Encyclopedia of Texas Nancy Capace, 2001-02-01 The Book of Texas Bays James B. Blackburn, Galveston Bay Conservation & Preservation Assn., 2015-01-07 In a dazzling tribute to the Texas coast conservationist and lawyer Jim Blackburn has teamed with photographer Jim Olive to give us the most intimate and important portrait yet of Texas bays and of those who work for their wise use and preservation While giving life and sustenance to plants animals and people the bays and estuaries of Texas have other stories to tell about freshwater inflows deep port construction disappearing oyster beds beach resorts industrial pollution and more At a certain point each story brings opposing forces into the courtroom for vigorous debates on the future of some of our most valuable and irreplaceable resources The Book of Texas Bays is a personal account of legal battles won and lost but it is also a fine work of natural history by someone who has a deep spiritual connection to the Texas coast and all it has to offer Jim Olive s stunning photographs present us with a dramatic perspective of our relationship with the Gulf and remind us of both the grandness and the fragility of our coastal treasures

Proceedings of the ... Annual Sessions of the Texas Bar Association Texas Bar Association, 1914 The 13th 21st include Rules for the courts of Texas *Blue Texas* Max Krochmal, 2016-10-07 This book is about the other Texas not the state known for its cowboy conservatism but a mid twentieth century hotbed of community organizing liberal politics and

civil rights activism Beginning in the 1930s Max Krochmal tells the story of the decades long struggle for democracy in Texas when African American Mexican American and white labor and community activists gradually came together to empower the state s marginalized minorities At the ballot box and in the streets these diverse activists demanded not only integration but economic justice labor rights and real political power for all Their efforts gave rise to the Democratic Coalition of the 1960s a militant multiracial alliance that would take on and eventually overthrow both Jim Crow and Juan Crow Using rare archival sources and original oral history interviews Krochmal reveals the often overlooked democratic foundations and liberal tradition of one of our nation s most conservative states Blue Texas remembers the many forgotten activists who by crossing racial lines and building coalitions democratized their cities and state to a degree that would have been unimaginable just a decade earlier and it shows why their story still matters today **Forever Texas** Mike Blakely, Mary Elizabeth

Border Renaissance John Morán González, 2010-01-01 The Texas Centennial of 1936 commemorated by statewide celebrations of independence from Mexico proved to be a powerful catalyst for the formation of a distinctly Mexican American identity Confronted by a media frenzy that vilified Mesquinos as the antithesis of Texan liberty Mexican Americans created literary responses that critiqued these racialized representations while forging a new bilingual bicultural community within the United States The development of a modern Tejana identity controversies surrounding bicultural nationalism and other conflictual aspects of the transformation from mexicano to Mexican American are explored in this study Capturing this fascinating aesthetic and political rebirth Border Renaissance presents innovative readings of important novels by María Elena Zamora O Shea Amrico Paredes and Jovita González In addition the previously overlooked literary texts by members of the League of United Latin American Citizens LULAC are given their first detailed consideration in this compelling work of intellectual and literary history Drawing on extensive archival research in the English and Spanish languages John Morán González revisits the 1930s as a crucial decade for the vibrant Mexican American reclamation of Texas history Border Renaissance pays tribute to this vital turning point in the Mexican American struggle for civil rights **Texas and the Mexican-American War** Fairfax Davis Downey, 2016-10-20 The Mexican American War established the reputation of Major General Zachary Taylor resulting in his election as president of the United States It also gave invaluable experience to young

American officers who would play leading parts in the Civil War among them Ulysses S Grant George H Thomas and George G Meade on the Union side and Robert E Lee Albert Sidney Johnston Joseph E Johnston and Thomas J Stonewall Jackson on the Confederate forces Here are the battles from the Alamo to San Jacinto that ultimately led to a U S victory and vast expansion of its territory Three Men in Texas Ronnie Dugger,2010-06-28 This book is a tribute to an incomparable triumvirate One was a naturalist one a historian and one a chronicler but each of them was each of these The manly love between them a handsome thing in times and places blighted by great ugliness and banality shone from them into their friends and contemporaries and they shared themselves freely with those younger than they who went to them wishing to learn from them Most of this collection of writing by friends of Roy Bedichek Walter Prescott Webb and J Frank Dobie originally appeared in special editions of the Texas Observer devoted to each of the three men Some pieces were however written expressly for this volume **When Texas Prison Scams Religion** Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

Texas School Journal ,1886 **As Texas Goes...: How the Lone Star State Hijacked the American Agenda** Gail Collins,2012-05-29 Discusses the conservative political agenda that began in Texas and how it became a national movement with far reaching social and economic consequences I Love Texas/I Hate Oklahoma Pete Davis,2012-09 Presented in a unique reversible book format this is the ultimate Texas Longhorns fan guide to the passionate and historic rivalry with the Oklahoma Sooners Full of interesting trivia hilarious history and inside scoops the book relates the fantastic stories of
