## **Texas Yankee Bullets For The Doctor:**

**Texas Yankee** Will Cook,1994-10-01 In Texas Yankee Dan Canby battles ruthless Yankee carpetbaggers in post Civil War Texas while in Bullets for the Doctor Walter Judson Ivy one of the few doctors in the Arizona Territory practices his own tough brand of medicine Original **Memorial and Biographical History of Dallas County, Texas** ,1892 A "Yankee" in the "Texas Army" Dennis A. Connole,2008 Dennis Joe Connole was an ordinary soldier He spent four years three months and seventeen days in the U S Army during World War II From March 1942 until December 1943 he was a member of the 26th Yankee Division on Coast Patrol duty in Maine In early 1944 Joe Connole shipped out to the European Theater of Operations ETO where he joined the 36th Texas Division as a replacement thus a Yankee in the Texas Army In June 1944 he received a Purple Heart for shrapnel wounds inflicted in Italy A History of Texas and Texans Frank White Johnson,1914 Confederate Veteran ,1894 **A History of Texas and Texans** Francis White Johnson,1914 **Rebel Private Front and Rear** William Andrew Fletcher,1954-06-01 Rebel Private Front and Rear is a line soldier s account of the Civil War without heroics Private Fletcher tells how at Gettysburg he was overcome by a bad case of cowardly horror when an order came on the third day to get ready to charge I tried to force manhood to the front but fright would drive it back with a shudder he confessed The attack of jitters lasted about fifteen minutes and then he fell asleep while awaiting the order to advance But Fletcher could be brave to a fault He was restless and venturesome and during the lulls between fighting would sometimes ask for permission to go on dangerous scouts into enemy territory Once just before Fredericksburg he slipped out to a haystack in the no man s land near the Rappahannock so that he could watch the Yankees build a bridge And in his last fight at Bentonville he risked his life on a rash and futile impulse to capture a whole squad of Federals At Second Manassas Fletcher was struck by a bullet that grazed his bowels and lodged in his hip His detailed description of his subsequent sensations and experiences is one of the most interesting portions of his narrative He begged the surgeons to operate but when they started cutting he howled so profanely that they threatened to abandon him His reply was It don t hurt as badly when I am cursing Wounded again at Chickamauga Fletcher was incapacitated for further infantry service and was transferred to Company E Eighth Texas Cavalry and served with Terry s Rangers until the end of the war In north Georgia he participated in a number of thrilling skirmishes with mounted forces of Sherman s command and in one of these encounters he lost his horse A short time later in a daring effort to capture a mount from the Yankees he was taken prisoner The story of the forming and execution of his plan to escape by jumping from a moving boxcar is full of suspense and excitement Rebel Private also reveals Fletcher as something of a philosopher The narrative is sprinkled with dissertations on unexpected subjects such as God justice and war He reflects on the rightness and the necessity of foraging in home as well as enemy territory but he tells with evident relish how he and his pard of the occasion pressed whiskey honey and chickens Fletcher set down his experiences some forty years after the close of the Civil War His story is told with the artlessness of the natural

raconteur Though the style is unpolished the memoir makes lively reading because of the author's eye for detail his straightforward language and his sense of humor One of the most frequently cited narratives written by soldiers of Lee's army it derives its value as a historical source mainly from Fletcher's honesty his close observations the richness and variety of his experiences and the sharpness of his memory     *Dr. Arthur Spohn* Jane Clements Monday, Frances Brannen Vick, 2018-09-12 In this first comprehensive biography of Dr Arthur Edward Spohn authors Jane Clements Monday Frances Brannen Vick and Charles W Monday Jr MD illuminate the remarkable nineteenth century story of a trailblazing physician who helped to modernize the practice of medicine in Texas Arthur Spohn was unusually innovative for the time and exceptionally dedicated to improving medical care Among his many surgical innovations was the development of a specialized tourniquet for bloodless operations that was later adopted as a field instrument by militaries throughout the world To this day he holds the world record for the removal of the largest tumor 328 pounds from a patient who fully recovered Recognizing the need for modern medical care in South Texas Spohn with the help of Alice King raised funds to open the first hospital in Corpus Christi Today his name and institutional legacy live on in the region through the Christus Spohn Health System the largest hospital system in South Texas This biography of a medical pioneer recreates for readers the medical regional and family worlds in which Spohn moved making it an important contribution not only to the history of South Texas but also to the history of modern medicine     Confederate Veteran , 1893     **Encyclopedia of Frontier and Western Fiction** Jon Tuska, Vicki Piekariski, 1983     **Twentieth-century Western Writers** Geoff Sadler, 1991 Contains alphabetically arranged entries that provide information about nearly five hundred twentieth century writers of Western fiction each featuring a biography a bibliography a signed critical essay and in some cases comments from the author Includes a title index     **AB Bookman's Weekly** , 1994     **The Quarterly of the Texas State Historical Association** Texas State Historical Association, 1903     **The Pecos Kid Book 5** Len Levinson, 2011-11-16 He killed before he could shoot kissed before he could love won before he could lose He was too green to live too lucky to die He was a natural born to be a legend Devil's Creek Massacre Cutthroat Comancheros wandering banditos the Mexican Army the Fourth Cavalry and Miss Vanessa Fontaine all want Duane Braddock who has the fastest gun in the West and much more than a price on his head But it is the Apaches who leave him for dead in the Coahuilian Desert Found by a ragtag outlaw band led by an ex Confederate soldier Braddock is brought back to the land of the living By the time he is well enough to run a greedy plan to seize half a million dollars of Army payroll is in place The dynamite is set the fuse is lit and the Pecos Kid has to pick kill or die

