## **Sir Walter Scott The Formative Years:**

**Sir Walter Scott: the Formative Years** Arthur Melville Clark, Sir Walter Scott, 1970     *Sir Walter Scott : the Formative Years* Ailsa McGown Clark, 1969     **Sir Walter Scott** Thomas Crawford, 1970     **The Biography Book** Daniel S.

Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Lives of the Great Romantics, Part II, Volume 3 John Mullan, Ralph Pite, Fiona Robertson, Jenny Wallace, 2020-04-02 In this second collection of biographical accounts of Romantic writers the characters of Keats Coleridge and Scott are recalled by their contemporaries offering insights into their lives and writings as well as into the art of 19th century biography

**Touched With Fire** Kay Redfield Jamison, 1996-10-18 The definitive work on the profound and surprising links between manic depression and creativity from the bestselling psychologist of bipolar disorders who wrote *An Unquiet Mind* One of the foremost psychologists in America Kay Jamison is plainly among the few who have a profound understanding of the relationship that exists between art and madness William Styron The anguished and volatile intensity associated with the artistic temperament was once thought to be a symptom of genius or eccentricity peculiar to artists writers and musicians Her work based on her study as a clinical psychologist and researcher in mood disorders reveals that many artists subject to exalted highs and despairing lows were in fact engaged in a struggle with clinically identifiable manic depressive illness Jamison presents proof of the biological foundations of this disease and applies what is known about the illness to the lives and works of some of the world s greatest artists including Lord Byron Vincent Van Gogh and Virginia Woolf

**Anglo-German Dramatic and Poetic Encounters** Michael Wood, Sandro Jung, 2019-06-27 Focusing on particular cases of Anglo German exchange in the period known as the Sattelzeit 1750 1850 this volume of essays explores how drama and poetry played a central role in the development of British and German literary cultures With increased numbers of people studying foreign languages engaging in translation work and traveling between Britain and Germany the eighteenth and nineteenth centuries gave rise to unprecedented opportunities for intercultural encounters and transnational dialogues While most research on Anglo German exchange has focused on the novel this volume seeks to reposition drama and poetry within discourses of national identity intercultural transfer and World Literature The essays in the collection cohere in affirming the significance of poetry and drama as literary forms that shaped German and British cultures in the period The essays also

consider the nuanced movement of texts and ideas across genres and cultures the formation and reception of poetic personae and the place of illustration in cross cultural textual exchange     Revolutions & Watersheds ,2022-02-28 The years between 1775 and 1815 constitute a crucial episode in the evolutionary history of Europe and America Between the start of the American Revolution with the first armed clashes between British regulars and American militiamen at Concord and Lexington and the closing act of the French Revolution with the eclipse of Napoleon s dreams of pan European glory on the battlefield of Waterloo America and Europe witnessed the rise and fall of radicalism which left virtually no aspect of public and private life untouched While the American colonies managed to wrench themselves away from their colonial parent and while France careered down the stormy rapids of its own Revolution Great Britain went through the turbulent process of redefining itself vis vis both these emerging nations and the world at large But the period 1775 to 1815 offers more than the two ideological Revolutions that determined the face of modern America and Europe feeding into and emanating from these Revolutions there were major watersheds in virtually all areas of cultural intellectual and political life varying from the rise of Romanticism to the birth of abolitionism and from the beginnings of modern feminism to the creation of modern nationhood and its enduring cultural stereotypes In this collection of interdisciplinary essays historians and literary critics from both sides of the Atlantic analyze a broad spectrum of the watersheds and faultlines that arose in this formative era of Euro American relations Individually the essays trace one or more of the transatlantic patterns of intellectual cultural or scientific cross pollination between the Old and the New World between pre and post Revolutionary modes and mores Collectively the essays argue that the many revolutions that produced the national ideologies identities and ideas of state of present day America and Europe did not merely play a role in national debates but that they very much belonged to an intricate network of transnational and more particularly transatlantic dialogues     *Loyalty and Identity* P. Monod,M. Pittock,D.

