Testimony Talking Ourselves Into Being Christian:

Testimony Thomas G. Long, 2003-08-29 In this groundbreaking book Thomas G Long a theologian and respected authority on preaching explores how Christians talk when they are not in church Testimony breaks the stained glass image of religious language to show how ordinary talking in our everyday lives talk across the backyard fence talk with our kids talk about politics and the events of the day can be sacred speech In a world of spin slick marketing mindless chatter and easy deceptions Testimony shows that the hunger for truthful meaningful and compassionate speech is ultimately grounded in truth about God *Study Guide for Testimony* Don C. Richter, 2004 Testimony: Talking Ourselves Into Being Christian-On ORDER GIFT. Thomas G. Long, 2004 **Envisioning the Congregation, Practicing the Gospel** John W. Stewart, 2015-08-06 Reflecting a wealth of ministerial experience this accessible and instructive book is designed to equip lay leaders and pastors of Protestant churches to better envision and practice gospel driven ministry amid the challenges of our twenty first century context Especially addressing Baby Boomer and Gen X leaders seasoned pastor and practical theologian John Stewart presents and explains five biblically mandated foundational practices for being and nurturing the church belonging discipling witnessing serving and worshiping Stewart believes that these five practices are essential markers for congregations that seek to remain faithful to their risen Lord and he offers memorable examples of how specific churches are carrying them out well Church leaders of every generation will find in these pages much practical wisdom on how to enhance their congregational life and mission For any congregations wanting to remain faithful to their biblical heritage and mandate Stewart s *Envisioning the Congregation Practicing the Gospel* provides an excellent roadmap for doing what God calls the church to do *Embracing Disruptive Coherence* Kathleen T. Talvacchia, 2019-04-18 Does anyone need to come out anymore Queer theory has challenged the idea of coming out as problematic for its false binary and essentialized version of identity If gender is a socially constructed performativity then what does coming out mean At the same time we live in a society that still struggles with structures of power that define what is considered normal and sanctions those who transgress The intersectionality of gender with race class ethnicity nationality abilities religion age and other positional markers challenge a simplified belief that coming out is not necessary Therefore in the lived experience of many persons coming out still matters This book initiates a different theological conversation about coming out It argues that rather than the declaration of an identity category coming out can be understood as the erotic ethical practice of truth telling The formation of conscience and moral integrity embody the two pillars of this erotic practice Coming out understood as disruptive coherence is the erotic ethical practice of truth telling grounded in our deepest desires to be known authentically in community **Preaching from Memory to Hope** Thomas G. Long, 2009-03-19 In this compelling and hard hitting book respected preacher and teacher Thomas Long identifies and responds to what he sees as the most substantive theological forces and challenges facing preaching today The issues he says are fourfold the decline in the quality of narrative preaching

and the need for its reinvigoration the tendency of preachers to ignore God's action and presence in our midst the return of the church's old nemesis gnosticism albeit in a milder form evidenced in today's new spirituality and the absence of eschatology in the pulpit Long once again has his finger on the pulse of American preaching demonstrated by his creative responses to these challenges Whether he is calling for theologically smarter and more ethically discerning preaching providing a method of interpretation that will allow pastors to recover the emphasis on God in our midst or encouraging a kind of interfaith dialogue with gnosticism he demonstrates why he has long been considered one of the most thoughtful and intelligent preachers in America today *Lessons from Laodicea* Ross A. Lockhart, 2016-04-08 I'm rich and I don't need a thing bragged the early Christians in the big city of Laodicea The Apostle John however saw their affluence and arrogance through a theological lens He declared them to be bankrupt lukewarm Christians whom God would gladly gargle and spit out Today the mainline church in the West finds itself in a dominant culture of Laodicean affluence where even faith is a commodity to be consumed While the gospel spreads and thrives in the global South and East the Western mainline church looks longingly back at Christendom and forward in fear As Christians living in a North American culture that highly prizes the unholy Trinity of individualism consumerism and secularism we require a new kind of missional leadership to pray attention to what God is doing in the world around us This book names the challenges and promises inherent in partnering with the Holy Spirit in order to offer missional leadership in a culture of affluence It is about both living in Laodicea and leaving it behind We are no longer in a Babylonian captivity but a Laodicean one This work helps chart a course for Christians who long to let go of country club religion and instead belong to a community that helps equip missionary disciples resistant to the dominant culture and resplendent in the love of our triune God *Bearing Witness in Acts and Today* Troy M. Troftgruben, 2025-05-16 Many people have mixed reactions to conventional ideas of evangelism And yet in Scripture Jesus invites his followers to engage in faithful witness in the world In a society as complicated as ours where people have had many positive and negative experiences with Christianity what does constructive and faithful witness look like This book reengages the call of Jesus in Acts to bear witness faithfully The book explores how witness takes shape in Acts why that matters and what that might mean for today Each chapter focuses on Scripture passages from Acts examples of the early church engaged in witness and reflections on faithful witness today Nearly all Scripture passages appear in the Revised Common Lectionary for worship making them more familiar Each chapter concludes with discussion questions resources and suggestions These resources allow readers to engage in Scripture and reflection as individuals and as communities about faithful witness today *Bearing Witness in Acts and Today* invites readers into deeper engagement with the story of Acts the faithful witness of early church communities and the call of Jesus for today *Worship with Teenagers* Eric L. Mathis, 2022-02-15 This book addresses the vital role of public Christian worship in adolescent spiritual formation and shows how important youth ministry and worship ministry are to each other Despite numerous research projects books articles and

