The Errors Of The Trinity:

The Errors of the Trinity Dennis A. Beard, 2003-06-13 Enzo began writing poetry at the age of 18 and he continued writing as he pursued different occupations and careers The poems are largely drawn from his own experiences and or observations Enzo rejects the notion of many modern poets who say that good poetry shouldn't rhyme and although some of his doesn't rhyme he insists that a rhyming poem shows that the words are put together in a much more painstaking way Prose is words in their best order Poetry is the best words in their best order Samuel Taylor Coleridge Topics range From Introspection I don't know what it is about me Sometimes I just want to be free To Extroversion You were destined to live with people nb **The Two Treatises of Servetus on the Trinity** Michael Serveto, 2013-05-08 [The Errors and Wrong](#)

[Opinions in the Churches Today](#) Alexander Okenwa, 2020-02-14 Ever since the dawn of time on earth human beings have been in the dark spiritually intellectually educationally and relationally The only cause for these general human handicaps on earth is our general ignorance of the Bible the only book with accurate records on nature existence ever written and given to all human beings on earth There is no doubt that the Bible alone holds the truths to all the lies in the world the solutions to all the problems in the world and the answers to all the questions that the whole world has been asking since the inception of time on earth The hour has come for the seeming encryptions of the Bible that have resisted for ages past all human efforts toward proper understanding to be uncovered This means then that all these lies that the world has had which has locked itself up with these many unsolved problems and unanswered questions will now be gone forever Thanks be to God who has come down to earth to explain for us human beings the book the Bible whose one and only Author is He In that case both the ever unsolved problems and the unanswered questions of all humanity will receive the solutions and the answers that it has longed for as these lies which are the errors and wrong opinions of the churches are being discovered and corrected Consequently we can then live up to God's mandate of subduing with correct knowledge the earth that is presently under the sway of Satan and his spirit allies and thus rescuing the world from the societal confusions that it is presently in today These are the goals this book and others in the offing are meant to achieve for us henceforth **The Two Treatises of Servetus**

on the Trinity Michael Servetus, 1932 **The Kingdom of Christ, and the Errors of Romanism** Richard Whately, 1847 **The Epic of Unitarianism** David B. Parke, 1957 This collection of writings spanning four hundred years provides a rich portrait of early Unitarian thought **Essays (third Series) on the Errors of Romanism** Richard Whately, 1850

Trinity Doctrine Error Gerald Sigal, 2006-03-15 Some trinitarians explain the Trinity doctrine by reference to the three main colors united in one rainbow Others explain how the understanding the conscience and the will blending together in one man illustrate the Trinity Still others compare the Trinity to three lit candles in one room blending into one light None of these illustrations satisfactorily offer an analogy of how three distinct almighty and eternal beings make one almighty and eternal being The absolute uni personality of God is the first principle of the Jewish Scriptures and the New Testament

Trinitarian Christians do not deny that there is one God but differ as to the absolute unity of God. They speak of the Godhead as a Trinity composed of the Father, the Son, and the Holy Spirit. Trinitarianism maintains that the term God includes not only the Father but Jesus and the Holy Spirit. Yet even the New Testament shows that Jesus was a person as distinct from God as the disciples were distinct from him. *Essays [third Series] on the Errors of Romanism Having Their Origin in Human Nature* Richard Whately, 1856

The Essential Writings of Philip Schaff Philip Schaff, 2023-12-16

Written in a lucid and engaging style, this compilation deftly navigates through the complexities of Christian doctrine, church history, and ecumenical dialogue. Schaff's nuanced exploration of 19th-century Christianity is set against the backdrop of the tumultuous socio-political changes of his time, marked by the rise of modern critical methods and a burgeoning interdenominational spirit. His ability to synthesize scholarly rigor with pastoral sensitivity makes this volume both an academic resource and a devotional guide, inviting readers to ponder the theological implications of a divided Christendom.

Philip Schaff (1819-1893), a Swiss-born theologian, was instrumental in shaping American Christianity through his extensive work in church history and ecumenism. A prominent figure in the movement towards ecclesiastical unity, Schaff's own background, rooted in the Reformed tradition yet open to various Christian perspectives, fueled his ambition to document and engage with ecclesiastical thought across confessional lines. His esteemed positions, including his role in founding the American Society of Church History, further highlight his commitment to bridging historical scholarship and contemporary faith.

The Essential Writings of Philip Schaff is highly recommended for theologians, historians, and lay readers alike, offering a foundational understanding of Christian heritage and thought. This compilation not only preserves Schaff's insights but also challenges contemporary believers to engage with the rich tapestry of their faith.