Szechi,2009-11-27 This collection of essays provides a series of fresh approaches to a fascinating subject Jacobitism The contributors focus on issues of identity and memory among Jacobites in Scotland Ireland England and Europe They examine Jacobitism as an integral aspect of culture and society in the British Isles and beyond during the century after 1688

Biographical Dictionary of Literary Influences John Powell,2000-10-30 Over the past two decades the process of cultural development and in particular the role of reading has been of growing interest but recent research has been episodic and idiosyncratic In this biographical dictionary research devoted specifically to the reading habits of 19th century individuals who shaped Western culture is brought together for the first time While giving prominent coverage to literary and political figures the volume s 270 entries also include musicians painters educators and explorers Each entry includes brief biographical information a concise summary of literary influences on the subject and clear direction for further research The book provides a practical tool for scholars wishing to trace the reading experience of important Western cultural figures Subjects were selected from the people most responsible for the cultural development of Europe Britain and the British

Empire and the Americas between 1800 and 1914 Although selective the sample of 270 figures is substantial enough to suggest broad cross cultural habits and effects enabling scholars to better understand the relationship between reading and culture In an introductory essay Powell explores the patterns and relationships that can be discerned from the entries The first of three anticipated volumes the book is an important step forward in researching the role of reading in cultural development

**Bardic Nationalism** Katherine M Trumpener, 2021-01-12 This magisterial work links the literary and intellectual history of England Scotland Ireland and Britain's overseas colonies during the late eighteenth and early nineteenth centuries to redraw our picture of the origins of cultural nationalism the lineages of the novel and the literary history of the English speaking world Katie Trumpener recovers and recontextualizes a vast body of fiction to describe the history of the novel during a period of formal experimentation and political engagement between its eighteenth century rise and its Victorian heyday During the late eighteenth century antiquaries in Ireland Scotland and Wales answered modernization and anglicization initiatives with nationalist arguments for cultural preservation Responding in particular to Enlightenment dismissals of Gaelic oral traditions they reconceived national and literary history under the sign of the bard Their pathbreaking models of national and literary history their new way of reading national landscapes and their debates about tradition and cultural transmission shaped a succession of new novelistic genres from Gothic and sentimental fiction to the national tale and the historical novel In Ireland and Scotland these genres were used to mount nationalist arguments for cultural specificity and against internal colonization Yet once exported throughout the nascent British empire they also formed the basis of the first colonial fiction of Canada Australia and British India used not only to attack imperialism but to justify the imperial project Literary forms intended to shore up national memory paradoxically become the means of buttressing imperial ideology and enforcing imperial amnesia

*The Mainstream Companion to Scottish Literature* Trevor Royle, 2012-01-06 The Mainstream Companion to Scottish Literature is the most comprehensive reference guide to Scotland's literature covering a period from the earliest times to the early 1990s It includes over 600 essays on the lives and works of the principal poets novelists dramatists critics and men and women of letters who have written in English Scots or Gaelic Thus as well as such major writers as Robert Henryson William Dunbar Gavin Douglas Allan Ramsay Robert Fergusson Robert Burns Walter Scott Robert Louis Stevenson and Hugh MacDiarmid the Companion also lists many minor writers whose work might otherwise have been overlooked in any survey of Scottish literature Also included here are entries on the lives of other more peripheral writers such as historians philosophers diarists and divines whose work has made a contribution to Scottish letters Other essays range over such general subjects as the principal work of major writers literary movements historical events the world of printing and publishing folklore journalism drama and Gaelic A feature of the book is the inclusion of the bibliography of each writer and reference to the major critical works This comprehensive guide is an essential tool for the serious student of Scottish literature as well as being an ideal guide and companion for the general

reader     **The Mirror of Literature, Amusement, and Instruction** Thomas Byerly, John Timbs, 1832     The Mirror of Literature, Amusement, and Instruction Thomas Byerley, John Timbs, 1832     **The American Annual Register for the Years ..., Or, the ... Year of American Independence** Joseph Blunt, 1835     The Mirror of Literature, Amusement, and Instruction , 1832 Containing original essays historical narratives biographical memoirs sketches of society topographical descriptions novels and tales anecdotes select extracts from new and expensive works the spirit of the public journals discoveries in the arts and sciences useful domestic hints etc etc etc     **Arabian Nights In English Literature** Peter Caracciolo, 1988-11-29     **THE AMERICAN ANNUAL REGISTER: FOR THE YEAR 1832-33** William Jackson, 1835, 1835  
**Scotland, Ireland, and the Romantic Aesthetic** David Duff, Catherine Jones, 2007 The book offers an exciting new map of the cultural geography of the Romantic era and establishes a dynamic methodology for future comparative work
