*Jihadism, Foreign Fighters and Radicalization in the EU* Inmaculada Marrero Rocha, Humberto Trujillo Mendoza, 2018-11-20 Jihadism Foreign Fighters and Radicalization in the EU addresses the organizational and strategic changes in terrorism in Europe as a result of urban jihadism and the influx of foreign fighters of European nationality or residence Examining the different types of responses to the treatment of radicalization and its consequences in the recruitment of young urban fighters and jihadists this book offers a framework for understanding the process of violent radicalization It critically analyses political and legal responses that have taken place within the European framework whilst also examining a series of functional responses from social and behavioural psychology This book then goes on to develop an explanatory model from an economic standpoint exploring the need to adapt the fight against the financing of terrorism to the changes in the sources of financing jihadist cells and foreign fighters Furthermore the volume draws on experience from the prison sector to assess the process of radicalization and the possibilities of intervention Taking an interdisciplinary approach this book will be of great interest to students of terrorism and counter terrorism radicalization European politics radical Islam and security studies

**Prisons, Terrorism and Extremism** Andrew Silke, 2014-02-18 This volume provides an overview of intervention and management strategies for dealing with terrorist and extremist offenders in prisons The management of terrorist and extremist prisoners has long been recognised as a difficult problem in prisons In most countries such offenders are relatively rare but when their numbers increase these prisoners can undermine the effectiveness and safety of the prison system At a global level there is an increasing recognition of the problem of militant jihadi extremists in prison and their ability to recruit new members among other prisoners The numbers of such prisoners are low but growing and as a result prisons are becoming centres of radicalisation indeed in some cases terrorist plots appear to have been based entirely on networks that were radicalised in prison This volume presents an expertly informed assessment of what we know about terrorists extremists and prison exploring the experience of a wide range of countries and of different political movements Drawing critical lessons from historical case studies the book examines critical issues around management strategies radicalisation and deradicalisation reform risk assessment as well as post release experiences The role that prisoners play in the conflicts beyond the jail walls is also examined with case studies illustrating how prisoners can play a critical role in bringing about a peace process or alternatively in sustaining or even escalating campaigns of violence Written by leading experts in the field this volume will be of much interest to students of terrorism counter terrorism criminology security studies and IR in general

Reforming the intelligence agencies is essential when a state transitions from authoritarianism to democracy. But what kinds of reforms matter how do we know when there has been transformation and how and where do authoritarian legacies persist? Sofia Tzamarelou conducts a comparative examination of three cases: the democratic transitions of Portugal, Greece and Spain during the 1970s. She draws important conclusions about how to ensure thorough reform and what happens when intelligence democratization is incomplete. She does this through the lens of five Security Sector Reform (SSR) indicators: Lustration, Control, Oversight, Collection, Recruitment and Civil Society. Although these three European countries started their transition around the same time, they present significantly different results. Legacies of the past and legacy personnel emerge as the main barriers to reform. Other important findings are the relationship between consumers and producers of intelligence and the role of civil society. The study is unique due to the source material used: the countries studied and its comparative framework for the study of intelligence democratization.

*Routledge Handbook of Law and Terrorism* Genevieve Lennon, Clive Walker, 2015-07-16. In the years since 9/11, counterterrorism law and policy has proliferated across the world. This handbook comprehensively surveys how the law has been deployed in all aspects of counterterrorism. It provides an authoritative and critical analysis of counterterrorism laws in domestic jurisdictions, taking a comparative approach to a range of jurisdictions, especially the UK, the US, Australia, Canada and Europe. The contributions to the book are written by experts in the field of terrorism law and policy, allowing for discussion of a wide range of regulatory responses and strategies of governance. The book is divided into four parts, reflective of established counterterrorism strategic approaches and covers key themes such as Policing and special powers, including surveillance, Criminal offences and court processes, Prevention of radicalisation and manifestations of extremism, Protective/preparative security, The penology of terrorism. In addressing counterterrorism laws across a broad range of topics and jurisdictions, the handbook will be of great interest and use to researchers, students and practitioners in criminal law, counterterrorism and security studies.

**A Dynamic Theory of Populism in Power** Julio F. Carrión, 2021-07-19. In *A Dynamic Theory of Populism in Power*, Julio F. Carrión examines the relationship between populism in power and democracy. He studies five Latin American populist presidencies and explains why and how democracy perished under four of them but survived in one. Carrión also develops a theory that accounts for changes in the balance of power between the executive, the legislature and the judiciary and distinguishes between unconstrained and contained populism in power. Al-Qaeda's Post-9/11 Devolution Anthony Celso, 2014-02-27. This examination of al-Qaeda's decline since the 9/11 attacks focuses on the terrorist organization's mutation and fragmentation. It looks at its partnership with the local and regional jihadist networks that played

