The Eucharist Yesterday and Today M. Basil Pennington, 1983

Okonkwo, 2011-12-21 Hunger is a menace in different parts of the globe. It has more unnatural than natural causes. Though efforts have been made towards alleviating its causes and consequences, more actions still need to be taken for its genuine alleviation and eventual eradication in the world. For Joseph Grassi, painful hunger is a daily occurrence that must be countered by ongoing effective programs that enter into the lives of every Christian. Such position not only recognises the frequency and excruciating nature of hunger but also suggests that Christians and other religious groups have a very important role to play in order to eradicate hunger and its devastating effects. This book explores the nuances of hunger, its causes, dimensions and approaches as well as its connection to the Eucharist. It argues that hunger can be eradicated and that the Eucharist stands out as a veritable model.

Eucharist M. Basil Pennington, 1985 *Wedding Feast of the Lamb* Roch A. Kereszty, 2004 In this deeply contemplative and meditative study, Father Kereszty first places the Eucharist in the universal context of world religions and shows how the Eucharist is God's response to the universal human quest for the perfect sacrifice of thanksgiving, expiation and communion. Father Kereszty discusses not only the explicit eucharistic texts of the New Testament but demonstrates the role and meaning of the Eucharist within each Gospel, within the theology of Paul, the letter to the Hebrews and the book of Revelation. He highlights forgotten texts and recovers surprising insights from the Fathers that show the link between the Eucharist and mystical experience, the presence of all the mysteries of Christ in particular his death, Resurrection and his coming in glory in the eucharistic celebration. He then carries the *lex orandi* *lex credendi* adage to its logical conclusion: the liturgical celebration provides the content and the organizing principle for the systematic presentation.

Rediscovering the Eucharist Roch A. Kereszty, 2002 Essays from an ecumenical conference that promote a further convergence in our understanding of the Eucharist. *The Eucharist: Mystery of Presence, Sacrifice, and Communion* Lawrence Feingold, 2018-04-01 The Eucharist: Mystery of Presence, Sacrifice and Communion explores the three ends of the Sacrament of Sacraments: God's true presence, His redemptive sacrifice and spiritual nourishment through communion with Him. In this follow-up to his groundbreaking work *Faith Comes From What Is Heard*, Lawrence Feingold constructs a biblical vision of the Eucharist from its prefigurement in the Old Testament to its fulfillment in the New and presents the Eucharistic theology of the Church Fathers, St Thomas Aquinas and magisterial teaching from centuries past through today. The Eucharist is a masterful text, both challenging and spiritually rich, that comprehensively examines the unspeakable mystery that is the Eucharist.

A General Doctrine of the Sacraments and the Mystery of the Eucharist Johann Auer, 1995 In *A General Doctrine of the Sacraments*, Johann Auer aims to achieve a deeper understanding of the inner structure of the sacraments and of how they determine the structure of our Christian existence. In *The Mystery of the Eucharist*, Auer takes account of the biblical, historical and theological aspects of the Church's teaching on the Eucharist.

Called to Be Sent Anthony J. Gittins, 2018-02-13 The gospel tells us to look into other people s eyes as we search for an image of God to help us work for healing justice amid the rubble and the memories that litter our lives to rebuild a human world on the debris of broken dreams and to commit ourselves as God does to restoring communities so that there will be no more estrangement no more strangers and no more aliens It is only a little less than impossible and the only way we can do it is to learn to love the world as God already does It s simply not possible to love in theory we must go further than that We must love in practice We must practice in love That is the disciple s call Called to Be Sent develops and completes the theology of discipleship introduced in the author s previous books This new volume focuses on sending forth the phase that follows our radical encounter with humanity Here we find the hope and strength to move from an understanding of mission to actually being commissioned by Jesus In short as Christians we are gathered for scattering and called to be sent and this book provides much direction
