Sir Winston Churchill:

A Harmony of Interests Manfred Weidhorn, 1992 Manfred Weidhorn explores this emerging conservatism through consideration of different Churchillian interests such as domestic issues and the concept of imperial mission The most complex aspect of Churchill's conservatism is his ambivalence to war A closer reading of his utterances and of the observations of those about him suggests a definite and idiosyncratic love of war Clear too says Weidhorn is that violence was a means not an end for Churchill A man of peace Churchill's extremity in posing issues sometimes made peace elusive But in the crunch of 1940 his eccentricity or obsession became Western Civilization's salvation During his years in the wilderness Churchill wrote a huge biography of his ancestor the Duke of Marlborough Besides presenting the Duke a brilliant general much maligned for avarice and warmongering in a favorable way his work sheds an interesting light on the imminent World War II Artillery of Words Frederick Woods, 1992-04-02 An analysis of the writings of the iconic twentieth century statesman from the author of *Young Winston's Wars* Only a part time author Sir Winston Churchill wrote fifty books and over eight hundred feature articles He even received the Nobel Prize for Literature in 1953 Now Frederick Woods an internationally acknowledged expert in the field of Churchillian writings presents a full length appraisal of Churchill's literary output while putting the writings in the context of Churchill's public life Churchill's words were weapons argues Mr Woods written deliberately to win a battle whether that battle was over the future of India the fate of the freedom loving world the rehabilitation of renowned ancestors or his own fluctuating reputation In every case Churchill strove mightily to win and often presented his case with less objectivity than that expected of one popularly considered to be a major historian Artillery of Words is not only an illuminating and often witty analysis of Churchill's writings it is also an important and revealing contribution to Churchillian studies in general Praise for Frederick Woods's *A Bibliography of the Works of Sir Winston Churchill* Reveals a mastery of both research and presentation Martin Gilbert bestselling author of *Churchill A Life* **Sir Winston Churchill** Manfred Weidhorn, 1979 A Bibliography of the Works of Sir Winston Churchill, KG, OM, CH Frederick Woods, 1979 **Never Give In!** Winston S.
