presentation Dr Steven H Blaustein uses his more than 50 years of experience as a clinician consultant and professor to logically guide the reader through the necessary steps involved in the documentation of a speech and language evaluation. From discussing the initial reason for the referral and case history to the final summary impressions and recommendations, each step of the writing process is clearly explained. Topics included in *Diagnostic Report Writing in Speech Language Pathology* include: speech sound production, oral peripheral examinations, issues of law, fairness and ethics, critical information for the approval of services and third party reimbursement, common report writing errors to avoid, images and tables to illustrate the process of documenting a speech and language evaluation. There is no one size fits all template for documenting an evaluation. *Diagnostic Report Writing in Speech Language Pathology: A Guide to Effective Communication* provides the reader with the skills and knowledge necessary to compile an effective professional report that meets the needs of patients, clients, students and outside stakeholders. Professional Writing in Speech-Language Pathology and Audiology, Fourth Edition Robert Goldfarb, Yula C. Serpanos, 2023-11-29. With many more exercises, writing samples and online resources. *Professional Writing in Speech Language Pathology and Audiology Fourth Edition* is an excellent resource for students of communication sciences and disorders. It is often used as a textbook for courses in professional writing, clinical methods and professional issues. Throughout the text, the authors use anecdotal material, self-help questions and humor to illustrate that learning to be a better professional writer does not require drudgery. The authors cover a spectrum of subjects related to professional writing, including rules of writing, review of grammar, spelling, punctuation, semantics and sentence structure, evidence-based writing and citing sources, ethics related to professional writing, writing diagnostic and clinical reports and writing for professional career advancement. New to the Fourth Edition: More exercises throughout the book; Incorporates APA 7th edition style; Reorganized for a greater flow of information; Combined the chapters on Evidence Based Writing and Ethics of Professional Writing; Combined the chapters on Referencing Resources and Internet Resources. Book now ends with chapter 8 on professional presentations. Expansion of English mechanics underlying syntax. Inclusion of the 2023 revised version of the ASHA Code of Ethics. Key Features: Exercises in each chapter; Numerous samples including Institutional Review Board Research Review Form, Authorization of Release of Information Form, Journal Article Critique, Diagnostic Reports and Protocol Worksheets, Therapy Goals and Progress Reports, Types of Professional Correspondence, Presentation Slides, Resumes, Disclaimer.