resources that have been published about teenagers and about worship in recent years the relationship between the two has been addressed only peripherally if not altogether overlooked Drawing on his extensive experience in worship ministry and youth ministry Eric Mathis offers insights into the worship practices of teenagers corrects common misperceptions about worship and critically examines four prominent worship models in current practice Mathis invites youth pastors worship leaders ministerial students and congregations to elevate the voices of young people in the worshipping community and enhance worship for all ages The book includes a foreword by Kenda Creasy Dean

Mission moves Malan Nel, 2021 This scholarly book is the final result of a team research project done by ten Practical Theologians from three denominations in the Reformed tradition in South Africa The authors posed the following research problem and question What would be the relationship if any between preaching and the liturgy of which it is a part and the development of missional congregations And secondly what kind of preaching and preacher would best serve even facilitate such a process of missional congregational development in preaching and worship

The Scattering Dwight Lee DuBois, 2015-11-05 Imagine being able to connect everything you do in life with God's dream of shalom Imagine all God's people seeing their family responsibilities work and community involvement as ministry Imagine congregations that equip and empower people for ministry not just in the church but in all they do Imagine leaders and members finding a renewed sense of joy purpose and vitality as they give themselves away for the sake of the Gospel Dwight DuBois not only imagines these life giving outcomes in fresh and powerful ways he shows readers how to create an environment that equips everyday saints to connect their faith with all of life Based on the real life struggles of pastors and members The Scattering lays bare our preoccupation with the health of the institution and offers powerful new language for the church as being both gathered and scattered This language breaks down unhelpful stereotypes and provides readers with hopeful and rewarding ways to interpret who we are and what we do as the church of Jesus Christ

Spiritual Companionship Angela H. Reed, Richard R. Osmer, Marcus G. Smucker, 2015-10-06 Among the smiling faces in church on Sunday mornings are those who long for deeper more genuine relationships within their local congregations active intentional relationships that nurture the soul and encourage personal encounters with God Drawing on decades of experience in spiritual direction congregational ministry and seminary teaching this book offers a clear and rich introduction to the theology and practice of spiritual companionship in the Protestant tradition The authors explore the topic in a biblically based and historically informed manner and give practical help for cultivating spiritual relationships in congregations and beyond using stories throughout to illustrate key ideas Discussion questions are included

Opening the Field of Practical Theology Kathleen A. Cahalan, Gordon S. Mikoski, 2014-04-10 Opening the Field of Practical Theology introduces students to practical theology through an examination of fifteen different approaches ranging from feminist to liberationist Roman Catholic to evangelical Asian American to Latino a After an introduction to the field of practical theology and its broad range of practice today the book features chapters written by

