**Texas in the Middle Eighteenth Century, Studies in Spanish Colonial History and Administration, by Herbert**  
**Eugene Bolton, ...**, 1915      *Texas in the Middle Eighteenth Century, Vol. 3* Herbert Eugene Bolton, 2017-10-13 Excerpt  
from *Texas in the Middle Eighteenth Century Vol 3 Studies in Spanish Colonial History and Administration* While the papers  
here published are historical in their treatment they contain much that should be of interest to the ethnologist and to the  
student of actual government in the Spanish provinces It is only through a detailed study of such episodes as those which are  
treated here that we shall be able to determine the true character of Spanish colonial government This consideration has led  
the writer to give full space to administrative as well as to narrative history In the same way since most of the subjects  
treated are to a large extent questions of Indian policy due attention has been given to matters of importance regarding the  
Indian situation The special studies here presented are based almost exclusively upon manuscript sources chiefly in the  
archives of Mexico Spain and Texas and for the most part hitherto unknown and unused The assembling of these materials  
during a period of thirteen years has been the greater part of my task My quest has been as romantic as the Search for the  
Golden Fleece I have burrowed in the dust of the archives of Church and State in Mexico City in a dozen Mexican state  
capitals in Natchitoches Louisiana and in numerous places in Texas The distance travelled in my pursuit of documents would  
carry me around the globe I have lived with the padres in ruinous old monasteries in out of the way villages in the mountains  
of Mexico I count among the treasures of my personal archive the letters of introduction from ambassadors secretaries of  
state and governors cardinals archbishops bishops friars and parish priests who have smoothed my way About the Publisher  
Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book  
is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the  
work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in

the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