a pivotal role in the Madrid London and Fort Hood attacks arguing that although initially successful such alliances actually unraveled following both anti terror policies and a growing rejection of violent jihadism in the Muslim world Challenging conventional theories about al Qaeda and homegrown terrorism the book claims that jihadist attacks are now organized by overlapping international and regional networks that have become frustrated in their inability to enforce regime change and their ideological goals The discussion spans the war on terror analyzing major post 9 11 attacks the failed jihadist struggle in Iraq al Qaeda s affiliates and the organization s future prospects after the death of Osama Bin Laden and the Arab Spring This assessment of the future of the jihadist struggle against Muslim governments and homegrown Islamic terrorism in the West will be an invaluable resource to anyone studying terrorism and Islamic extremism **Organised Criminal**

**Terrorism** Inmaculada Rocha,Francesco Seatzu,Katerina Akestoridi,2024-09-23 In this book contributors engage into the theoretical dialogue about the interplay between terrorism and organised crime Arguing in favour of its existence the authors of the book seek to define the phenomenon of organised criminal terrorism and examine the appropriateness of the international and regional legal frameworks on terrorism and organised crime to address this unitary criminal phenomenon The volume reveals similarities and differences between terrorism and organised crime that support views in favour of new international legal instruments and those that defend the current approach to combat organised criminal terrorism Contributors hope that the book will form the basis for a more informed discussion on the issue **One Wound for**

**Another** Claire Joysmith,Clara Lomas,2005 Democracy and Its Enemies in Europe Joanna Rak,Roman Bäcker,2025-03-11 This book analyses the evolving nature of democratic threats and identifies strategies necessary to safeguard democratic governance in an increasingly turbulent political environment It explores how democratic systems in Europe have faced and continue to face threats from various entities that exhibit essential characteristics of being enemies of democracy including fascism Nazism authoritarianism and modern forms of populism and external interference Through detailed case studies the book examines the tactics used by enemies of democracy to undermine the sovereignty of political nations from the rise of totalitarian regimes in the twentieth century to contemporary challenges like Russia s democratic decline and hybrid warfare tactics in Poland and Estonia It also highlights how certain democracies have successfully resisted these threats offering valuable lessons for protecting democratic values and institutions in today s world Going beyond historical analysis the book provides a comprehensive theoretical framework for understanding and categorising the enemies of democracy transforming the concept from a normative idea into a powerful analytical tool This book will be of key interest to scholars and students of European history and politics political theory democracy political systems political philosophy and comparative politics

**Root Causes of Suicide Terrorism** Ami Pedahzur,2006-09-27 The book offers different theoretical and methodological approaches to the understanding of the root causes of suicide attacks *Perceptions and Policy in Transatlantic Relations* Natividad Fernández Sola,Michael Smith,2009 In this book experts from both sides of the Atlantic examine the recent

tensions between Western Europe and the United States over such issues as transatlantic security policies towards terrorism and relations with Russia and the former Soviet Union against the broader background of perceptions and misperceptions in transatlantic relations Drawing on Professor Robert Jervis work Perceptions and Misperceptions in International Politics this book examines whether Jervis thesis has a new relevance given the current challenges in transatlantic relations Some of the issues examined include perceptions and misperceptions in general focusing on US foreign policy issues of decision making and implementation and issues of alliance management the capacity of the United States and the European Union to cooperate effectively within the broader transatlantic framework studies focusing on the alliance security dilemma and the transatlantic security community case studies of transatlantic relations in the war on terror and relations with Russia the present and future of the western alliance Providing a global and multilateral analysis from American and European perspectives and exploring fields of cooperation and competition Perceptions and Policy in Transatlantic Relations will be of strong interest to students of International Relations American politics and European politics

**La pandemia de COVID-19 y un nuevo orden mundial** Liliana Henao Kaffure,Pablo A. Pellegrini,Jesús Alberto Navas Sierra,Beatriz Eugenia Campillo Vélez,René Alonso Guerra Molina,Reynell Badillo Sarmiento,Javier Ernesto Ramírez Bullón,Eduardo J. Vior,César Niño,Alejandra del Rosario Guardiola,2021-07-16 Las consecuencias del coronavirus son de distinto orden En este libro se consideran algunas de las que afectan el orden mundial el cual tendrá diversos impactos en la pospandemia La pandemia de covid 19 no ha sido la primera ni tampoco ser la última en un mundo en el que la humanidad no ha sabido guardar la debida relación con la naturaleza y con el planeta Se ha reaccionado con interpretaciones variadas sobre el coronavirus algunas racionales y otras disparatadas que incorporan teorías lineales y hasta conspirativas Hay visiones que invitan a pensar en el futuro en derivas autoritarias innecesarias frente a las del respeto de las libertades individuales democráticas en un clima de generalización de sistemas de vigilancia y de tecnologías digitales de control lideradas por China pero utilizadas también por algunos Gobiernos en Occidente El comportamiento chino se ofrece como modelo para el mundo lo cual plantea disyuntivas para países latinoamericanos de alineamientos diferentes frente al nuevo poder y el alineamiento tradicional con Estados Unidos Este entorno ofrece la posibilidad de pensar en un régimen político mundial fundamentado en experiencias maquiavélicas pero sin descuidar el trasfondo político de un terrorismo siempre activo y vigente y de los fuertes cambios en el entorno geoeconómico con el acortamiento de las cadenas globales de valor en su espacialidad transcontinental