leading experts in the discipline Each chapter has an identical structure to facilitate comparison covering historical context key features and figures norms and sources of authority theory practice contexts interdisciplinary considerations areas of current and future research and suggested readings Opening the Field of Practical Theology is an ideal introduction to the field highlighting the diverse ways practical theology is engaged today Hearing Paul's Voice M. Eugene Boring, 2020-03-17 Exegetical soundings in Pauline texts illustrated by probes into 1 Thessalonians Romans Ephesians and the Pastorals Until we grasp the meaning of the text on its terms Scripture is little more than a sounding board echoing the religious interpretations readers all the while supposing this is what the Bible says Gene Boring offers those who preach and teach methods of understanding Scripture contextually in Hearing Paul's Voice He begins by placing the reader in the position of a first century believer demonstrating how such a reader would understand the church and the letter we now call 1 Thessalonians Our own culture combined with familiarity of the Bible and church life has conditioned us to suppose we already understand what the Thessalonian believer had to learn Hearing the Bible through ears of a Thessalonians opens up the possibility of hearing it afresh in our own time Boring also explores how Paul's message was interpreted and heard in later generations The theme throughout is coming within hearing distance of the text for those whose ears may have been numbed by cultural familiarity Hearing Paul's Voice combines careful and reverent critical historical study of the Bible assuming its results with theological perception and openness to hearing the Bible as Word of God Written with clarity and simplicity Boring illustrates the relevance of the biblical text and is ideal for preachers and teachers in the church who want to deepen their understanding of the canonical Pauline letters **Preaching Words** John S. McClure, 2007-01-02 John McClure's Preaching Words highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today's preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching Youthful Preaching Richard Voelz, 2016-01-21 What if adolescents aren't bored with preaching What if they have and are interacting with preaching in complex various ways that have escaped the attention of adult listeners and preachers What if their own preaching informed the ways adults think about Christian faith and theories practices of preaching While much recent discussion in preaching revolves around underrepresented groups the relationship between adolescent youth and preaching remains largely unexplored Youthful Preaching brings youth into contemporary conversations about preaching by listening to their voices and by advocating for communities of faith and practice to seek ways to reimagine renew and strengthen the relationships between youth adults and preaching *SCM Studyguide: Liturgy, 2nd Edition* Stephen Burns, 2018-09-07 The *SCM Studyguide Liturgy 2nd Edition* is an introduction to liturgy that considers the basic building blocks needed to grasp the subject area It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware This 2nd

edition of the popular Studyguide is fully revised updated and expanded The book takes account of new developments in scholarship engages with new contexts for liturgical celebration notably fresh expressions as part of a mixed economy of church encompasses recent revisions in liturgy and seeks to broaden the engagement beyond the British context to consider the wider global context

Pathways to the Waters of Grace David B. Batchelder, 2017-05-16 What if the church took with utmost seriousness that baptism is the gift of a new identity taking a lifetime to grow into And what if that identity includes God's call to a way of life made visible in how Jesus lived his This book is a response to these questions in relationship to the church's practice of baptizing children This book's underlying premise is that how the church helps parents prepare for baptism is vital to how the whole family lives its baptismal identity throughout life as well as to the renewal of churches themselves In the last several decades institutionalized Christianity has found itself renegotiating its relationship with a culture that often has churches on the defensive for practices that are little changed from an era now past and insufficient as a witness to life as Christ's disciple This book urges a reconsideration of what churches offer parents seeking baptism for a child offering a transformed vision of such a ministry as well as a practical guide for putting it in place in the life of churches Pastors educators and leaders will find a pathway to follow that promises to be life changing for all involved

The Church Made Strange for the Nations Paul G. Doerksen, Karl Koop, 2011-09-22 Christians have sometimes professed that the church ought to be in the world but not of it yet the meaning and significance of this conviction has continued to challenge and confound In the context of persecution Christians in the ancient world tended to distance themselves from the social and civic mainstream while in the medieval and early modern periods the church and secular authorities often worked in close relationship sharing the role of shaping society In a post Christendom era this latter arrangement has been heavily critiqued and largely dismantled but there is no consensus in Christian thought as to what the alternative should be The present collection of essays offers new perspectives on this subject matter drawing on sometimes widely disparate interlocutors ancient and modern biblical and secular Readers will find these essays challenging and thought provoking

The Witness of Preaching, Second Edition Thomas G. Long, 2005-10-20 This thorough and detailed revision of *The Witness of Preaching* is even clearer and more helpful than the first edition Long has updated the language expanded the key chapter on biblical exegesis and included more examples of sermon forms illustrations and conclusions He continues to critically engage the best thinkers in the field of homiletics bringing into the conversation both important new voices and the latest works of those who appeared in the first edition In addition he addresses some of the new forces at work such as the use of video clips and PowerPoint presentations in sermons

Testimony Talking Ourselves Into Being Christian Introduction

In today's digital age, the availability of Testimony Talking Ourselves Into Being Christian books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Testimony Talking Ourselves Into Being Christian books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Testimony Talking Ourselves Into Being Christian books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Testimony Talking Ourselves Into Being Christian versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Testimony Talking Ourselves Into Being Christian books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Testimony Talking Ourselves Into Being Christian books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project

Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Testimony Talking Ourselves Into Being Christian books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Testimony Talking Ourselves Into Being Christian books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Testimony Talking Ourselves Into Being Christian books and manuals for download and embark on your journey of knowledge?
