986 With unique access to Papworth s archives historian Peter Pugh here tells the story of this ground breaking hospital for the first time Alongside the background to that first UK heart transplant and the ethical controversies that surrounded it Pugh explores the opposition to heart operations in general Papworth s difficulties dealing with NHS authorities especially over funding and the discussions for over 50 years as to whether the hospital should move alongside Addenbrooke s hospital in Cambridge As an insight into the history of medicine and surgery in the UK as well as a story literally of life and death The Heart of the Matter will be compelling reading **The Matter of the Heart** Thomas Morris,2018-01-16 More than a litany

of medical advances it s the story of the gritty bloody and deadly experiences that underlie scientific progress Washington Post An eye opening and heroic story of pioneering heart surgeons structured around eleven operations For thousands of years the human heart remained the deepest of mysteries both home to the soul and an organ too complex to touch let alone operate on Then in the late nineteenth century medics began going where no one had dared go before The following decades saw the mysteries of the heart exposed thanks to pioneering surgeons brave patients and even sacrificial dogs In eleven landmark operations Thomas Morris tells us stories of triumph reckless bravery swaggering arrogance jealousy and rivalry and incredible ingenuity the trail blazing blue baby procedure that transformed wheezing infants into pink healthy children the first human heart transplant which made headline news around the globe And yet the heart still feels sacred just before the operation to fit one of the first artificial hearts the patient s wife asked the surgeon if he would still be able to love her The Matter of the Heart gives us a view over the surgeon s shoulder showing us the heart s inner workings and failings It describes both a human story and a history of risk taking that has ultimately saved millions of lives A thoroughly engaging history The Wall Street Journal Morris s expert guided tour of cardiac surgery and its quirky brilliant innovators covers a dazzling and dizzying array of procedures and hints at tantalizing prospects for future surprises Publishers Weekly starred review A well developed narrative with no end of heroes Kirkus Reviews Gripping John Crace The Guardian [The Heart of the Matter](#) Felicia Wade,2006-04 What is the legacy of health that we are leaving for our families and children The heart of

the matter is that we owe it to God to take care of the temple that He gave us Reading this book is just the beginning putting it into practice is the next step allowing God to change your heart and mind through to commit to health The Heart of the Matter Pasquale De Marco,2025-03-18 The Second World War was the deadliest conflict in human history resulting in the deaths of tens of millions of people It was a global war that spanned six continents and all of the world s oceans The war began in 1939 when Nazi Germany invaded Poland and it ended in 1945 with the defeat of Germany Italy and Japan This book provides a comprehensive overview of the Second World War from its origins to its aftermath It examines the political economic and social factors that led to the outbreak of war and it follows the conflict from its early battles to its bloody conclusion The book also considers the war s impact on the lives of ordinary people and it explores the ways in which it has shaped the world we live in today In this book you will learn about The rise of Adolf Hitler and the Nazi Party in Germany The invasion of Poland and the outbreak of war The major battles of the war including the Battle of Stalingrad the Battle of Britain and the Battle of the Bulge The Holocaust and other atrocities committed by the Nazis The Allied victory and the end of the war The legacy of the war and its impact on the world today This book is essential reading for anyone who wants to understand one of the most important events in human history It is a comprehensive and balanced account of the war and it is written in a clear and engaging style Whether you are a student a historian or simply someone who is interested in learning more about the Second World War this book is for you If you like this book write a review God's Finances-A Matter of the Heart J. Boudoin,2005-12 **At the Heart of the Matter** Dr. Eboni Ivory Green,2011-05-11 Caregivers have unique needs as they provide support and care for their loved ones At the Heart of the Matter ultimately enables caregivers to look at ways to better care for themselves and enhance their wellness while providing care for a loved one At the Heart of the Matter affords the caregiver an opportunity to personalize his or her caregiving journey based on their individual needs Special features included Famous quotes offering inspiration and hope to ease the turbulence often experienced during the complex matter of providing care for a sick or disabled loved one Points to ponder caregivers are guided through the spiritual journey as they are prompted to address questions at the end of each chapter Assessments to take a closer look at spiritual strengths find out what best interests individual caregivers and what strategies individuals feel most comfortable with when it comes to assisting a loved one or client Poems and interesting stories each chapter begins with a short story or poem which sets the tone for the spiritual journey and offers food for thought Concise chapters many caregivers do not have much free time The chapters in this book are concise so even caregivers with limited time have the opportunity to focus on how to continue to support a loved one while practicing the art of self care *The Heart of the Matter* Susan M.
