Tested Faith The Power Of Mind Over Cancer:

Tested Faith Yvonne L. Williams, 2001-02-14 A unique true story of the author's physical and psychological struggles and ultimate victory over three different cancers *Jet*, 2001-10-01 The weekly source of African American political and entertainment news *Cancer from Both Sides Now ... a Journey of Faith* Marcia L. Kiser, 2014-09-04 This book is a spiritual and clinical guide from a faith perspective It is designed to encourage anyone enduring cancer treatments and its debilitating side effects or anyone with a terminal illness to always maintain their faith in God's healing powers and know that there is always faith hope and love if we simply are patient look upward and seek God's divine guidance Mrs Kiser describes her rollercoaster ride as she experiences her cancer and radiation therapy Although she has her world torn inside out and upside down by fear and doubt she witnesses the healing power and strength that comes from slowing down in life taking one day at a time and listening to God as He speaks to us in many different ways to help us cope with our illness and find a road to recovery through a journey of faith Mrs Kiser's background in psychology counseling and courses in death and dying can inspire anyone to face the stages of dying as a normal human process and still find courage and victory in living each day to the fullest Mrs Kiser is more than qualified to offer this guidance because she is not only an oncology nurse with many years of experience but she is also a cancer patient herself who shares her own life experiences in the hope of inspiring others to a better and fuller quality of life despite the odds *Jet*, 2001 *Slaying the Cancer Giant with the Word of God* Rev. Dr. Diana Fields, 2012-09-19 I am a six year breast cancer survivor I am very happy about this fact because I was given an opportunity to write about that experience This is a chronological and personal testimony of my fight against this devastating disease This book strives to encourage and invite readers whether in perfect health or stricken by illness to trust God in all situations My journey with breast cancer was a test of my faith in God Through my own struggle I remind readers that life is going to be filled with difficult and sometimes life changing situations when our faith is tested At these crucial times it is our test to decide how we will respond Find out how I responded and then get ready to be introduced or re introduced to someone who cares about every situation you will encounter **Life and Poetic Emotions** LadyBlue 2000, 2011-07-28 I started writing many years ago At first it was just mental therapy for me My doctor very great psychologist told me that if I wrote my feelings down on paper that it would help me feel better and cope with what's bothering me in my head I suffered many horrors in my life and I needed a way cope and live a normal life Well my life isn't exactly normal as you will read And neither are some of my poems The question for me to ask is anyone's life really normal I wanted my life to be written so that the future generations of my family will know about me And will know of how I became the person that I ended up to be By accident I realized that I could write poems of many kinds A guarantee that you will laugh and sometimes cry and even learn from my poems Of how to love heal cope laugh cry live and get even through my poems Many of my friends online around the world give me subjects to write about To be their words for them to speak to others To help to Heal to dream reasons to live

and reasons to want to pray And reasons to not want to die I thought to myself that if Im going to be a writer that I dont want to let one subject to be untouched To speak out words that I feel need to be heard through my poems I want my book to be of help to others for whatever needs they have And I pray with my whole heart that you get something good out of what you are about to read And whether you believe it or not you will find in my book of something that you might need written in one or more of my poems And the life story is to help you know that your life is better than you may have thought In my poems there is something for everyone And that means you My e mail is written in my book if you would like to write me or even comment on my book Weather good or bad happy or sad I would like to know of how you feel *Touched by Cancer... Loved by God* Maybelline Hicks-Samuel,2025-03-20 Touched by Cancer Loved by God was written to address the shame and stigma associated with the disease of breast cancer Hopefully it will help empower women to deal with the disease of breast cancer in a more enlightening way Further it speaks to the fear surrounding the disease the psychological and sociological issues that impact women fear being a key component This book provides a great deal of information about the disease based on medical and scientific research backed by notable institutions and organizations It offers hope and encouragement to women living with this disease through testimonials about women living purposeful lives well into super senior hood The focus of this book is centric to the importance of mammogram screenings in order for early detection and proactive treatment Touched by Cancer Loved by God offers inspiration and a pathway for individuals to build faith when they find themselves in a dark place My story demonstrates how it s possible for women to emerge better and stronger after going through the ordeal of breast cancer It s my testimony of what God is capable of doing when we have faith and trust Him I have tried to speak with candor and remain optimistic by providing a window into my life that will give you a view of what to expect if you or someone you know is diagnosed with breast cancer a disease with many facets Cancer and the Bronze Serpent Lilian Tay NS,2019-07-09 Experience triumphs theory every time It is one thing to know of a certain subject on paper it is another to experience it in sharp pain and throbbing ache Lilian opens her heart and life as she relates the harrowing journey that she underwent Through the darkest moments of life she found that her Lord Jesus Christ was always present and comforting Faith stabilizes the emotions and feelings If you pursue why Lilian added the bronze serpent part to her experience and the title of the book you will be rewarded with an interesting parallelism where she found that God s promises always hold true like in the days of Moses and likewise in her own narrative All the way climaxing in the saving act of her Lord and Saviour Just as Moses lifted up the snake in the desert so the Son of Man must be lifted up that everyone who believes in Him may have eternal life John 3 14 15 Letting God take center stage remains uppermost in mind through all of what cancer throws at her His faithfulness is like an ever flowing stream a powerful encouragement for the reader who looks past the ordeal and seeks divine meaning through it all Dr Andrew Goh Management Consultant Honorary editor of Impact Magazine Founding elder of Riverlife Church Singapore **The Philosopher's Notebook** , *Victory over Cancer and Fear* Stephanie