**Twentieth-century Western Writers** , 1982 Lists writers of western fiction with a biography a bibliography of the writer's works and a critical essay on each writer Sometimes comments by the author himself are included     **Walker's Texas Division, C.S.A.** Richard Lowe, 2006-04-01 Colorfully known as the Greyhound Division for its lean and speedy marches across thousands of miles in three states Major General John G Walker's infantry division in the Confederate army

was the largest body of Texans about 12 000 men at its formation to serve in the American Civil War From its creation in 1862 until its disbandment at the war s end Walker s unit remained uniquely for either side in the conflict a stable group of soldiers from a single state Richard Lowe s compelling saga shows how this collection of farm boys store clerks carpenters and lawyers became the trans Mississippi s most potent Confederate fighting unit from the vain attack at Milliken s Bend Louisiana in 1863 during Grant s Vicksburg Campaign to stellar performances at the battles of Mansfield Pleasant Hill and Jenkins Ferry that helped repel Nathaniel P Banks s Red River Campaign of 1864 Lowe s skillful blending of narrative drive and demographic profiling represents an innovative history of the period that is sure to set a new benchmark

**The Texas Tetrad , The Confederate Resurgence of 1864** William Marvel,2024-11-14 William Marvel s *The Confederate Resurgence of 1864* examines a dozen understudied Confederate and Union military operations carried out during the spring of 1864 that taken cumulatively greatly revived white southerners hopes for independence Among the pivotal moments during this period were the sinking of the USS Housatonic by the CSS Hunley Nathan Bedford Forrest s defeat of William Sooy Smith s cavalry raid and the Confederate army s victory at Olustee Florida The repulse of Union advances on Dalton Georgia botched Union raids on Richmond and the capture of the Union garrison in Plymouth North Carolina likewise suggested that the tide of fighting had turned toward the Confederate cause These events boosted the morale of southern troops and citizens and caused grave concerns about the war effort in the North and in the mind of Abraham Lincoln In late 1863 and early 1864 dejection and despair prevailed in the South Union soldiers had vanquished Robert E Lee at Gettysburg the Confederate nation had been cut in two Tennessee was lost and Braxton Bragg s army had been utterly routed at Chattanooga Defeatism loomed in the South during the first weeks of 1864 and the ease with which William T Sherman rampaged across Mississippi illustrated the dominance of Union forces while Confederates ineffectual assault on New Bern accentuated their weakness Yet between February 20 and April 30 southern troops enjoyed an unbroken string of successes that included turning back a concerted Union offensive during the Red River campaign as well as Forrest s triumphant incursions into Union City Paducah and Fort Pillow Aided by flawed strategy implemented by Union army officers the achievements of Confederate forces restored hope and confidence in camp and on the southern home front The Confederacy s battlefield successes during the early months of 1864 remained almost unnoticed by Civil War scholars until recently and have never been investigated in detail until now The victories invigorated southern combatants demonstrating how abruptly the most dismal military prospects could be reversed Without that experience Marvel argues the Confederates who faced Sherman and Grant in the spring of that year would certainly have displayed less ferocity and likely would have succumbed more quickly to the demoralization that ultimately led to the collapse of Confederate resistance

*Rebel Private: Front and Rear* William A. Fletcher,1997-03-01 The recent rediscovery of *Rebel Private* Front and Rear effectively lost for decades marks an authentic publishing event in the literature of the Civil War A rare insight into the conflict from the point of view of

a Confederate army enlisted man this compelling memoir has been hailed by historians as a classic and indispensable key to understanding the Southern perspective Margaret Mitchell even described it as her single most valuable source of research for *Gone With the Wind* This stunning document is the work of a common foot soldier blessed with extraordinary perception and articulateness After joining the famed Texas Brigade under Stonewall Jackson Private William A Fletcher saw action at Second Manassas Fredericksburg Gettysburg Chancellorsville and Chickamauga He was wounded several times and escaped from a moving Union prison train before the South's surrender In 1907 he published this powerfully evocative account of his exploits a volume of frank detailed recollections that spares none of the horror courage or absurdity of war But a fire destroyed all but a few copies before they could be distributed One copy however did make its way to the Library of Congress where it was eventually discovered Today this colorful work has become the voice of the Civil War front line grunt speaking to the modern reader with the intensity of personal experience and a vividness of detail that gives it a riveting you are there quality

*The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States*  
American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr
