Encyclopedia website Gershom Scholem David Biale, 1982 Through a lifetime of passionate scholarship Gershom Scholem

1897 1982 uncovered the domains of tradition hidden under the debris of centuries and made the history of Jewish mysticism and messianism comprehensible and relevant to current Jewish thought In this paperback edition of his definitive book on

Scholem's work David Biale has shortened and rearranged his study for the benefit of the general reader and the student A new introduction and new passages in the main text highlight the pluralistic character of Jewish theology as seen by Scholem the place of the Kabbalah in debates over Zionism versus assimilation and the interpretation of Kafka as a Jewish writer

Yale Companion to Jewish Writing and Thought in German Culture, 1096-1996 Sander L. Gilman, 1997-01-01 This work provides a history of Jewish writing and thought in the German speaking world Written by 118 scholars in the field the book is arranged chronologically moving from the 11th century to the present Throughout it depicts the contribution that Jewish writers have made to German culture and at the same time explores what it means to the other within that

mainstream culture **Religion Past & Present: A-Bhu** Hans Dieter Betz, 2007 Truly worldwide in its coverage this English version of the 4th edition of the RGG makes this gold standard of encyclopedias accessible to the English speaking world Taking into account the latest research developments it offers a wide ranging and multi denominational approach to all aspects of the study of religion and theology **Routledge Revivals: Medieval Jewish Civilization (2003)** Norman

Roth, 2017-07-05 First published in 2003 this is the first encyclopedic work to focus exclusively on medieval Jewish civilization from the fall of the Roman Empire to about 1492 Based on the research of an international multidisciplinary team of specialist contributors the more than 150 alphabetically organized entries written by scholars from around the world include biographies countries events social history and religious concepts The coverage is international presenting people culture and events from various countries in Europe Africa and the Middle East **The Christian Witch** Richard

Ravenbrook,2024-12-12 The concept of Christian Witchcraft often evokes strong reactions ranging from outright condemnation to fervent embrace This book aims to navigate this contentious landscape offering a scholarly and nuanced exploration of the intersection between Christianity magic and Jewish mysticism The commonly held belief that Christianity and magic are mutually exclusive is a misconception that this book seeks to challenge By examining the historical context of early Christianity specifically its origins within a world deeply imbued with magical practices and beliefs we will reveal the complex and often overlooked relationship between these seemingly opposing forces Our exploration will begin with the historical Jesus analyzing the accounts of his miracles not as supernatural events separate from the world but as actions that can be understood through the lens of the magical practices common in his time We will delve into the lives and teachings of the Magi whose influence on early Christianity is often underestimated and whose wisdom offers a key to understanding the early church s relationship with magic and the supernatural We will further contextualize early Christian attitudes toward magic within the broader Greco Roman world showing the prevailing belief systems and practices of that era and how the burgeoning Christian faith interacted with them

New Dimensions/cube of Space , Hidden in a secret book of cosmology written in the ancient Hebrew tongue long forgotten but not lost by mankind is a description of a mysterious cube formed from the twenty two letters of the Hebrew alphabet This cube of letters is constructed of a center three interior dimensions six faces and twelve edges These twenty two components form the cube and also reveal a map that clearly shows where we have come from where we are now and where we are going in our evolutionary journey toward complete spiritual awakening In *New Dimensions for the Cube of Space* David Allen Hulse explains that this cube of letters cannot reveal its deepest secrets until it is clothed in the cards of the tarot creating a map of the cosmos referred to as the Cube of Space Then and only then can this mystical cube speak directly to our souls and show us the way or the true path of initiation we all must eventually travel He presents a fascinating description of how he attained his insights along with a clear exposition of the Cube of Space as a path of initiation Hulse illustrates his insights using the original B O T A tarot deck designed by Paul Foster Case The clear and simple imagery of this deck is very helpful for understanding every nuance of the symbolic material in the story of the soul s journey around the six faces of the cube However the popular Waite deck or any other Tarot deck can be used in studying the Cube of Space Included is the material needed for the construction of a model of the Cube of Space and Hulse recommends that the reader assemble this model as it will greatly facilitate a clear understanding of the symbolic meaning behind each of the of the twenty two directions of space delineated by the cube Includes a color insert for construction of your own Cube
