The Eucharistic Theology of Theodore Beza Jill Raitt,1972 **The Eucharistic Theology of Theodore Beza** Jill Raitt,2000 *Theodore Beza's Doctrine of Predestination* John S. Bray,2024-04-15 This monograph focuses upon the role Theodore de Beza played in the gradual transformation of Calvin's biblically oriented theology into a new type of scholasticism in which Predestination became the keystone **The Christian Tradition** Jaroslav Pelikan,1985-12-15 Explores the iconography dogma and liturgy of Greek Slavic and Syriac forms of Christianity **Simon Episcopius' Doctrine of Original Sin** Mark A. Ellis,2006 Simon Episcopius 1583-1643 who began his theological career as the protégé of Jacobus Arminius led the Arminians at the Synod of Dort and was instrumental in guaranteeing Arminianism's survival This book breaks new ground by clearly showing how in the process of working out the implications of the theological trajectories which Arminius established Episcopius introduced significant changes in his master's theology It begins by demonstrating changes between Episcopius' early theological works and Arminius' writings and then even greater changes in his mature theological work *Institutiones Theologicae* It defends the idea that Arminianism represented a pre-Calvinist movement within the Netherlands which not only rejected Genevan predestination but also intentionally moved away from Reformed Scholasticism This book is useful for seminars in early Arminian theology and the Arminian controversy in the Netherlands

The Eucharistic Theology of the American Holy Fairs Kimberly Bracken Long,2011-01-01 Sacramental occasions or Holy Fairs practiced by Scots Irish Presbyterians in mid-nineteenth century America were intended to bring conversion to nonbelievers and spiritual renewal to baptized Christians Kimberly Bracken Long examines the chief texts of American revivalism sermons devotional writings and catechetical materials to gain insights into the sacramental theology at work in these events as well as into the nature of revivalism in the American Presbyterian context She also explores several implications for twenty-first century Reformed and Presbyterian worship **The Ecclesiology of Theodore Beza** Tadataka Maruyama,1978 **Reformed Preaching** Joel Beeke,2018-10-15 Preaching today all too often tragically misses the point We've all heard sermons that sound more like a lecture filling the head but not the heart And we've all heard sermons tailored to produce an emotional experience filling the heart but not the head But biblical preaching both informs minds and engages hearts giving it the power to transform lives By the Spirit's grace biblical preaching brings truth home from the heart of the preacher to the heart of the hearer Joel Beeke a pastor and professor of preaching with over four decades of experience explores the fundamental principles of Reformed experiential preaching examining sermons by preachers from the past and bridging the historical gap by showing pastors what the preaching of God's life-transforming truth looks like today **Reformed Reader** William Stacy Johnson,John H. Leith,2002-03-01 This excellent resource presents short meaningful selections from major Reformed theologians of Europe the British Isles and America during the classical period 1519-1799 Arranged thematically according to major doctrines it identifies significant theological points that illustrate both

the distinctiveness and diversity of Reformed thought A History of Christian Thought: From the Protestant Reformation to the twentieth century Justo L. González, 1987 A treatment of the evolution of Christian thought from the birth of Christ to the Apostles to the early church to the great flowering of Christianity across the world The final volume begins with the towering theological leaders of the Protestant Reformation and traces the development of Christian thought through its encounter with modernity
