Relax. . . You're Not Going to Die Part 2 Darryl Philip, 2024-03-19 Twenty years ago we just didn t have the enormous weight of evidence from our contemporary messengers of God our near death experiencers the gifted psychic mediums our ancient spiritual teachers and last but not least the brilliant and courageous scientists and medical doctors Now through part 1 and part 2 of Relax You re Not Going to Die we re finally able to address and answer some of the most perplexing questions about God and life and why our lives are the way they are We know now that God is not working in mysterious ways but has a definitive plan in place for

each and every one of us This is a time of our spiritual awakening Your life is more perfect than you know We are all magnificent divine immortal spiritual beings that choose this earthly life for the spiritual growth it offers You are invited to examine and explore the overwhelming evidence No Ordinary Angel Susan R. Garrett,2008-01-01 In this provocative intelligent and highly original addition to the Anchor Yale Bible Reference Library Susan R Garrett argues that angel talk has never been merely about angels Rather from ancient times until the present talk about angels has served as a vehicle for reflection on other fundamental life questions including the nature of God s presence and intervention in the world the existence and meaning of evil and the fate of humans after death In *No Ordinary Angel* Garrett examines how biblical and other ancient authors addressed such questions through their portrayals of angels She compares the ancient angel talk to popular depictions of angels today and considers how the ancient and modern portraits of angels relate to Christian claims about Jesus *No Ordinary Angel* offers important insights into the development of angelology the origins of Christology and popular Western spirituality ranging from fundamentalist to New Age In doing so it provokes stimulating theological reflection on key existential questions **Archangel Raphael** Mary LaSota, *Death Is Not "The End"* Mandy Berlin,2015-06-04 On December 23 2003 as death released her beloved husband Max from the ravages of cancer Mandy Berlins life also changed Soon after her husband passed away Mandy began to experience uncanny even miraculous happenings As a retired scientist she approached the mystery the way she had been trained to do through empirical observation and analysis She kept meticulous records of the astounding sights and sounds she witnessed Her documentation also included the stories of stunned loved ones who called her in the days after Max passed The result is *Death Is Not The End* the detailed account of her journey from grief to hope and faith An agnostic in the years before her husbands death she knew that these amazing experiences challenged her lack of belief Time and again a synchronistic melody would play as an uncanny episode presented itself to awestruck Mandy and others Here she invites readers into detailed accounts of more than fifty experiences beyond natural explanation On the one year anniversary of her beloved Maxs departure another life changing event opened Mandys eyes to a startling promise and a new way of living being Was Max really gone forever One year after he died just minutes before the time recorded on her husbands death certificate Mandy witnessed a mind numbing event that had the effect of solidifying her awe inspiring experiences She now embraces a new understanding of life death and the subtle boundaries between and shares it all in this memoir The Hidden Parables Todd Michael,2008-09-04 The secret and empowering messages contained within Christ s thirty parables an astonishing and practical blueprint for the life you are destined for In *The Hidden Parables* Dr Todd Michael unveils a hidden layer of meaning within the thirty enigmatic parables spoken by Christ that shows that the parables are not a random collection of stories but a unified system of knowledge This integrated system of knowledge describes how to use the spiritual law of thought forms of controlled intentions to create more beneficial more miraculous circumstances in our personal lives The information it presents is clear

and very useful Moreover this system bears an uncanny symmetry with many of today's leading edge ideas from quantum physics In *The Hidden Parables* the parables are meticulously retranslated retaining the expressiveness of the original Greek and giving the reader a literal understanding of the words of Jesus Those aspects of Christ's words that are sometimes considered confounding are freshly revealed for their penetrating insights into human existence and for the hands on methodology they provide for a greater self understanding and for leading a more fulfilling life *The Twelve Conditions of a Miracle* Todd Michael, 2008-09-04 This extraordinary new understanding of the biblical parable of the loaves and fishes reveals within the original Greek text twelve practical methods for living a life of meaning and miracles In this uplifting work Dr Todd Michael meticulously retranslates the parable of the loaves and fishes and makes an astonishing discovery Below the surface deep within the subtleties of the original Greek lies a carefully hidden layer of information Here the actual technique of the miracle is revealed in the form of twelve precise and realistic steps to extraordinary living Scholarly inspiring and amazingly consistent with contemporary metaphysical thought *The Twelve Conditions of a Miracle* is essential reading if you want to work a transformation in your own life **Relax... You're Not Going to Die Part 1** Darryl Philip, 2025-10-17 This is a time of our spiritual awakening a time when we are finally gaining a full understanding about just why we all choose to take on an earthly life inhabiting a physical body and enduring the ongoing ups and downs of earthly life It is no longer a question of if God exists Now we know that God exists Our spiritual awakening means that we fully understand and accept that God is present in our lives and that all of life is a spiritual journey
