

A man in a hat and waders is fishing in a stream. The stream is surrounded by lush green trees and grass. The sky is blue with some clouds. The man is standing on the grassy bank, holding a fishing rod that is bent. The water is calm and reflects the surrounding greenery.

The Ever Rolling Stream:

An Ever Rolling Stream Don Snuggs, 2015-06-28 From the conventional to the unconventional in life and medicine Don Snuggs had a very normal childhood Born in 1932 and a child of the war he matured into an imaginative unconventional professional practitioner of alternative medicine After surviving the trauma of war many found themselves the subject of prejudice and discouragement but with his determination to succeed Don went on to make his mark on the world As a child Don spent some of his childhood in hospital which ultimately led to his interest in medicine and the nursing profession An Ever Rolling Stream details his life from his wartime childhood to his life as a nurse Don shares his memories of being in charge of a cancer ward in the Uxbridge RAF hospital and how it taught him the effects that disease and ill health can have on a person This led Don eventually to pursue an interest in Chinese medicine with its different approach to the sick person and his predicament Most of his stories talk not about cure but about care as Don shares his time spent comforting and caring for distressed patients as well as the support and friendship he shared with his bemused colleagues An Ever Rolling Stream is a touching memoir that allows the reader to share some of Don Snuggs most personal memories of his time spent living in a war torn Britain and caring for those most affected by their afflictions This book will appeal to readers with an interest in the Second World War as well as those with an interest in traditional and alternative medicine **Time, Like an**

Ever-Rolling Stream Judith Moffett, 2015-05-29 Judith Moffett returns to the future with this moving tale of the Hefn occupation of Earth and how it affects the planet's native humans two in particular Pam Pruitt a talented young woman from Kentucky and Liam O'Hara whose unique friendship with the Hefn Humphrey saved his life The two teens journey to a special place in remote Kentucky Hurt Hollow where the painter Orrin Hubbell and his wife Hannah found a way to live in peace with the planet during the twentieth century The prospects of living peacefully seem distant for Pam and Liam both of whom must find peace with themselves as well as with the Hefn Directive The marvelous events that befall them en route to Kentucky and in the Hollow itself beautifully depict the subtle ways in which the world shapes them and the stunning ways in which they change the world **Cracking the Timeline** Ruth Rosemary, 2023-03-10 History versus science history versus history or history with science who has it right In this book you will be challenged to think differently about BC history

Discover a calendar that is over five thousand years old and how the younger calendars go with it in this timeline Discover a reason why different dates are assigned to the same event Explore why the Second Temple of Judaism which stood partly BC and partly AD for about 420 years can have a start date in the 500s BC and 300s BC Discover concurrent event reading of the Bible as it relates to history Discover the accuracy preserved by forefathers and more With the use of the Gregorian calendar beginning in the 1500s we read BC history with dates that go backward as events move forward This is exactly the opposite of our current dates where the dates move forward as events move forward In this book there is a BC to AD timeline of the Bible some history and some prophesied events As you read you will go on a journey through history and put together past

and present through what was written down about events and prophesied events 157 **The Eloquence of Grace** James M. Childs Jr., Richard Lischer, 2012-10-12 Joseph A Sittler 1904 1987 was one of the most influential theologians of the twentieth century distinguished for his pioneering work in ecology and for his preeminence as a preacher He gave both the Beecher Lectures at Yale and the Noble Lectures at Harvard As the preacher s theologian Sittler approached the interpretation of Scripture with a clear understanding of current critical scholarship but also in the freedom of the gospel at the center of Scripture and with the humility of a theologian of the cross In following the trajectory of the text into the preaching situation he gave a lively timeless and eloquent expression to the fact that the interpretation of texts is in the service of proclamation This collection of readings from Sittler s rich legacy contains a great many presentations and sermons that have never before appeared in print Theologically serious preaching close attention to language engagement with the best of sacred and secular culture and a deep respect for the text all characteristics of Sittler s work are the sort of features that continue to edify They remain as benchmarks for good preaching even as styles and contexts evolve