**Eurojihad** Angel Rabasa,Cheryl Benard,2015 Eurojihad examines the scope of Islamist extremism and terrorism and the sources of radicalization in Muslim communities in Europe

De-Radicalization in the Mediterranean Lorenzo Vidino,2018-07-20 In the past few years the MENA region witnessed a rise in jihadist extremism and radicalization as countries in the area were rocked by a series of deadly terrorist attacks As authorities responded to the threat it became clear that in order to effectively counter the phenomenon traditional repressive measures had to now be accompanied by

alternative methods of prevention rehabilitation and dissuasion How have different governments around the Mediterranean responded What sort of alternative measures have been taken How effective have these policies been What further steps can be taken to strengthen the response of the authorities These are just some of the key issues that this ISPI Report seeks to cover The experts in this volume illustrate the policies of contrast prevention and de radicalization that have been adopted by countries in the MENA region revealing emerging trends lessons learned and overviews of this security status

**Al-Qaeda's Revenge** Fernando Reinares,2017-01-17 In Al Qaeda s Revenge The 2004 Madrid Train Bombings Fernando Reinares tells the story of 3 11 the March 11 2004 bombings of commuter trains in Madrid which killed 192 people and injured more than 1 800 He examines the development of an al Qaeda conspiracy in Spain from the 1990s through the formation of the 3 11 bombing network beginning in March 2002 and discusses the preparations for and fallout from the attacks Reinares draws on judicial police and intelligence documents to which he had privileged access as well as on personal interviews with officials in Spain and elsewhere His full analysis links the Madrid bombings to al Qaeda s senior leadership and unveils connections between 3 11 and 9 11 Al Qaeda s Revenge Spain s counterpart to The 9 11 Commission Report was a bestseller in Spain *Governing Youth Politics in the Age of Surveillance* Maria Grasso,Judith Bessant,2018-02-06 Drawing on case studies from around the world contributors to this ground breaking book explore a major contemporary paradox on the one hand young people today are at the forefront of political campaigns promoting social rights and ethical ideas that challenge authoritarian orders and elite privileges On the other hand too many governments some claiming to be committed to liberal democratic values social inclusion and youth participation are engaged in repressing political activities that contest the status quo Contributors to this book explore how especially since 9 11 governments state agencies and other traditional power holders around the globe have reacted to political dissent authored by young people While the need to enhance youth political participation is promoted the cases in this book document how states are using everything from surveillance summary offences expulsion from universities gag laws and antiterrorism legislation and even imprisonment to repress certain forms of young people s political activism These responses diminish the public sphere and create civic spaces hostile to political participation by any citizen This book forms part of The Criminalization of Political Dissent series It documents and interprets the many ways contemporary governments and agencies now routinely use various techniques to repress and criminalise political dissent **Vulnerability and Resilience to Violent Extremism** Juline Beaujouan,Veronique Dudouet,Maja Halilovic-Pastuovic,Johanna-Maria Hülzer,Marie Kortam,Amjed Rasheed,2023-10-19 This book examines the actors that shape societal dynamics leading to or preventing violent extremism from taking roots in their communities including state representatives religious institutions and civil society actors The volume contributes to an emerging stream of research focusing on intra and inter group dynamics to explain the emergence and persistence of or resilience against violent extremism It utilises an actor centric approach

uncovering the landscape of actors that play relevant roles in shaping societal dynamics leading to or preventing violent extremism affecting their communities The analysis builds on new empirical evidence collected in Bosnia and Herzegovina Kosovo North Macedonia Serbia Iraq Lebanon and Tunisia This allows for an innovative comparative perspective on two regions in the European neighbourhood that are rarely studied together even though they seem to share common patterns of de radicalisation and violent extremism despite their distinct historical political and cultural trajectories and relations with the EU In both regions the book analyses the roles of and interactions between state political religious and civil society actors in shaping community vulnerability to and or resilience against violent extremism Different types of community leaders are equipped with varying levels of authority trust legitimacy and influence over community members As such the categories of actors analysed can play either detrimental or beneficial roles which makes vulnerability and resilience to violent extremism two sides of the same coin This volume will be of much interest to students of countering violent extremism terrorism political violence security studies and International Relations generally The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution CC BY 4 0 International license
